What would you think if people SACRIFICED their children alive into fire? It would be appalling! It is just unthinkable!! Many would get off their fat couches and probably start a war. In fact, in the old days, God's own people participated in such evil. This used to happen

2 Kings 17:16-17 *"And they forsook all the commandments of the Lord their God and made for themselves molten images, even two calves, and made an Asherah and worshiped all the [starry] hosts of the heavens and served Baal. 17They caused their sons and their daughters to pass through the fire and used divination and enchantments and sold themselves to do evil in the sight of the Lord, provoking Him to anger."*

Ezekiel 20:31 *"And when you offer your gifts, when you make your sons pass through the fire, do you not debase and defile yourselves with all your idols to this day? And shall I be inquired of by you, O house of Israel? As I live, says the Lord God, I will not be inquired of by you"*

We can look back at the people of God in the Old Testament, we can think they were pretty stupid or something. How can one sacrifice their children to Molech and pass them through fire? How can any normal human do this we ask? How can any parent let their child burn alive like that? How? These were God's people. How!!!!

Hypothetically, if God allowed man to continue to rule for another 2000 years, they in the future will look back and say the same thing. They would say, how stupid were the New Testament saints. How could they have done such a thing!! How naive and blind they were!! How could they flop themselves on a table and let a doctor tear into their bodies and tear the limbs, muscles, organs, and the precious soul of a baby into pieces. How could those people destroy a 7 month old baby in a womb and tear it to pieces and then dispose of it in the thrash!! How!!! How!!! Were they even humans, they would ask!! They called themselves Christians!!!!

And to top it off, just like in the Old Testament, they would go to church and have a pity party for themselves deceived into thinking they are still on good terms with God after they had knowingly and willingly aborted their babies. They continue to come to God's sanctuary (church) as they continue to have promiscuous sex outside marriages and continue to have abortions. Why? Just because it was a burden to them? Why? Just because they didn't want to put in the effort to raise the child? Why? Just because they wanted convenience?

Many are deceived with this once saved always saved teaching and many sin continuously and then they have the nerve to go to God's sanctuary and put in their sacrifice and offering after sacrificing to Molech! There is NO FEAR of GOD!! You must Repent!!! Repent!! Repent!!! Get your belief in order! You must believe properly or all is in Vain!

If you have committed abortion, you must repent!! Repent and bear fruit of repentance. Stop fornicating outside of marriage!!! Are we so ignorant to think judgment is not coming to our nation for the blood that cries out from the torn babies as Christians have looked the other way!!! As many professing Christians have committed this very act themselves? Repent!!!!

Ezekiel 23:38-39 38Moreover, this they have done to Me: they have defiled My sanctuary on the same day [of their idolatries] and have profaned My Sabbaths. 39For when they had slain their children [as offerings] to their idols, then they came the same day into My sanctuary to profane it [by daring to offer sacrifice there also]! And behold, thus have they done in the midst of My house!

Leviticus 20:2-5 Moreover, you shall say to the Israelites, Any one of the Israelites or of the strangers that sojourn in Israel who gives any of his children to Molech [the fire god worshiped with human sacrifices] shall surely be put to death; the people of the land shall stone him with stones. 3I also will set My face against that man [opposing him, withdrawing My protection from him, and excluding him from My covenant] and will cut him off from among his people, because he has given of his children to Molech, defiling My sanctuary and profaning My holy name.

4And if the people of the land do at all hide their eyes from the man when he gives one of his children [as a burnt offering] to Molech [the fire god] and they overlook it or neglect to take legal action to punish him, winking at his sin, and do not kill him [as My law requires],

5Then I will set My face against that man and against his family and will cut him off from among their people, him and all who follow him to [unfaithfulness to Me, and thus] play the harlot after Molech.

If you read testimonies of Christians who have come out of witchcraft and sorcery, they who have been involved will tell you that many abortion clinics are run by witches and warlocks. They perform ritual sacrifices before performing the abortions. They say many of the doctors and nurses will place a crystal in the women's body so that she can be more promiscuous and return to have more abortions. It is not only a money making machine for them but it is legalized sacrifice of human babies!!

Psalm 139:13 (Amplified Bible) ***For You did form my inward parts; You did knit me together in my mother's womb.***

Jeremiah 1:5 (Amplified Bible) ***Before I formed you in the womb I knew [and] approved of you [as My chosen instrument], and before you were born I separated and set you apart, consecrating you; [and] I appointed you as a prophet to the nations***

If you have been involved in this act, you must truly repent. We must pray for this nation as judgment draws near. Judgment is coming for it is God's people who have allowed the wickedness to prevail. We have looked the blind eye. We have looked the other way. We have participated with the world. Many are so desensitized, they do not even understand what separation from the world really means.

God has told me unless the Christians get on their knees and repent, judgment is coming to America. But still, God's people too busy watching TV and sports, watching nonsense reality
