

America's Sex Sicko Society

By David J. Stewart

1st Peter 2:11, "Dearly beloved, I beseech you as strangers and pilgrims, abstain from fleshly lusts, which war against the soul."

America has deteriorated into a sexually degenerate society of [dirty-minded](#) people. In December of 2010, the *Parents Television Council* [publicized a study condemning television executives](#) who exploit underaged teenaged girls for profit. The tragic part is that many Americans defend such evil.

Most people don't care, and they watch such filth on their TV, and so they contribute to the problem. Where are the God-fearing Christians in America? Why aren't more Christians STANDING UP against the workers of iniquity as Psalm 94:16 commands? God hasn't changed in 3,000 years (Malachi 3:6). The same holy God Who hated evil in the Old Testament hates evil today. Psalm 97:10, "Ye that love the Lord, hate evil..."

America is a crazy place to live. With only five-percent of the world's population, twenty-five percent of the world's prison [inmates are incarcerated](#) in the "Land of the Free." What a sad testimony to our nation. What a tragic paradox.

It's not hard to figure out what's going on if one understands that there has been a Communist agenda to [morally subvert](#) and [destroy](#) America's sovereignty for centuries. As hard as it is for many people to believe, America was founded by Freemasons with the purpose of exploiting America as a vehicle to bring about a New World Order. This plot is well explained in naval officer, William Guy Carr's book, [PAWNS IN THE GAME](#). Start with [chapter 16](#). Pastor Texe Marrs summarizes [21 ways](#) in which the [Illuminati](#) is destroying America. This stuff is real and Christians need to understand what is going on in order to comprehend why pornography, America's sex-culture, Rock 'N' Roll, sex-saturated television, feminism, divorce, *Child Protection Services* (CPS), corrupt courts, and the malicious newsmedia are destroying America's families. There is an AGENDA at work to destroy your family.

The following information is quoted from [Pepperdine Campus Ministry](#). It puts into perspective just how much money the filth mongers are making in the porn industry. The following statistics should upset you if you love God...

Porn Runs The World

This world is rife with moral decay. Doubters need only look to the evening news or the vacant church pews for confirmation. That and the fact that the porn industry utterly dominates our society.

Think we're exaggerating? We've got the numbers to back it up. As big as you think porn is, it's bigger, and its influence on modern society is deeper.

Porn – Hollywood

"Hollywood cranks out around 500 movies a year to an international audience of 2.8 billion. Its closest competitor, India's Bollywood, makes about 1,000 movies a year, but 50 percent aren't released and 95 percent of those released are financial flops. This is unfortunate considering every Bollywood clip we've ever seen has been absolutely amazing.

In 2008, *The Dark Knight* alone grossed \$533 million domestically and over \$1 billion internationally, certifying it in the top five highest grossing films of all time and a crown jewel in the Hollywood empire. It's just further evidence that the institution of Hollywood cannot possibly be bested in any way, and certainly not by the data in the following paragraph.

As early as 2002, about 11,000 adult movies were released per year—more than 20 times the mainstream movie production. To meet current demand, a new pornographic video is being created every 39 minutes in the U.S.

In 2005, there were approximately 425 films released in Hollywood, including a *Star Wars* prequel and a *Harry Potter* movie, with domestic grosses of \$8.597 billion. That's very impressive. In 2006, the cumulative grosses for porn videos in the U.S., leveraging video sales, rentals, mobile phone content and Internet revenues—came out to....

Are you ready?

\$8.65 billion.

About the same, and that's minus the billions Hollywood spends on promotion. Oh, and we're going to take a wild guess and say that the combined budgets of every porno shot that year wouldn't even pay for the CGI in the opening credits of a *Harry Potter* movie. So, yeah, we're thinking that \$8.65 billion is pretty much all profit".

Porn – Pretty Much Everything

Remember at the beginning when we said as big as you think porn is, it's actually bigger? We meant it.

Microsoft, purveyor of the operating system used on most of the computers in the world, reported 2008 profits in excess of \$16 billion. ExxonMobil, the world's largest publicly traded company and number five on Forbes' top 2000 companies, posted 2008 profits of \$40.6 billion. Though there is little in common with their industries, they do share one common bond: porn revenues spank them both.

In 2006, the sum of international revenues from pornographic videos, sexual novelties, magazines, "dance" clubs, pay-per-view and Internet was approximately \$97 billion.

Can you even wrap your mind around that number? Try it this way: that's larger than the combined annual revenues of the NFL, NBA and Major League Baseball.

Still not impressed? Well, our domestic revenues for pornography are larger than the revenues of Microsoft, Google, Amazon, eBay, Yahoo!, Apple, Netflix and EarthLink combined.

This means \$3,075.64 is being spent on pornography internationally every second. To put that in perspective, when ExxonMobil posted a quarterly profit of \$11.7 billion last year, the largest in American history, they were effectively making \$1,947 less per second than the world of filth mongers.

When you start talking about money this big it's not even fair to compare individual companies, so we just made the jump to entire countries. If you compare porn revenues to Gross Domestic Product, the market value of all final goods and services from a nation in a given year, it is bigger than Morocco."

Making money is one thing, but making money by preying off of people and causing them immense pain and strife is quite another. Don't think porn is negatively affecting our world? Keep reading.

SOURCE: [Pornography and Sexual Sin](#)

Everywhere a man turns nowadays, sexual smut and immodestly dressed women are in his face. *Victoria's Secret* is no longer a secret. Sexuality is in our faces everywhere we look. A man cannot even watch the evening news without seeing some miniskirt-wearing whore. *FoxNews* is terrible. You can't even look at the advertisements on the side of a public transportation bus, or a billboard while driving along the road or read a newspaper without seeing [women and girls in their underwear](#). It is wickedness.

The internet is absolutely saturated with sexually suggestive advertising. Unethical companies have stooped to unprecedented lows in an attempt to make more money. Thousands of online companies display immodestly clothed women, laying down, sitting with their legs open, wearing tight clothing to expose their breasts. The internet has truly become the Devil's playground. Pornography is a multi-billion dollar a year business and it's growing exponentially.

Psalm 101:3, "I will set no wicked thing before mine eyes..."

California girl extraordinaire, and spoiled heathen brat, singer [Katy Perry's](#) (Hudson's) latest album in 2010 is titled [TEENAGE DREAM](#). Although the CD has a Parental Advisory Content warning on the wrapper in stores, any child or teenager with access to a computer can go directly to Katy Perry's graphic website (with no warnings of inappropriate content). Her 99% naked body is exposed in the "order" section of her website, on the *TEENAGE DREAM* album cover. In the cover photo she is laying in a sexual position, with only a strand of cotton candy covering her buttocks. She clearly is wearing no bra. Katy Perry is a disgraceful role model. America's kids idolize her and want to be just like her. Perry has been featured on *Sesame Street* singing with Elmo, attracting young girls to her as a role model. No wonder our nation has become a nation of sluts and whores, fornicating and committing adultery, having led to over 50,000,000 abortions since 1973 *Roe vs. Wade*! God help us!!!

The first song on the album is of the same title, which sings about a boy putting his hands into Perry's skin tight pants. Selena Gomez and Katy Perry clearly evidence the evil influence and overwhelming demonic power of Rock music in their song, [ROCK GOD](#), which blasphemes God. Katy Perry is a [slutty she-devil](#). In one photo, Perry has a sharp knife placed in front of her right eye. This is the freakish, sick-minded, antics of HollyWEIRD!!! Being a whorish freak has paid off. Katy Perry (Hudson) bought a \$2,700,000 penthouse in New York City. I'm not condemning Katy Hudson, for we are all guilty sinners in God's eyes; but someone needs to protect our children and stand up against the jerks who are trying to turn them into whores (Hebrews 13:5). [Walt Disney](#) is just as bad.

Sexual Filth, Provocative Clothing and Lasciviousness

Photo to right: Marylyn Monroe—the whore

We are living in a selfish world today. America's infatuation with sexual immorality, lasciviousness and nudity is fueled by greed, lust and selfishness. The whores who are willing to strip naked (or nearly naked)

to make a buck are helping to destroy America. I'm talking about Carrie Underwood, Britney Spears, Trisha Yearwood, Martina McBride, Paris Hilton, Dolly Parton, Hannah Montana, the Dixie Chicks, and thousands more. Every woman who has ever posed naked in a dirty magazine, such as [Playboy](#), will give account to God for helping to destroy marriages, wreck homes, cause rapes and lead men away from God.

Pornography is no trifle matter to God. Hebrews 13:4 is clear... "Marriage is honourable in all, and the bed undefiled: but whoremongers and adulterers God will judge." Jesus said in Matthew 5:28, "But I say unto you, That whosoever looketh on a woman to lust after her hath committed adultery with her already in his heart." Women who strip naked in a filthy movie, or in an immoral magazine, or on the adulterous [HEE HAW](#) show, are deliberately causing tens-of-millions of men and women to have lustful desires that are unholy, covetous, and adulterous. I can't think of anything more malicious and selfish. Country singer, [Taylor Swift](#) is a disgrace to the United States, being honored when she ought to be shamed for her sinful lewdness on TV. Television in the U.S. has become one big whore show!

Michelle Griffin is the social affairs editor at *THE AGE*, who thinks it's good for teens to read raunchy novels and sexual smut...

Why Teens Should Read Raunchy Novels And Straight-up Smut

Dirty books can arm adolescents against banal internet porn.

Teens should read more porn. The key word here is "read". When every adolescent can tap into adults-only video over the internet, but their only formal sex education emphasises disease and danger, dirty books are the best chance they have to free their fantasy lives from the shackles of banal commercialised sexuality.

We should fill school libraries, family bookshelves and e-readers with all manner of explicit literature: not just copies of *The Joy of Sex*, but steamy

airport novels, raunchy teen lit and straight-up smut. According to enthusiastic reviewer Elaine Blair in the August New York Review of Books, Nicholson Baker's surreally explicit new title, *House of Holes*, is "exactly the sort of filth you'd want them to read first ... [It] will introduce impressionable readers to many interesting sexual possibilities without a whisper of stereotype or slur."

SOURCE: [Teenagers Should Read Smutty , Raunchy Novels](#) | February 1, 2012

This is the counsel of the ungodly which Psalms 1:1 warns about. Can you imagine anyone suggesting that teens read all the sexual smut, homosexual lasciviousness and dirty filth they can get their hands on? Griffin thinks the libraries should be stocked with trashy literature so our teens can be saturated with sexual lasciviousness. What a spiritually bankrupt individual! It is sinful for teens or anyone to read sexually promiscuous literature. It's no different than if two men are telling dirty sexual jokes. The Bible says in Colossians 3:8, "But now ye also put off all these; anger, wrath, malice, blasphemy, filthy communication out of your mouth."

Many little children are being sexually molested because of booze and pornography. Now cellphones makers are making the sin of adultery even easier...

Cell phone porn to ring up \$3.3 billion

By Jo Best

Special to CNET News.com | November 28, 2006

Like the Internet before it, it looks like mobile's content explosion could be set off by porn.

Adult content on mobile devices will be worth \$3.3 billion by 2011, up from \$1.4 billion this year, according to industry analysts Juniper Research.

Europe is the biggest spender on porn, due to both its appetite for smut and the relatively high-priced nature of adult content. The Asia-Pacific region follows in second place.

The development of the adult content market will also evolve in parallel with mobile telephony technology, Juniper predicted. Currently, most adult content is text-based. As 3G wireless, which provides more capacity for multimedia services, reaches maturity, porn will switch to video delivery, Juniper said. More than 70 percent of revenue will be derived from that medium by 2011, according to the report.

"Erotic adult entertainment is big business--sex sells! What's more, the underlying drivers mean that the demand is pretty constant," the report's authors noted.

I agree with pastor [Jeremiah Wright](#)... GOD DAMN AMERICA! And so it is today. The enemy has come in like a flood. Our nation is headed for imminent economic destruction, caused by a scientific artificially created depression by the criminal banksters behind the Federal Reserve system. The banks are stealing people's homes through the crooked and dishonest ARM (adjustable rate mortgage) scam. Our nation is doomed because the average person is so morally bankrupt they couldn't care less what's right or wrong anymore. Sin lieth at our nation's door. Evil abounds everywhere!

Christians Can Live for God in These Wicked Times

What's a Christian to do? Let me say right away that a Christian CAN live a holy life in these times of woeful wickedness and apostasy. The Bible states in **1st Corinthians 10:13**, "There hath no temptation taken you but such as is common to man: but God is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it." A young man said to an elderly preacher, "Preacher, I can't help but commit fornication, I'm over-sexed." The elderly preacher wisely replied, "No young man, you are under-charactered." Character is the subconscious doing of right. Good character means possessing good habits, which comes from doing the right thing repeatedly. If you'll pretend to be a good Christian long enough, you'll become one someday. There's no time like the present to start. Just do right!

Job in the Old Testament made a personal commitment that he would strive not to be a lustful man. Job purposed in his heart to guard his eyes against entertaining unholy

thoughts, which come from lusting. Job 31:1, "I made a covenant with mine eyes; why then should I think upon a maid?" The average person today couldn't care less about living for God; but judgment day is coming. Ecclesiastes 11:9, "Rejoice, O young man, in thy youth; and let thy heart cheer thee in the days of thy youth, and walk in the ways of thine heart, and in the sight of thine eyes: but know thou, that for all these things God will bring thee into judgment." Hugh Hefner's day of reckoning is coming. Hugh has lived a pleasurable life of wine, women and song, spitting on God. God will not be mocked. Hebrews 13:4, "Marriage is honourable in all, and the bed undefiled: but whoremongers and adulterers God will judge." Woe unto the wicked!

Marriage is like a fireplace, and sex is the fire. As long as the fire stays in the fireplace you're ok. But if you let the fire outside of the fireplace, it'll burn your house down. And if you have sex outside of marriage, it'll burn your life up. Lust is destroying America. Sexual sins have become so prevalent that the State of Nevada has legalized prostitution for Las Vegas visitors coming to SIN CITY. But consider yourself forewarned my friend: What HAPPENS in Vegas is RECORDED in Heaven! "And the *BOOKS* were opened" (Revelation 20:12). Whoremongers and adulterers God *WILL JUDGE* (Hebrews 13:4).

Divorce courts are overflowing with cases. Adultery is the number one reason (grounds) used to justify a divorce, because nearly everybody tries to use the Bible to justify their sins. In California alone the divorce rate is now [over 75%](#). However, divorce is a sin in all situations. There are no Biblical grounds for divorce. What about all the other sins that one's spouse may commit? Jesus taught forgiveness, 70 times 7 (Matthew 18:22). This does not justify the sin of adultery, but Jesus taught forgiveness, and that includes forgiveness toward a fallen spouse who is repentant and sorrowful for their sins.

Besides, the Bible teaches in 1st Corinthians 7:11 that if a wife does DEPART (not divorce) from her husband, she is to remain single for the rest of her life, or reconcile with her husband. To remarry is sinful, it is adultery (Matthew 5:32). God will punish the woman who divorces her husband and shacks up with another man (which is considered a common-law marriage). Adultery is a horrible sin. The Bible teaches that a person who covers their sins CANNOT prosper in the Christian life. Proverb:28:13, "He that covereth his sins shall not prosper: but whoso confesseth and forsaketh them shall have mercy."

In the case of a woman who has divorced her husband and remarried (or vice versa), she cannot undo her wrongs. She has committed a sin that will perpetuate for a lifetime, such as abortion. You cannot bring the child back from the grave. The blood of the child crieth out from the grave (Genesis 4:10). If you have remarried, all you can do is ask for forgiveness from your spouse; but you cannot make things right. That's why the Lord came into the world, to SAVE SINNERS, to make things right because we couldn't. You will give account to God on Judgment Day for the wickedness you have done (Romans 14:12). God will avenge (1st Thessalonians 4:6;

Romans 12:19). God will hold Christian believers accountable for the GOOD and the BAD done in the flesh (2nd Corinthians 5:10-11).

The lost will be judged at a different time and place, cast into the Lake of Fire, Hell (Greek: Gehenna) forever (Revelation 20:11-15).

DANCE MOMS

Above: A 7-year-old girl dancing seductively for the audience on 'DANCE MOMS.' These wicked mothers are no better than Lot in Sodom, who offered up his own innocent daughters for the sinful world to "do ye to them as is good in your eyes" (Genesis 19:8).

Woe unto America!

Genesis 19:8, "Behold now, I have two daughters which have not known man; let me, I pray you, bring them out unto you, and do ye to them as is good in your eyes: only unto these men do nothing; for therefore came they under the shadow of my roof."

A Sick-Minded, Hypocritical, Sexually-Perverted Society

Hollywood has sexualized everything nowadays. Companies have saturated their advertisements with promiscuous and sexually-suggestive content to make a buck. It is malicious and rotten to the core. God is not amused. Hell will be hot enough for the wicked. God is angry with the wicked every day (Psalm 7:11). Pornography is evil.

Selena Gomez and Katy Perry both sing the evil blasphemous song, [ROCK GOD](#), admitting the degenerate sexual nature and demonic influence of Rock 'N' Roll music. John Hall of Hall and Oates stated: "Rock 'N' Roll is 99% sex!" Rocker, Frank Zappa said of young girls under the influence of his Rock music . . .

"I'm the devil's advocate. We have our own worshippers who are called 'groupies.' Girls will give their bodies to musicians as you would give a sacrifice to a god." (Peters Brothers, What About Christian Rock, p. 17)

Remember, the title of Selena Gomez and Katy Perry's evil song is **ROCK GOD**. Frank Zappa admits the overpowering, demonic, destructive nature of Rock music. America's Rock 'N' Roll culture has led to massive sexual immorality. Consequently, millions of unwanted pregnancies led to the passing of *Roe vs. Wade* in 1973, legalizing the sin of abortion (which is cold-blooded, calculated, planned, murder... Exodus 20:13).

Katy Perry (real name: Katheryn Hudson) also sings [I Kissed a Girl and Ur So Gay](#). Katy Perry in 2010 recorded the vile song [TEENAGE DREAM](#), in which she invites a male to put his hands down into her skin tight pants, so she can be his teenage dream tonight. Perry recorded this song at age 26. Like Madonna (who is nearing senior citizen eligibility), these greedy and selfish she-devils target teenage girls, turning them into lascivious lewd whores for the Devil.

1st John 2:15-17, "Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of

the Father, but is of the world. And the world passeth away, and the lust thereof: but he that doeth the will of God abideth for ever."

[Feminism](#) has also played an instrumental role in destroying America's families. There is a deliberate, Communist, [agenda to destroy families in America!](#)

Rocker Frank Zappa (who discovered the awful truth December 4, 1993 the second he died) proudly boasted:

"Rock music is sex. The beat matches the body rhythms." (Frank Zappa, superstar of 'Mothers of Invention' fame.)

It is tragic that heathen Rock 'N' Roll singers openly admit the evil nature of Rock music; while Godless *Contemporary Christian Music* [CCM] performers like [TobyMac](#), [Third Day](#), [Jars of Clay](#), [Unholy](#), [Rebecca St. James](#), [Michael Smith](#) and hundreds more defend [religious Rock music](#) and bring it into our churches. It is apostasy!

There's a disgusting scene in the 1996 movie, *INDEPENDENCE DAY*, where the First Lady (played by Mary McDonnell) apologizes to Jasmine Dubrow (played by Vivica Fox) when she learns that Jasmine is an exotic dancer (stripper). The First Lady says, "I'm sorry," to which Jasmine replies, "Don't be, I'm not. My baby's worth it. And besides, it's good money." Her "baby" refers to her son in the movie. That mentality is what brought God's wrath upon the cities of Sodom and Gomorrah. Working as a stripper is immoral, dishonorable and should be illegal. It is a vile sin in God's eyes.

[Beyonce Knowles](#) claims that God has given her permission to be a stripper. She is in big trouble for calling God a liar. God would never approve of such evil. [Another woman](#) claims that it's God's will for her to be a whorish Dallas Cowboy Cheerleader. It's the Devil's will. It's sad how some people attribute their wickedness to God. It's so wrong. I heard a 25-year old woman, a porn-model, being interviewed on the news. She said that Adam and Eve were naked so it's ok with God to go naked publicly. Besides being a complete idiot, she has horribly twisted the Bible around to fit her evil heart. Adam and Eve were the only two people on the planet, duh. It's unbelievable what some people come up with to justify their evil.

It shouldn't come as a surprise in a wicked society that justifies murdering it's own children, legalizes homosexual marriages, takes pictures of its children in their underwear for clothing catalogs, and other forms of mental-illnesses, that they would also legalize pornography. What is wrong with people? Many of the clothing companies have done nothing less than exploit children to make a buck. It is horrible. Americans need to put their clothes back on!

Please read, [The Cure for Nudity](#).

[Walt Disney](#) has turned teenage girls into glamour model whores. It's just plain wrong to film 13-year old girls with high-heels, lip gloss, professionally done hair, et cetera. The producers bring the hair down in front of the girl's eyes. They dress the girls in seductive miniskirts and position them in provocative angles for the camera. Is it any wonder why American society is falling apart? Can you honestly act stupid and claim you don't know why sex-crimes are sky-rocketing all across America? It's really not that hard to figure out. The Bible calls it lasciviousness (sex addiction). The television has become the [sexivison](#). Everything on television nowadays is sex, sex, sex. Many of the TV shows have a twisted, violent, homosexual, sex-perverted, adulterous, shocking, child-molesting, sex-trafficking, sicko theme to them. And the American public can't get enough of it, they beg for more.

The happiest people are those who have no sins standing between them and God.

Get Rid of That Hellivision!

Honestly, Christians need to get rid of their TV's. I don't watch TV anymore. It's just too unpredictable. There are no wholesome things to see on TV anymore. I was sitting at the doctor's office for my neck and the *Food Network* was on TV. Rachael Ray was dressed like a whore with her breasts hanging out. I went to sit at the other end of the waiting room. I want to please God and live right. The key to living right is thinking right... "Casting down imaginations, and every high thing that exalteth itself against the knowledge of God, and bringing into captivity every thought to the obedience of Christ" (2nd Corinthians 10:5). There's no secret to living right. You have to abide in Christ, meditate in the Scriptures and just plain exercise some self-control.

[Steps In The Degeneration Of Our Nation](#) (MP3 sermon from 1967 by Brother Lester Roloff). [Here's a clip from the sermon](#) about how evil the television was back in 1967, which caused a 15-year-old boy to brutally attack and rape his own mama. Today, television is a hundred times worse, inducing lasciviousness into the hearts of men and women alike. No wonder lesbianism has become epidemic in America. Hollywood is the [homosexual](#), [pedophile capital](#) of America!

Sex crimes have become so prevalent in America that [59% of all churches now have child sexual abuse training prevention programs](#) in place, over worries of pedophiles

seeking employment in churches where there are children. Can you imagine? This is how low America has gone. I was doing some research on smaller pretty towns in America and typed in Mount Airy, North Carolina. That's the little town made famous on the Andy Griffith show. I love Andy Griffith, raised Baptist and a decent man. So I did a web search about the town. We'll, the first thing that came up on the internet is a sex offender registry of the town. What a sad testimony of our nation when the town that Andy Griffith was born and filmed in is known more for its pedophiles than its charm and beauty. Our country has gone to Hell!

President Obama told ABC News today (May 9, 2012) that he supports same-sex marriage, saying that he believes same-sex couples should be able to marry. "I've just concluded that for me personally it is important for me to go ahead and affirm that I think same-sex couples should be able to get married," Obama told ABC News' Robin Roberts. What a wicked President! God's opinion hasn't changed. It doesn't matter what we think, "personally." All that matters is what God says in His Word. Romans chapter one plainly exposes the sin of homosexuality as being abnormal and the bottom of evil.

There is no doubt that Proposition 8 is going to be used by the Supreme Court to legalize same-sex marriage next year in 2013. Romans chapter one teaches the downward progression of a civilization into total Godlessness and debauchery. The sin of homosexuality is at the very bottom. A society cannot go any lower! Along with homosexuality exists pedophilia and every sexual sin.

A "yoke" in the Bible represents carrying a burden. The yoke was placed across an animal's shoulder and permitted a plow or some other device to be attached to the yoke. It's a yoke of wood to live right; but it's a yoke of iron to yield to sinful temptations. Sin will destroy your life. **Jeremiah 28:13, "Go and tell Hananiah, saying, Thus saith the LORD; Thou hast broken the yokes of wood; but thou shalt make for them yokes of iron."** It may be a yoke of wood to live for God and do the right thing; but yielding to sin and doing the wrong thing will bring one into bondage (i.e., yokes of iron). It's not easy to live right nowadays; but it's even more difficult to live in sin.

Please read, [Think On These Things](#).

In the remake 1995 movie of the original *Brady Bunch* series, the neighbor's wife, Mrs. Dena Dittmeyer, tucks the Brady's mail into Greg's pants and states, "My, you've gotten so big. You're almost as big as your daddy." Greg replies, "And I'm still growing." Mrs. Dittmeyer then states, "Right before my very eyes." Later in the movie she sensually asks Greg and his brother (Peter Brady) if they'd like to come into her home and "make a sandwich." This is the sicko mentality of Hollywood. If that were a man saying those things to a teenage girl, he'd be labeled as a sex-offender, predator and criminal. Why is it that Hollywood can film, mock and glamorize crimes that others are spending life behind bars for committing? Welcome to the American sex sicko society!

To no surprise, Marcia Brady (Christine Taylor) receives a lesbian kiss from her best friend, Noreen (Alanna Ubach), at the end of the movie. Few people even realize today that Mike Brady (the father) from the original Brady Bunch series was a flaming homosexual in real life. It was kept a guarded secret until after his death. So much for the ideal American family. Robert Reed (1932-1992), who starred as Mike Brady in 116 episodes of *THE BRADY BUNCH*, died of A.I.D.S. at age 59, contracted from one of his homosexual lovers. Hollywood is a sick orgy of homosexuals, pedophiles, blasphemers, and adulterous God-haters!

Hollywood has always been rotten and evil. Charlton Heston (1923-2008)... who's best known for his starring role as Moses in the 1956 blockbuster movie, *THE TEN COMMANDMENTS* by Cecil B. DeMille... was a Hollywood whoremonger in the 1973 sci-fi hit movie, *Soylent Green*, having sex with a whore in the movie, drinking booze, smoking cigarettes, stealing, and being portrayed as a fornicating, whoremonger detective. Heston's pubic hair is clearly exposed in a bed scene in the movie. That was in 1973.

In the suspenseful 1975 drama "Dog Day Afternoon," Al Pacino plays the real-life Sonny Wortzik, a man who tries to rob a bank and ends up holding people hostage so that he can get money for **his boyfriend's sex-change operation**. This is how evil Hollywood was in the 1970's, and it's been a downward spiral into Hell, fire and damnation since it's beginning. Most of those playboy stars of decades ago are DEAD today. They lived riotous lives of wine, women and song; but they are burning in Hell today, having died in their sins without Jesus Christ. Hollywood is predominantly Jewish owned and controlled, and no one hates Jesus Christ as much as the Jews. [Judaism](#) evidences this, as do all the [blasphemous movies which defame His holy name](#).

Conclusion

It is no coincidence that everything has been sexualized and marriage desecrated in America. This is all part of the Communist subversion of America. Brutal Communist dictator, Vladimir Lenin stated, "The best revolutionary is a youth devoid of morals." The Beatles lived up to that statement, bringing their orgy lifestyle and substance abuse to America. Rock 'N' Roll produced a depraved culture of nudity, rebellion, drug-addicts, fornication, abortion, witchcraft, homosexuality and divorce.

Even a brief study of the lives of famous Rock 'N' Roll singers, such as Steven Tyler of *Aerosmith*, Gene Simmons of *Kiss*, David Lee Roth of *Van Halen*, David Bowie and hundreds more like them, reveals a sex-driven culture of adultery, fornication, homosexuality and just about every sin imaginable. There are groups of women, whores, who follow the Rock bands from city-to-city for the sole purpose of partaking in orgies with members of the band. Madonna is an idol to MILLIONS of American girls and women. Madonna published a book called, [SEX](#), in which she is portrayed as

receiving oral sex from a dog. The book was specifically designed to be placed on people's coffee table. I had always heard of having a Bible on one's coffee table. Madonna has different ideas. Tragically, Madonna's music is heard all across America, being promoted by the demonically-inspired music industry. Do we really trust in God as a nation? I think not.

My heart goes out to Christian men all across America, who are under Satanic attack. **1st Peter 2:11, "Dearly beloved, I beseech you as strangers and pilgrims, abstain from fleshly lusts, which war against the soul."** Peter was concerned about his fellow brethren in the Lord, warning them that fleshly lusts war against the soul once that battle is engaged. When a man allows pornography into his heart, he is launching an unnecessary war in his soul. Just one lewd image from a movie can allow Satan to place a create a stronghold in that person's soul for a long time to come. The Bible tells us not to go there in the first place. Why fight a battle that we don't need to fight? There are enough battles in life as it is. We are at spiritual war as Christian men. **Ephesians 6:12, "For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."** There is an evil spirit of sexual sins at work throughout America.

I heard in the news about a police officer who crashed into a car in front of him, because the cop was looking at a woman walking down the street wearing only fishnet lingerie. Legally there was nothing the cop could do, because there laws protecting evil women who deliberately dress seductively, provocatively, and slutty in public. That sinful woman caused a vehicular accident by wearing the lewd attire of a harlot. That's America today... lewd, rude, and crude!

A couple hundred years ago local Christian women would have taken care of the matter themselves, in the good old days. Idiots today want to pass laws prohibiting people from holding up signs thanking God for dead soldiers at a soldier's funeral. That's the wrong way to deal with the matter. Such laws are only going to be used ultimately to strip away all of our freedom of speech in public. That's why such events are staged in the first place, to take away our freedom of speech. Back in the old days, a family member would have gone over and knocked those protester's lights out for being jerks. Men handled things one-on-one in the old days, even leading to gun-fights at times. It was necessary, because some people just never learn. But I'll tell you what, people were careful about running their mouth off in public back then. More freedom is the answer; not more Police State laws. Only fools think that more laws are going to fix America's troubles. Listen carefully my friend... **YOU CANNOT LEGISLATE MORALITY!!!**

That is what is happening in America today, people are trying to legislate morality. Every time a crime is committed, a group of ignorant and angry citizens get together and demand **MORE LAWS**, and the tyrants who've hi-jacked our government drool and couldn't be more pleased. More laws you want... you got it! A law for this and a law for that... laws, laws, and more laws! Yes, laws you will have! There are millions of

laws now on the books, but they're not being enforced, so that we'll keep crying out for more laws, until there are so many laws that we won't be able to breath without violating some law. Don't you see what is happening? We're destroying ourselves as a people, as a nation!

We must guard our mind, abide in the Word of God and pray that we enter not into temptation. Ecclesiastes 8:12, "Though a sinner do evil an hundred times, and his days be prolonged, yet surely I know that it shall be well with them that fear God, which fear before him." Jesus warned Peter that the Devil wanted to sift him as wheat (Luke 22:31). Sexual sins are deadly. Proverb 7:27, "Her house is the way to hell, going down to the chambers of death." God will judge those who partake of sexual sins. Hebrews 13:4, "Marriage is honourable in all, and the bed undefiled: but whoremongers and adulterers God will judge."

It should not come as a surprise that American society today is a disaster zone of morally bankrupt people who possess bad character. Look no further than the [television](#) and the hellish public school system. [Americans get what we deserve!](#)

Ecclesiastes 11:9 and 12:14, "Rejoice, O young man, in thy youth; and let thy heart cheer thee in the days of thy youth, and walk in the ways of thine heart, and in the sight of thine eyes: but know thou, that for all these things God will bring thee into judgment . . . For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil."
