

Prophecy For Global World

Bible scholars have been adamantly saying for several hundreds of years that the End of the Age government, economy, and religion are going to transform into a global system. While this teaching is based upon many Scriptures, let us examine just a few.

Daniel 7:7-8 -- *"After this I saw in the night visions, and behold, a fourth beast [the Roman empire]--terrible, powerful and dreadful, and exceedingly strong. And it had great iron teeth; it devoured and crushed and trampled what was left with its feet. And it was different from all the beasts that came before it, and it had ten horns, symbolizing ten kings. I considered the horns, and behold, there came up among them another horn, a little one, before which three of the first horns were plucked up by the roots; and behold, in this horn were eyes like the eyes of a man and a mouth speaking great things."* (Daniel 7:7-8; [Parallel Bible, KJV/Amplified Bible Commentary](#))

The wording is very clear: the fourth empire of Nebuchadnezzar's dream will give way to a global empire at the End of the Age. This verse demonstrates that Antichrist will come out of this global 10-nation empire and will be of the same character as the 10 kings.

Now, let us examine this next verse, which tells us that, while Antichrist will be of the same character as the 10 kings, he shall be unique in his own right.

Daniel 7:24 -- *"And as for the ten horns, out of this kingdom ten kings shall arise; and another shall arise after them, and he shall be different from the former ones.."* [Parallel Bible, KJV/Amplified Bible Commentary](#))

For those of you who may not have been with Cutting Edge very long, we posted an article in June, 1996, which has stood the test of time. This article reveals that the Illuminati carefully reorganized the world into 10 economic super-nations from 1992-1996 (Read [NEWS1002](#), "NAFTA: THE SHOCKING "REST OF THE STORY")

This shocking reality not only tells you why the North American Free Trade Agreement (NAFTA) is being formed from Canada, the United States, and Mexico), but also tells you that the first part of Daniel 7:7-8 was fulfilled by the end of 1996, which means the world stands trembling between these two parts of the prophecy (Read [NEWS1783](#), "Trembling Between Two Prophecies")

Now, let us examine the most important Scripture which tells us that the End of the Age will be global in both government and in the economy.

Revelation 13:16-17 -- *"And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: 17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name."* (Rev 13:16-17; [Parallel Bible, KJV/Amplified Bible Commentary](#))

Obviously, when this Scripture says "all", it means everyone on earth. Thus, we know that the government is not only global, but coercive, terribly dictatorial, for it possesses the means by which it can force everyone on earth -- important and unimportant, the rich and the impoverished, politically connected and politically impotent -- will be forced to take this mark, without which they cannot participate in the new global economy!

New World Order Plan For A Global World

Now that we have established that End of the Age Scriptures foretell a global economy, religion, and government, let us now study a very important and exciting fact -- the Illuminati has devised a plan which exactly fulfills this Bible prophecy! You will be shocked by the extent to which the plans of the wicked Illuminati closely parallels Scripture!

Listen now to the plan to achieve their plan with wonderfully sounding public rhetoric -- all designed to deceive.

"When we come into our kingdom, our orators will expound great problems which have turned humanity upside down in order to bring it, at the end, under our beneficent rule. Who will ever suspect, then, that all these peoples were stage-managed by us according to a political plan which no one has so much as guessed at in the course of many centuries?" [End of Protocol No. 13]

"The secret societies were planning as far back as 1917 to invent an artificial threat ... in order to bring humanity together in a one-world government which they call the New World Order." [William Cooper, ["Behold A Pale Horse"](#), p. 27]

Most occultists with whom I have spoken about the Protocols said that they were told in their coven that the Protocols were written originally prior to the year, 1900! Therefore, when the Illuminati decided in 1917 to invent an artificial threat as the best means by which they could force this New World Order system, they were being guided in large part by this part of the Protocols of the Learned Elders of Zion!

Multiple Global Crises Have Been Created!

Satan long ago realized that not all the peoples of the world could be duped with just one monstrous lie. Therefore, Satan has always created numerous false religions, knowing that, if a person is not deceived by one lie, he might be deceived by the next one. For that reason, the world struggles under the darkness of many hundreds of false religions.

In like manner, the Illuminati must have decided that they needed multiple global crises in order to convince the vast majority of the peoples of the world to accept a dictatorial government, and a global economy and a global ecumenical religion! Let us review the five major global crises to which the peoples of the world are now being subjected. Remember, in every instance, the *answer* to this problem which has set the world upside down is to go global -- to a global dictatorial government!

Let us now examine the numerous global crises which the Illuminati has created:

Global Warming / Cooling / Climate Change

The concept behind this global scare is simple: mankind's activities, and the pollutions from these activities, have now "thrown Mother Earth (Gaia) out of balance". This imbalance has caused the Earth to begin warming, and may reach the point where life on this planet may cease to function! Mother Gaia has already started to try to force mankind to curtail his activities, and allow a return to "balance", through increasingly deadly storms. But, since man never has taken note of Gaia's attempts, the Mother Goddess will continue to bring more and more deadly storms, until one day, she will send a killer "Superstorm" which is capable of annihilating an entire continent! The movie, "Day After Tomorrow" is most articulate in demonstrating how seriously New Age and modern Environmentalists are in viewing this scenario. If you have not seen this movie, nor read our account, please take a few moments to read NEWS1924, "DAY AFTER TOMORROW" SEEMS DESIGNED TO REVIVE SUPPORT FOR DISASTROUS KYOTO ACCORDS! This movie is propaganda, not science, but today's scientists wielding scalar electromagnetic can produce these very storms!"

You will understand this Global Climate Change issue far better once you properly understand this movie.

Since the New Age Movement went public in 1975, what kinds of global environmental problems have we witnessed suddenly being expounded?

* Global Cooling, which was dropped in 1979, and replaced later by Global Warming, which was still later changed simply to "Climate Change"!

* Destruction of the Ozone Layer

* Destruction of so much Rain Forests that we will not have enough air to breathe soon

* Pollution from our Industrial Civilization that threatens man's existence. The answer to this manufactured "crisis" is to destroy our civilization. former Vice-President Al Gore makes this part of the Plan very plain in his book, *"Earth In The Balance"*. Read it and weep, because Al Gore was Vice-President when the book published, and was a man who wielded considerable power in Government. Political Power is absolutely required to destroy our civilization, and Gore-Clinton plus Bush-Cheney possess it.

In this political vein, most American perceive that Republicans are against Global Warming, and Democrats are in support of it. Cutting Edge reported the reality in mid-2002 that this perception is totally false! In [NEWS1663](#), entitled, *"President Bush Six-Steps Americans Into Global Warming"*, we reported that the Bush Administration suddenly issued a report to the United Nations in which it blamed human actions for recent global warming. Conservatives and/or Republicans were incredibly angry. Rush Limbaugh was so angry he referred to President Bush as *"George W. Al Gore"*!

Al Gore has just been awarded an Oscar award for his documentary, *"An Inconvenient Truth"*, in which he argues that Global Warming is now an issue which is truly threatening mankind. Immediately after the Democrat Party won control of Congress, I started posting Global Warming articles, as Democrat leaders began really sounding the alarm that man had better change his Industrial Civilization in a hurry, or Planet Earth could cease to be able to support life!

This propaganda is intense and is designed to scare the living daylight out of people. This next story tells us that at least children are frightened because of this terrible propaganda.

NEWS BRIEF: ["Global warming concerns are keeping children awake at night"](#), GM TV News, 22 February 2007

"Half of young children are anxious about the effects of global warming, often losing sleep because of their concern ... A survey of 1,150 youngsters aged between seven and 11 found that one in four blamed politicians for the problems of climate change. One in seven of those questioned by supermarket giant Somerfield said their own parents were not doing enough to improve the environment. "

Now, where would youngsters between 7-11 years of age even know enough about Global Warming to be concerned? The answer is simple: they are being taught Global Warming propaganda in their Public School System, propaganda being

taught as fact. This shocking fact adds one more reason that Christian parents should immediately pull their precious children out of the Public School System! Curricula has been "dumbed down" enough that children are not being academically trained now, as they are being conditioned to be enthusiastic World Citizens.

This next article tells us that Global Warming is much worse than anybody thought.

NEWS BRIEF: ["Climate Change Impact More Extensive than Thought"](#), By Volker Mrasek, Spiegel Online News, March 2, 2007

"Global climate change is happening faster than previously believed and its impact is worse than expected, information from an as-yet unpublished draft of the long-awaited second part of a United Nations report obtained by SPIEGEL ONLINE reveals. No region of the planet will be spared and some will be hit especially hard. Is the world's weather already out of control? Is the pollution of the past decades having an impact on the present? That's exactly what the United Nations' Intergovernmental Panel on Climate Change fears: Human influences over the last 30 years "have had a recognizable effect on many physical and biological systems," write the authors of the as yet unreleased second part of the 2007 global climate change report."

"According to information obtained by SPIEGEL ONLINE, the Intergovernmental Panel on Climate Change (IPCC) is convinced global warming is already making the world sweat."

This kind of report is the stuff of which panic is made! If the vast majority of the peoples of the world come to the belief that Global Warming is already happening and that the world has already passed the "tipping point" beyond which cataclysmic events are inevitable, such people can be panicked into accepting draconian laws which are promised to correct the situation.

What was the plan as espoused by "The Protocols"? Let us review it again so you can see how applicable it is to this present situation. These kind of words are most definitely "turning humanity upside down"!

"When we come into our kingdom, our orators will expound great problems which have turned humanity upside down in order to bring it, at the end, under our beneficent rule."

Global Terrorism

Western peoples generally and Americans specifically, are to be so panicked by unrelenting terror that they will accept any plan from our President that will

seemingly lead us out of this terrible series of crises. Americans will jump for joy at losing our freedoms, our Constitutional form of government, and our guns, if they believe that such a loss will restore calm and prosperity. Of course, we will be told that we will get our freedoms back once calm and security is restored, and shall naively believe it. Will it make our imprisonment and our loss of Liberty any less painful because it is coming at the hands of a "Christian", compassionate President?

Do you remember that, just a few hours after the attacks of 9/11, our political leaders and TV "talking heads" began to emphasize that Americans were going to have to give up freedoms in exchange for security? Let us quickly review one of the newspaper articles of that time period.

NEWS BRIEF: "High price to pay for security: Congress wants closer examination", The Providence Journal, September 25, 2001, P. A1, A10.

"In an address to the nation last week, President Bush declared a new war between 'freedom and fear', and pledged to use every possible resource to rid the world of terrorism. But in meeting this challenge, many people in the United States may, at least temporarily, lose some of their freedom and privacy rights."

Let us stop right here: If "many people in the United States may, at least temporarily, lose some of their freedom and privacy rights", we need to check back to the original New World Order planning documents to realize that President Bush is simply following the Illuminist Plan, working by a Guiding Spirit nearly 200 years ago! Listen to the plan from the Satanic Protocols of the Learned Elders of Zion:

"These laws will withdraw one by one all the indulgences and liberties which have been permitted ... and our kingdom will be distinguished by a despotism of such magnificent proportions as to be at any moment and in every place in a position to wipe out any ... who oppose us by deed or word." [PROTOCOL 5 -- DESPOTISM AND MODERN PROGRESS]

Did you catch the kind of dictatorship [despotism] that the Illuminati has planned for every nation once they are brought under the rule of Antichrist?

"... a despotism of such magnificent proportions as to be at any moment and in every place in a position to wipe out any ... who oppose us by deed or word."

Further, once they have full control, they plan on "wiping us out".

Now, let us consider their plan by which they are going to take away our liberties so they can institute "a despotism of such magnificent proportions".

"The [people] are a flock of sheep, and we are their wolves. And you know what happens when the wolves get hold of the flock?

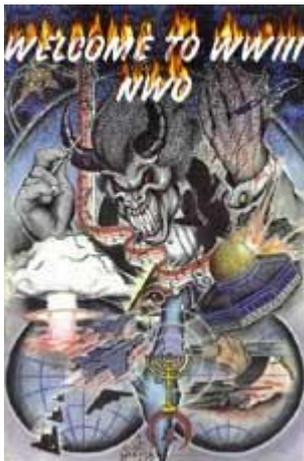

5. There is another reason also why they will close their eyes: for we shall keep promising them to give back all the liberties we have taken away as soon as we have quelled the enemies of peace and tamed all parties

6. It is not worthwhile to say anything about how long a time they will be kept waiting for this return of their liberties" [PROTOCOL 11 -- THE TOTALITARIAN STATE]

In other words, this 200-year-old plan says that the Illuminist leadership of the day will "keep promising" the people that they will get "all the liberties we have taken away as soon as we have quelled the enemies of peace and tamed all parties ..."
How did the Illuminati know, 200 years ago, that we would be facing "enemies of peace" in a crisis situation? The only way in which they could know is if they had deliberately planned such an "enemies of peace" scenario

In fact, they have and we can see its outworking all across the globe. The basic plan is to unleash a unrelenting wave of urban terror in the key cities of every nation on earth which is still electing their officials. Using terrorism as a excuse, each of these nations will dissolve their democratic system, instituting a severely repressive dictatorship. Following the principles of the Protocols, above, these officials will promise their people that they will get their freedoms back as soon as the "enemies of peace" are vanquished.

When Antichrist arises, every nation on earth will be a dictatorship.

Global War

Cutting Edge has been saying for many years that the New World Order Plan to produce Antichrist envisioned the need for three world wars. Freemason leader, Albert Pike, received this vision on January 22, 1870 (Read [NEWS1056](#)). The first two world wars have occurred exactly as this demonic vision stated, which means that the third world war will likely also occur as the vision stated. This last world war was to start between Israel and her Arab neighbors, and broaden out all over the world. Literally, out of the smoke and ashes of this Third World War, Antichrist would come striding.

But, as we further researched the New World Order Plan, we discovered that it had been broadened to include many other terrors that were supposed to occur during the time of the actual Third World War. These other terrors include:

- * OPEC Oil Embargo
- * Economic Collapse
- * Terrorism in our cities
- * Natural Disasters, to include diseases and plagues, plus earthquakes
- * Riots in our cities
- * Confiscation of our guns
- * Introduction to foreign military troops on our soil, likely because our military has been annihilated in action overseas.
- * Suspension of our liberties, Constitutional Government
- * FEMA becoming the supreme rule of the land

The Third World War was also specifically planned in detail. After the war starts between Israel and the Palestinians, it will broaden suddenly to include Syria, Iraq, Jordan, and Egypt. The United States will move naval, air, and ground forces to the region to support Israel. Soon thereafter, North Korea is planned to launch a nuclear threat to the United States, Japan, and South Korea. However, her nuclear forces are going to be able to threaten mankind as a whole, which means North Korea has to demonstrate her ability to possess three-stage intercontinental ballistic missiles of 10,000 mile range.

Evidently, North Korea must possess this capability, because this is the wording, as this pertinent segment of the Illuminati Plan seems to suggest:

"A hair-raising nuclear confrontation in Korea may, towards the end of the period, threaten man's very survival." [Peter Lemesurier, "The Armageddon Script", p. 223]

In late, 2006, North Korea shocked the entire Western world by exploding a nuclear bomb. This latest "nuclear agreement" was reached simply because North Korea did not need these plants anymore, as all the warheads she would need to carry out her assigned role in this coming World War III scenario are now made and in place. As the rest of the world breathed a sigh of relief, I believed that this agreement was just another "sign of the times".

One last matter: Note the wording of this Plan, above. North Korea's nuclear scenario is to unfold " *towards the end of the period*". Therefore, just the fact that North Korea's nuclear program and her atomic warheads are in the news is proof positive that the world is at the "end of the period".

Global Economic Disaster

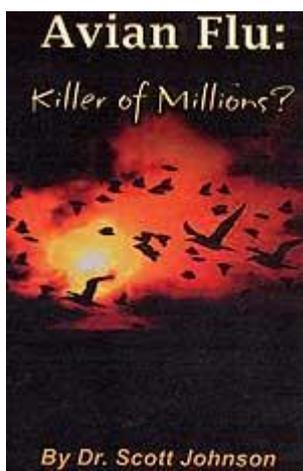

While an economic disaster is planned, it will not occur before all elements of the plan are ready to go at once. Many people are planning to move out of states like Massachusetts, where prices for everything are sky-high and where taxes across the board are exceedingly high. Thus, more homes are being placed on the market in these type of states, causing the number of unsold homes to rise. However, the end result seems to be that America's economy is strengthening overall. Remember what former Satanist, Doc Marquis, reiterated to me many times: the Illuminati had decided many years ago that Americans would not allow themselves to be pushed into the New World Order if economic times were hard. Thus, the Elite had decided to keep Americans feeling prosperous right up to the time of the planned Third World War, terrorism in the cities, and economic collapse.

Right now, the peoples of the world are being uniformly threatened by the unrelenting upward march in global oil prices. Oil has quadrupled in price during the past four years. Our very way of life is threatened.

Not only are gas prices extremely high, but the ripple effect reaches across the board in an industrial economy. Higher delivery prices jack up the retail on tens of thousands of items in the Western economies. But, third world economies are in even greater danger. People are so poor that they cannot afford these gas prices and they find it difficult to even eat.

What is the solution? World leaders will one day call for a global crisis to deal with the price of oil. Out of this meeting will come new global infrastructure which will not only "solve" the oil pricing problem, but will strap all the peoples of the world with new restrictions and new rules which will erode our personal freedoms that much more.

Along with the "solution" to the oil problem will come new laws -- probably global laws -- which will bring the powerful global dictatorship that much closer.

Global Virus Pandemic

For the past two years, the specter of Avian Bird Flu has been hanging over mankind like a sharp, dangerous sword. "Experts" have repeatedly stepped to a news microphone to

warn that deaths could reach over 100 million people worldwide - a death carried by birds in their global migratory patterns.

A TV show even aired, showing that so many people were dropping dead that their bodies were carried away in dump trucks.

Clearly, this genetically produced Avian Bird Flu fits very tightly into the Illuminati Plan to reduce the population of the world by 66%. This bird flu may even be the plague of Seal Four, Rev. 6:8.

Avian Bird Flu is the current worry of President Bush, a concern he proposes to solve by imposing a quarantine amidst military rule! But the President tipped his hand! "If this were a dictatorship, it'd be a heck of a lot easier, just so long as I'm the dictator." ([President-elect Bush, to Congress](#), Aired December 18, 2000)

Now, let read President Bush's proposal to impose military control to enforce a quarantine made "necessary" by the Avian Bird Flu.

NEWS BRIEF: "Bush Suggests Using Military In Bird Flu Quarantine", WRAL TV, Channel 5, October 4, 2005

"WASHINGTON -- President George W. Bush, increasingly concerned about a possible avian flu pandemic, revealed Tuesday that any part of the country where the virus breaks out could likely be quarantined and that he is considering using the military to enforce it. 'The best way to deal with a pandemic is to isolate it and keep it isolated in the region in which it begins', he said during a wide-ranging Rose Garden news conference'."

The Illuminati has such a great desire to establish military control over this country that they have advanced a number of reasons they would impose such a rule. In addition to proposing that he would use military force to enforce a "quarantine" (read Martial Law with Military Patrol Zones), the President knows that he can impose military patrol zones and Martial Law on the following other grounds, using NORTHCOM as the command structure.

- 1) If the United States is hit with a second major natural disaster within 6 months -- Codenamed Operation Ophelia
- 2) If the United States is invaded by aliens
- 3) If the United States suffers a detonation of a nuclear weapon in a metropolitan area

Remember that our government can now legally impose Martial Law upon any portion of the United States for four reasons, as listed above.

Before Avian Flu, the world grappled with SARS virus. And, in the past year, we have been treated to horror stories galore about Swine Flu.

Have you noticed that, since scientists cracked the genetic code, mankind has been afflicted with a variety of deadly diseases for which there is no cure? From AIDS to Ebola, to SARS, and to Avian Bird Flu, scientists have the unique capability available only now to kill hundreds of millions of people, in a very short time. One Russian scientist warned just a few months ago that one billion people could die from Avian Bird Flu. Additionally, SARS is now known to be comprised of genetic elements of various animals in the earth, thus possibly fulfilling the "wild beasts of the earth" prophecy, above ([NEWS1815](#) for full details)

Hundreds of articles over the past few years have regurgitated the same mantra, i.e., that the Avian Bird Flu is going to break upon the world sooner rather than later, and can kill billions. This mantra is guaranteed to scare the living daylights out of most people. According to the Book of Revelation, just such a disease is going to break over the world! Another "sign of the times"?

Conclusion

Remember our earlier statement that Satan weaves multiple lies because he knows that he cannot deceive everyone with one lie. But, he has discovered that he can deceive most people with multiple lies. In like manner, the Illuminati has created these five major lies, all of which have one goal in mind, i.e., a global dictatorship of the most severity in history.

This last quote reveals this intent of the Illuminati:

"It is true that without the population or the bomb problem, the elect would use some other excuse to bring about the New World Order. They have plans to bring about things like earthquakes, war, the Messiah, extraterrestrial landing, and economic collapse. They might bring about all of these things just to make ... sure that it does work. They will do whatever is necessary to succeed. The Illuminati has all the bases covered ... Can you imagine what would happen if Los Angeles is hit with a 9.0 quake, New York City is destroyed by a terrorist-planted atomic bomb, World War III breaks out in the Middle East, the banks and the stock markets collapse, Extraterrestrials land on the White House lawn, food disappears from the shelves, some people disappear, the Messiah presents himself to the world, and all in a very short period of time?" [William Cooper, ["Behold A Pale Horse"](#), Page 177]

Note the following pertinent points:

1) "Some other excuse" -- that is a perfect description of these five manufactured crises -- they are an excuse to bring about the New World Order!

2) "They might bring about all of these things just to make ... sure that it does work. They will do whatever is necessary to succeed."

3) " The Illuminati has all the bases covered".

The very fact that most of these five deliberately created crises are in your news daily is another "sign of the times", indicating that the [final Birth Pang War](#), a 91-day worldwide conflict which will kill more people than World Wars I and II combined! The world is hurtling toward the Abyss at a record clip!
