

PROJECT BLUE BEAM OUTLINE

This is not Hollywood this is real and has been planned for over 60 years now. See the mountain of proof below it has been tested World Wide for many years openly!

fact, the Nasa Blue Beam Project contains Four different Parts, Four Steps toward the implementation of the New World Religion with the Antichrist at his head.

The First Step concerns the "Break down" of all Archeological Knowledge. It deals with the set up of earthquakes at certain precise locations of the planet where supposedly new discoveries will finally explain the wrong meaning of all major Religions' basic doctrines. The falsification used to make the population believe that all Religions' Doctrines have been misunderstood and misinterpreted has already started with the films: 2001, A Space Odyssey; the Serie Star Trek, Star Wars dealing with face invasion and Space protection, and the last film: Jurassic Park dealing with the theory of Evolution.

The Second Step deals with the gigantic Space Show with tri-dimensional optical Hologram and Sound laser projections of multiple Holographic images to different parts of the world, each receiving different images according to predominating regional/national religious faith. This New God's image will be told in all languages: "The Soviets have manufactured the advanced computers, of which imported their and fed them with the minute psychical particulars based on their studies about the anatomy and biology of the human body, and the studies about the anatomy, chemistry and electricity of the human brain. These computers were fed as well with the different languages and their meanings. The dialects of people have been fed from the nature through satellites. The Soviets started to feed the computers with objective programs (like the one's New Messiah). It also seems that the Soviet (the New World Order now) recourses to suicidal method with the human society by allocating an ELECTRONIC RAYON [unclear] [unclear] [unclear] [unclear] in different societies."

The Third Step goes along with the TELEPATHIC ELECTRONICAL TWO-WAYS COMMUNICATION where ELECTROMAGNETIC Waves will reach the people of the earth by the use of the satellite, making everyone to believe that it's own God is talking to each one from within his own soul. "Such rays (from satellites) are fed from the memory of computers which stored a lot of data about the human being and languages. These rays will then interlace and interwave with the natural thinking to form diffused artificial thought."

The Fourth Step concerns the UNIVERSAL SUPERNATURAL MANIFESTATIONS with electronic means. It contains three different orientations. /One is to make mankind believe that an Alien Invasion is about to strike down on each major cities of the earth in order to push each major Nation to use nuclear to strike back. This way it would put each of these Nations in a state of full disarmament front of the United Nations after the false attack. /The second is to make the Christians believe in a major Rapture with the supposedly divine intervention of a alleged good Alien force coming to save good people from a brutal satanic attack. Its goal is to be a permanent opposition to the N.O.A. /The third orientation is a mixture of Electronic and Supernatural forces. The waves used at that will allow supernatural forces to travel through optical fiber, coaxial cables, electric and phone lines in order to penetrate everywhere an electronic equipment, appliance will be already installed. The goal of this one deals with global satanic ghost, specter all around the world., in order to push all people on the edge to draw into a wave of suicides, killings and permanent psychological disorders.

Then after that "NIGHT OF THE THOUSAND STARS", humanity is believed to be ready to imply a new Messiah to re-establish Peace everywhere at any cost, even at the cost of Freedom abdication.

"Blue Beam description Continues here"

Steps to Completion

There are several events and scenarios that supposedly must play out before the the event can culminate.

Step 1

The first step concerns the breakdown of all archaeological knowledge. It deals with staging earthquakes at certain precise locations around the planet where supposed new "discoveries" will finally explain that the meanings of the basic doctrines of all the world's major religions are wrong. This falsification will be used to make the population believe that all religious doctrine has been misunderstood and misinterpreted. For example, in the entertainment/movie industry, a falsification started with the film(s) 2001: A Space Odyssey, the TV-series Star Trek, the Star Wars films, and E.T., all of which deal with space invasion and protection. Another movie example is Jurassic Park which was released to push the [Theory of Evolution](#).

Step 2

The second step deals with the gigantic space show: 3D optical holograms and sounds, laser projections of multiple holographic images in different parts of the world, each receiving a different image, according to its predetermined original national religious faith. This new "god" image will talk in all languages. As an example, the Soviets have manufactured the advanced computers and have programmed them with the [Minute Psychological Particles](#) based upon their studies of the anatomy and biology of the human body, as well as their studies on the anatomy, chemistry and electricity of the human brain. These computers have also been fed with the different languages of the world.

See Pictures above for solid proof of this unfolding Pre Damascus destruction.

Step 3

The third step deals with telepathic electronic two-way communication, where ELF ([Extra Low Frequency](#)), VLF (Very Low Frequency), and LF (Low Frequency) waves will reach the people of the Earth through the insides of their brains, making each person believe that his own God is speaking to him from within his own soul. Such rays, from satellites, are fed from the memory of computers that store much data about the human being and his languages. These rays will then interlace and interweave with the natural thinking processes to form what is called [Artificial Talk](#).

Step 4

The fourth step involves universal supernatural manifestations using electronic means. This step contains three different orientations:

The first one is to make mankind believe that an [Alien Invasion](#) is about to occur upon every major city on the earth. This is to push each major nation into using its nuclear capability to strike back. In this manner, it would put each of these nations in a state of full disarmament before the United Nations after the false attack.

The second is to make the vast Christian population believe that a major rapture is occurring, with a simple, orchestrated, divine intervention of an alleged "good" alien force coming to save the good people from a brutal satanic attack. Its goal is to get rid of all significant opposition to the New World Order.

The third orientation is a mixture of electronic and supernatural forces. The waves or frequencies used at that time will allow supernatural forces to travel through fiber optics cable, coaxial cable, electric and telephone lines in order to penetrate all electronic equipment and appliances that will by then all have a special microchip installed. The goal of this step deals with the materialization of satanic ghosts, spectres, and poltergeists all across the globe in order to push all populations to the edge of a wave of suicide, killing and permanent psychological disorder. After that night, humanity is believed to be ready for them to enter in a "New" Messiah to re-establish peace everywhere at any cost, even at the cost of their freedom.

Results

This superbly staged, full-scale production will supposedly result in social and religious disorders on a massive scale, which will lead to a one world religion and the global dominance asserted by the New World Order.

Nasa has been working on Air craft for Project blue beam that are real but will become a part of the Global Holographic Alien Invasion/Light show and this could be a picture of one or Just simply a picture from a movie I could not say but I provide it to help prepare your minds for any eventuality these demon Freemasons pull on us. Do not soon for get the Swine flu was a fraud perpetrated on a mass scale so do not rule any of this out it has been planned for over 50 years and is ready to be introduced to the world to bring the Antichrist Pope to power as if he is god. He is the Anti god Lucifer.

Comet ISON is a Holographic light show period Compare these pictures from my Projects blue beam page closer to the Bottom.

It is like a huge Holographic flash light = not real. The Devil fakes our Lord's return.

Ison Comet is clearly fake and a huge part of Project Blue beam and this fake One week peace deal with Israel is unfolding for the same time (3rd week in Dec) period as this comet spells Project Blue beam Fake second coming deception News out says the peace talks are set for the 3rd week of December says Ison = Dec 25th it arrives at Earth =

Project Blue beam is unfolding and being tested all over the World today. It is an Alien Seconded coming as if our Lord is an Alien. The soon to be fallen Angels are the Aliens. Ison as if it is Jesus returning on a cloud and his coming is as the brightness.

Remember the **proof** The Nasa's project Blue is set to fake the second coming as if Aliens created us and not Jesus of the Bible **is below** and it has a part of it as the **night of a 1000 stars**. So these things are being planned. [Frequencies can move objects](#) with no size limit. God said he will take them in their own craftiness says they will get booted out the very day when they fake it.

The lack of Nasa data is very suspicious and spells a fake event = Ison.
Nasa can show pictures of fly shit on the moon but none of this comet that are clear enough to judge if it is real says for sure it is not. Now that I said that ...Nasa will surly get out the Photo shopped images.
Look for the embedded owls in it if it is faked .

[Ahmadinejad predicts Chavez will be resurrected with Jesus, Muslim prophet - Mar 7](#)

[Project Blue Beam](#) could easily have a great part of the deception where seemingly dead people are again seemingly brought back to life. Like Princess Diana who was a Pagan and here we see the Catholic Chavez is being said will come with their Beast/He Goat Prophet Mohamet or Mohammad. The facts are all around us that suggest they have fakes many peoples deaths in recent years = Saddam Hussein was hanged (Who does that) Moammar Gadhafi was killed then supposedly sodomized and buried in the desert (Who does that) Osama was supposed to have been killed and buried (with out a Video to prove anything). He was said to have been buried in the sea (Who does that)

Princes Diana was supposed to have been killed after her car drove into the 13th pillar = What a coincidence 13 British bloodlines are preparing a Global deception called [Project Blue Beam](#) that will put their god Lucifer up as if he is Jesus and so will have to fulfill the scriptures of raising the dead and bringing them with him when he comes .

[Matthew 24:24](#) For there shall arise false Christs, and false prophets, and shall shew **great signs and wonders**; insomuch that, **if it were possible, they shall deceive the very elect**.

[Mark 13:22](#) For false Christs and false prophets shall rise, and shall shew **signs and wonders**, to seduce, **if it were possible, even the elect**.

We have seen the power outages across the globe that will be used for this coming deception and the forest fires testing the alien crafts fake beams starting fires when it will be the Tesla fire ball technologies that will do the job. We have seen the fake trumpet noises tested around the World to fulfill scripture as if the 7th trumpet had sounded. We have seen the earthquake technologies around the World to fulfill the great 8 or greater earthquakes at the return of Jesus and we have seen the tsunami bombs tested that will fulfill the seas and the waves roaring scriptures just before the return of Jesus. We have seen the mass pestilence tested around the World that will fulfill the scriptures again when Luke's scriptures begin to come to pass. We lift up our head as our redemption draws near and it will for us God elect. They tested the beginning of Famines on 2008 with the stock market crashing so all is being prepared cording to the above paper. Making this a real and unfolding event.

http://www.youtube.com/watch?v=SXr_sGrUFO4&feature=related See all related videos and Pray God breaks the power of Hypnosis on your mind = it is why they want us talking about this Subject so much even to give the evidence they faked 9 11 as a test = the more we say 911/ Sept 11th/ Al Qaeda - Osama Bin laden/ terror /terrorist attack the more the Hypnotic message embedded with the "fear" that day will become received as the truth in our minds. Lucifer is the Devil do not be deceived as he is about to stand up and say he is God through strong delusion/Hypnosis/ Witchcraft he will deceive 2/3 of the World to believe he is God.

[Hoax Alien Invasion Planned - Bill Cooper - Oct 14 2010](#)

Project blue beam is an Alien second coming that has been **planned for over 50 years** to bring **Lucifer the He Goat to power as if he is Jesus Christ**. Lucifer is the Devil. Think 9 11 and the jets hitting the towers ...yes the jets that were still listed as flying for 9 years (A test) before they were removed from flight lists. And then you will be able to comprehend the level of the Global show called [Project Blue Beam](#) July 4th =[Independence Day Trailer](#) The aliens are coming and their goal is to invade and destroy. Fighting superior technology, Man's best weapon is the will to survive.

God said he would work a work in our days we would not believe if we were told.

[Nearly 3,000 victims of 9/11 don't show up as dead in Social Security records - July 12](#)

Read the proof below 9 11 was a holographic test the jets never hit the building s and the building were clearly brought down by controlled demolition . The Jets were also not taken off the flight lists for 9 years and were even seen flying passengers during this time . The 3000 people are all a part of the script called Project blue beam which is a Holographic second (Alien) coming preparing the World for the He goat to show himself across the entire World as if he is God coming to save us.

Project Blue beam test called 9 11

There is so much proof that the towers were cleared well in advance of 9 11 as no parts of desks were ever found or filing cabinets or computers just phones and paper which says they were emptied well in advance of the Hollywood stunt and that the Planes were a Holographic illusion preparing the whole world for [Project Blue Beam](#) <-linked to this Page, which is a **false holographic second coming of Jesus** that could only be the signs that could almost deceive the very elect like 9 11. Norad never left the ground while planes were flying around for hours in the most controlled air space in the World says these Planes never existed. The evidence that no Planes crashed is every where as even cell phones do not operate at 30,000 feet says this was all Hollywood.

The Black boxes have never been found because the Planes have still been in service just do a little searching on Goggle and you will see for yourself that these planes have still been listed as in service. Dick Cheney is a Politician so with out any doubts he was not in charge of Norad that day !!! Massive fraud !

9 11 was a [Project Blue Beam](#) test.

Tell everyone you know !!!

Catholic (<--deceivers) **Kennedy's assassination** was also a **Holographic fraud** preparing the world to see the Antichrist (very likely Obama) get killed (,It will be a Holographic Light show) then the Pope (the false Prophet) will bring him back to life. All these events have been tests preparing the World for WW3 . WW1 was a test preparing the world for WW3. WW2 was also a test preparing the World for WW3 and the rise of the Antichrist/Goat/Beast to power as if he is god. Kennedy's assassination was all Hollywood as His wife crawled across the truck to grab a piece of his head is not a natural response to your husband having his head blown apart right beside you.. They make a Holographic image of the Beast and make all bow down to it and all who will not will be killed. His head will clearly glow and it is being prepared as if he is an Angel of Light .

The Angel of death has been riding for over 100 years.

[PROJECT BLUE BEAM AGENDA REVEALED IN A MOVIE REMEMBER V IS FOR FREEMASON](#) <--read also this page.

Project Blue Beam is allegedly a secret [New World Order](#) and US [Government](#) project in development to simulate a "second coming" type event. This will culminate in a very large number of people being taken away into the sky as in a "rapture" type of situation. These events will be brought to fruition by use of the sky as a holographic projection screen for space-based, laser-generating satellites. These space-based projectors are said to project simultaneous images to the four corners of the planet, in every language by region. It will pretend to be the universal fulfillment of the prophecies of old.

See here speech into head technology to be used soon as if God was speaking to us to deceive the world into believing the Pope is god. Strong delusion. PROJECT BLUE BEAM OUTLINE STARTS HERE

Background

This display in the sky will consist of laser projections of multiple holographic images to be visible by every part of the planet. Each area will receive different images according to the predominating regional religious faith. Not a single area will be excluded. This will allegedly be done with computer animation and sound effects appearing to come from the depths of space. Computers will coordinate the satellites and software will run the audio and visual show-and-tell. It is said that astonished followers of the various creeds will witness their own returned Messiah in spectacularly convincing lifelike realness. The various images of Christ, Mohammad, Buddha, Krishna, etc., will merge into one image after correct explanation of the mysteries, prophecies and revelations throughout time have been disclosed. This "One God" will in fact function as the Anti-Christ, who will explain that the various scriptures have been misunderstood and that the religions of old are responsible for turning brother against brother, nation against nation, and that the religions of the world must be abolished to make way for the [Golden Age](#), or [New Age](#), of the one world religion representing the one God they see before them.

Interrupted Here for very important message!

Today is the worship of the Pope as if he is Jesus preparing the world for the Antichrist to rise to power through a false holographic light show like this one to fool the World into believing the Pope is god when he is worshipped as Death which makes him the Devil and he tells his Army that he is also Life but we God's children know [1Corinthians 15:26](#) The last **enemy** that shall be **destroyed** is **death** = The Devil. He goes to perdition because he **deceiveth the whole world !** The Antichrist has to be the High Priest as Jesus is a High Priest forever after the order of Melchisedec And in order for him to deceive the world he has to become the High priest there simply is now other way to deceive the entire world. [Luke 21:11](#) **great signs shall there be from heaven.** [Acts 2:19](#) And I will shew **wonders in heaven above,** and signs in the earth beneath; blood, and fire, and vapour of smoke:

[Project Bluebeam Oct 13 mass alien sighting - Oct 14 2010](#)

A newly-published book by a retired NORAD officer predicts October 13, 2010 as the tentative date for a fleet of extraterrestrial vehicles to hover for hours over the earth's principal cities. Author says the event to be the first in a series intended to avert a planetary catastrophe resulting from increasing levels of carbon-dioxide in the earth's atmosphere dangerously approaching a "critical mass."

Winnipeg, MB (PRWEB) September 13, 2010 — A newly-published 352-page book by a retired Air Force officer, Stanley A. Fulham, tentatively predicts October 13, 2010 as the date for a massive UFO display over the world's principal cities. According to the author, the aliens will neither land nor communicate on that date; they are aware from eons of experience with other planets in similar conditions their sudden intervention would cause fear and panic.

The book, Challenges of Change (3rd ed.), reports this event will be the initial interaction in a process leading to mankind's acceptance of the alien reality and technologies for the removal of poisonous gases from the earth's atmosphere in 2015, if not sooner.

New World Order Report wants you to know:

"Just before he [Wernher von Braun] died, he gave an interview to Carol Rosin, in which he basically said that in order to sustain the military-industrial complex that first a false threat of terrorists would be created and used on the public and then asteroids and finally a false alien threat."

Wernher von Braun was a German-American rocket scientist, engineer and space architect, becoming one of the leading figures in the creation of rocket technology in Germany and the United States. He was a member of the Nazi party and a commissioned SS officer. Wernher von Braun was said to be the preeminent rocket engineer of the 20th century. After the war, he and some of his rocket team were taken to the United States as part of the then-secret Operation Paperclip. In 1955, ten years after entering the country, von Braun became a naturalized U.S. citizen. Von Braun worked on the US Army intermediate range ballistic missile (IRBM) program before his group was assimilated by NASA, under which he served as director of the newly formed Marshall Space Flight Center and as the chief architect of the Saturn V launch vehicle, the superbooster that propelled the Apollo spacecraft to the Moon. According to one NASA source, he is "without doubt, the greatest rocket scientist in history. His crowning achievement ... was to lead the development of the Saturn V booster rocket that helped land the first men on the Moon in July 1969." He received the 1975 National Medal of Science

Many people are aware of the technology played with by Tesla, Thompson T Brown, and other who call their discoveries Electrogravitics, the Hutchinson Effect, Di-Electronics and many others. After World War II, thousands of Nazi propulsion and mind scientists were relocated to the four corners region of the United States where they continued their work under "Operation Paperclip." This is the area where Area 51, Atomic testing and so called UFO sighting occur at their highest, such as Roswell, NM.

One theory placed by many researchers has been more recently backed up with sources claiming that perhaps technology will be used to strike fear in the people of a possible alien attack or other. The benefit of this kind of stunt could be used for the globalization of military and the beginning of a global government to deal with Intergalactic travel and exploration. Sound crazy?

Modern researchers and biographers have now disclosed that the War of the Worlds broadcast in by Wells was a social experiment by the Rockefeller foundation to examine people's response to the possible landing or sighting of aliens using nationally syndicated media outlets. The result was shown that people will be in panic. Over the next 60 years, Hollywood would be commissioned by many of these studies to start propagating the idea of aliens being benevolent, instead of malevolent. E.T., for example, is an alien who comes from another planet, from the "heavens" you could say, and heals people with his touch. He dies and then is reborn only to ascend to the heavens once more. The story of Superman, put out by Action Comics, is the same idea. An alien from another planet sent here to be our hero. It is claimed by conspiracy theorists that Project Blue Beam is reported to be a NASA project that is designed to counterfeit the second coming of the Messiah by projecting laser holograms of an alien invasion, and supernatural occurrences. In this way, the foundation will be laid for those that are intent on implementing a plan for world domination and the creation of a world wide dictator ship.

Films of alien invasions usually show them with lasers and bombing raids on major cities, but many alien films started exploring the possibility of peaceful or indifferent alien life. Star Trek was created by Gene Roddenberry who put out the idea that an inter-galactic federation, or government, would explore space for the improvement of the human species, among many other goals. The Federation in Star Trek use a flag with very similar characteristics you will find on the UN flag. The United Federation of Planets is made up of member worlds who mostly have single, unified world governments, as stated in the show. The flag for this Federation has 2 olive branches around it, exactly like the UN Flag.

Above: This is the flag used to symbolize the "United Federation of Planets" in Star Trek

Above: The United Nations Flag.

The so called "Report from Iron Mountain." In 1961, the Kennedy administration allegedly ordered a "Top Secret" study to determine what problems the United States would face if the world moved from an era of war to a golden age of peace. In other words, how to bring America into the New World Order. By 1963 the selection of the specialist had been made. This study group supposedly consisted of 15 experts in various academic disciplines who were selected for their expertise in their various fields. The first and last meetings were in an underground nuclear survival retreat called Iron Mountain.

In the same year that this "Top Secret" study was called, 1961, The Department of State put out a publication (#7277) called "Freedom From War, The United States Program for a General and Complete Disarmament in a Peaceful World". This publication describes a three step program to disarm the American military, shut down bases and have one military under the United Nations. This "military" would be the world wide police force to be used as "peace keepers" throughout the world. The plan would include that "all weapons of mass destruction" be eliminated with the exception of "those required for a United Nations Peace Force" (page 12 paragraph one). In order to "keep the peace, all states will reaffirm their obligations under the UN Charter to refrain from the threat of use of any type armed force" (page 16, Paragraph eight) To support the UN Charter, the average citizen will need to be disarmed; so they cannot defend themselves against these "peace keepers". You don't have to watch much news to see that today, the UN forces are used as "peace keepers" throughout the world, disarming people so they can't defend themselves against oppressive governments. To quote Sarah Brady, Chair of Handgun control, Inc. "Our Task of creating a socialist America can only succeed when those who would resist us have been totally disarmed."

The following is a statement released by CRPA: Setting the Record Straight The Western Regional Director of Handgun Control, Inc., has contacted the California Rifle and Pistol Association in Sacramento regarding the quote reportedly attributed to Sarah Brady by the January, 1994, "The National Educator" magazine which was referenced in the January issue of The Firing Line. HCI states that "the quotation you attribute to Ms. Brady is a complete fabrication..." It was asked that CRPA publish a retraction in the next issue of The Firing Line (March 2000). There are very few copies of the January 1994, "The National Educator" magazine known to be available in public libraries. CRPA was able to locate one at the State Historical Society of Wisconsin Library and obtained a copy of the quote in question. The quote, as published in "The National Educator," is not precisely as was referenced in The Firing Line. What the quote in "The National Educator" magazine does say is the following: "Our task of creating a Socialist America can only succeed when those who would resist us have been totally disarmed." According to "The National Educator" magazine, Sarah Brady made this statement to U.S. Senator Howard Metzenbaum while lobbying in support of a ban on semi automatic firearms. We regret any confusion this may have caused."

Many claim that this Report from Iron Mountain mentions the use of an [alien invasion to accomplish all of this](#).
