

When People Realize The Earth Is Flat – The Charade Is Over

Ancient Hebrew Conception of the Universe

The ancient Israelites divided the world into Heaven, Earth, Sea, and the Underworld.

They viewed the sky as a vault resting on foundations—perhaps mountains—with doors and windows that let in the rain. God dwelt above the sky, hidden in cloud and majesty.

The world was viewed as a disk floating on the waters, secured or moored by pillars. The earth was the only known domain—the realm beyond it was considered unknowable.

The Underworld (Sheol) was a watery or dusty prison from which no one returned. Regarded as a physical place beneath the earth, it could be reached only through death.

When people realize the earth is flat – the charade is over. That is why NASA and others want to keep it going for as long as they can. Assuming you don't believe the earth is flat, when you come to terms with, there'll be other questions you'll have. In fact, your reality will change.

With the knowledge of the flat earth and the cosmos not being what we are told by the mainstream media, you'll realise several things. 1 – Aliens are not real, 2 – Evolution is a hoax, 3 – That the God of the Bible is real.

Millions of dollars have been spent on fostering the belief in evolution for a purpose. That purpose is to keep you from believing in a creator God. With the belief in evolution comes the belief “that we can do our own thing.” Also, that there is no right or wrong, no absolutes.

The Jews are happy to keep us “goyim” (Hebrew for gentile) from knowing Jesus; it keeps them “masters” and us obedient slaves. Finally, with a belief in evolution (or any false religion for that matter) it keeps us from entering the Kingdom of God.

What you learn about the flat earth, you’ll find that there are many, many verses in the Bible that tell you things like:

the earth does not move

it’s flat, the Sun goes around the earth

there’s a “firmament” above the earth

that the earth has “ends” to it

In short, what will happen, people will not be falling for the lies that they have been told their whole lives. Some examples are:

People will stop believing in evolution

That we are created by “aliens,” that they will “save” us

That there is a God of the Bible

That Eastern philosophy is false (collectively called “New Age”)

That much of what is told in mainline churches are lies

That the government lies about many other things

Therefore, once you realise that the earth is flat, you’ll start asking yourself, “What else has the government/educational system/media have lied to us about. That is why you’ll see other conspiracies on this site; that is why you’ll see it on another flat earth site, too.

Some of us “flat earthers” had known about the lies that the government tells us in other areas, and we had known them for years. Then, it was quite recently that we came across the flat earth information. Now, with flat earth videos, blogs and chat forum, people will be exposed to the flat earth truth first THEN learn about the other lies concerning false flag events, historical events and what we are told about “enlightenment and spirituality.” it is the “enlightenment, spirituality” which is cropping up fast now that has to be exposed. So, perhaps your journey has started with the flat earth. For the inquisitive mind, in time, you learn much more about and why life is the way it is. May God guide you in your journey for truth.
