

INTRODUCTION

According to John Lear, William Cooper, and several other researchers the U.S. government may have made a 'pact' with a non-human race as early as 1933. According to some this 'race' is not human as we know it, yet it claims to have its origin on earth several thousands of years ago. Some sources allege that this predatory race is of a neo-saurian nature. This has led others to suggest that the dinosaurs which ruled the surface of the earth in prehistoric times may not have become entirely extinct as is commonly believed, but that certain of the more intelligent and biped-hominoid mutations of that race developed a form of intellectual thought equal to or surpassing that of the human race, and then possibly went into hiding. For instance one branch or mutation of the supposedly extinct sauroid race, Stenonychosaurus, was according to paleontologists remarkably hominoid in appearance, being 3 1/2 to 4 1/4 ft. in height with possibly greyish-green skin and three-digit clawed fingers with a partially-opposable 'thumb'. The opposable thumb and intellectual capacity is the only thing preventing members of the animal kingdom from challenging the human race as the masters of planet earth. For instance the ape kingdom possesses opposable thumbs yet it does not possess the intellectual capacity to use them as humans do. The dolphins possess intellects nearing that of humans but do not possess opposable thumbs or even limbs necessary to invent, etc. Could their be an 'animal' which possesses both of these characteristics? The cranial capacity of Stenonychosaurus was nearly twice the size of that of human beings, indicating a large brain and possibly advanced though not necessarily benevolent intellect. According to researchers such as Brad Steiger, Val Valerian, TAL LeVesque and others this may actually be the same type of entity or entities most commonly described in 'UFO' encounters, as well as the same type of creatures depicted in early 1992 in the nationally viewed CBS presentation 'INTRUDERS'. According to Lear and others the government may have established a 'treaty' with this race, which they later learned to their horror was extremely malevolent in nature and were merely using the 'treaties' as a means to buy time while they methodically establish certain controls upon the human race, with the ultimate goal of an absolute domination.

It is also alleged by certain deep-level intelligence agents that the Illuminati, or the 'Cult of the Serpent', is willfully working hand-in-glove with this infernal race which has promised them part of the action once the 'New World Order' is established. The Illuminati is allegedly in it for the power and 'technology' which this non-human race is supposed to give them in exchange for their cooperation. According to John Lear and others, many of the deep underground bases such as those below Dulce, New Mexico and Pine Gap, Australia are actually 'joint' areas where the technology exchanges have been carried out, as well as battles between the humans and 'grays' sparked by disagreements, etc. Could the Illuminati's plans for world domination be backed by an 'alien' vanguard? One unusual point that the following article makes is the apparent connection between the Illuminati's 'Club of Rome' and the so-called 'Greys'. One might ask themselves: If an alien species desired to establish control over a civilization, would they attempt an outright and immediate invasion and destruction of all resistance or would they instead attempt to manipulate situations behind the scenes in order to turn the inhabitants of the 'target' environment against each other, and decimate the population to the point that resistance would be minimal? The 'logical' choice, presuming that the 'aliens' are heartless vermin, would be the latter, and there is much evidence that the 'Club of Rome' has 'sold out' the human race to such alien powers in exchange for certain promises, and that this sold-out power group is carrying out an agenda of MASS GENOCIDE against the human race as a whole, in obedience to their draconian masters. If such an inhuman and alien race exists, then these genocidal 'policies' which the Illuminati-Club of Rome is carrying out no doubt originated from 'them'. As William Cooper has stated elsewhere, whether the 'aliens' exist or not makes no difference, since the 'idea' of the existence of a non-human alien race is part and parcel of the Illuminati's one-world totalitarian plans. This has been confirmed by several researchers. With this introduction, the activities taking place at such underground installations as the Pine Gap Facility may be better understood.

From Dr. Jean Francois Gille, who moved to Albuquerque, New Mexico from France, comes a translation of a French document that exposes the relationship between several factors in the matrix of world affairs. The article, titled - 'PINE GAP BASE: WORLD CONTEXT', was written by Lucien Cometta and later translated into English by Dr. John Gille:

"In order to understand the case of the Pine Gap US base (near Alice Springs, Australia) better, I feel compelled to give some explanations beforehand. I hope these explanations will help to increase the general awareness of the extraordinary importance that facility has for mankind as a whole.

"The majority of people, all over the world, are not lingering in doubt as to whether UFOs and ETs are real. They know they are real. Here in early 1989, no one questions their existence. The case for UFOs and ETs aroused passions, controversies and grandstanding for many years. Some of it has not been quite rational. The matter being relatively settled, public opinions should cool down. It is with a serene and clear mind that we ought to be thinking of our future relationship with the peoples from space. However, the public mind is not at peace. It vaguely feels that the governments are hiding "something real big", and it wonders where our leaders are going to lead mankind.

"During the process of research and study of UFOs and aliens, researchers who do not take the explanations of the scientific establishment at face value have discovered unsettling facts; these facts have started the lifting off (of) the lid of the coverup. The value and prestige of their sources of information do not leave any doubt about the truthfulness of these reports; the main outlines are summarized below.

PINE GAP

"The United States has three major bases in Australia. One is in South Australia (Nurranger, near Woomera, T.N.), another in New South Wales, and the third (and by far the largest) is located within about 230 km (143 miles) of the geographical center of the continent, not far to the west of Alice Springs (Northern Territory), at the foothills of the southern slopes of the MacDonnell Range. This base is completely underground, with barely visible entrances to the surface.

"This 'Top Secret' base is entirely financed by the United States Government, and is officially known as the Joint Defense Space Research Facility.

"When the JDSRF was first initiated, its aim was scientific research for the supposed development of a space defense technology. It is now known that since its inception, its primary purpose was research into electromagnetic propulsion.

"What exactly is Pine Gap? As strange as it may seem, even Australian Federal Parliament members do not know. Among the Cabinet members, only a small number of 'initiates' have a vague idea of what this is all about. The only information source available to the public is the cross-checking done by private researchers such as Jimmy Guieu, following statements made by the United States or Australian magazines (always very short and terse paragraphs), and anything the locals may notice.

"It is said that under Pine Gap is the deepest drilling hole in Australia - about 5 miles (more than 8,000 meters). Such a hole is likely used as an underground antenna able to recharge the batteries of submarines in the Pacific and Indian Ocean through ELF broadcasts. Such a gigantic antenna could be used to generate the gigantic stationary wave around the Earth.

"Some say that Pine Gap has an enormous nuclear generator to supply energy to a new type of transceiver. It seems too that there is a high-powered, high-voltage plasma accelerator which may be put to use to transmit electric current, or even to produce a 'death-ray', or quite simply to feed a plasma gun. All this is not as incredible as it sounds: it is now known that the US base of West Cape, near Exmouth Gulf in Western Australia (Harold E. Holt USN Communication Station), has an older type of the transceiver used at Pine Gap which is used to send electric current to submerged US submarines who trail a wire antenna. It is known that electric currents transmitted in this way are referred to as plasmo-dynamic cells.

"Several times, locals have seen WHITE DISKS about 30' in diameter in the process of being unloaded from large US cargo planes at the airports serving Pine Gap. Those disks had the USAF emblem on them. It seems likely that disks are assembled and based at Pine Gap. The number of disks seen at night leaves no doubt in anyone's mind. An amazing quantity of furniture has been delivered by plane from the United States. The locals also say that an enormous amount of food is stocked in warehouses of what could well be a true multi-leveled underground city.

"On the other hand, Pine Gap is well known as one of the most important control centers for spy satellites which circle the globe. An article published in late 1973 claimed that the Pine Gap installation, along with its sister installation in Guam, were used to control the photographic missions of the large American satellites in orbit above the Earth.

"Pine Gap has enormous computers which are connected to their American and Australian central counterparts, which collect all the information secured in these countries, not only about finance and technology, but on every aspect of the life of the average citizen. Those computers at Pine Gap are also evidently connected to similar mainframes in Guam, in Krugersdorp South Africa, and at the Amundsen-Scott US base at the South Pole.

"Let us say, incidentally, that the employees (more than 1200) of the US base in South Africa all claim to be members of the US consular mission in that country. It may be worthy of note that the Amundsen-Scott base at the South Pole is located on a sensitive magnetic spot of our planet, that it holds exactly the same assets as Pine Gap, and that all the information about most of the average citizens of Western Europe is stored there in memory banks tens of meters under the icepack.

"A statement made by the Australian premier about 1987, assuring that 'France must disappear from the Pacific, from the Kerguelen Ridge, and from Antarctica' sheds light on the importance of this polar base for the Anglo-Saxon world.

"The most disquieting fact about Pine Gap may be that the employees working on the base, and especially those earmarked for duty on electromagnetic propulsion projects, have undergone brainwashing and even implantation of intracranial devices. Those employees have turned into unconditional slaves of their master, whoever he is. Rather scary, isn't it?

"The true point of the brainwashing of those individuals, along with the ruthless attempts to implement the coverup of really advanced military technology, will become clear at the end of this article.

"For me, it all began with the construction of the new Parliament building in Canberra, which cost billions of dollars. Australia has only 18 million inhabitants, yet it apparently treated itself to a building far beyond its means...supposedly to accommodate its government even if the old Parliament building was perfectly fine.

"This new building, enormous, immense and magnificent would easily fit the needs of the USSR or of the United States, which both have hundreds of millions of citizens to rule. That building puzzled me, and I started to talk about it until the day I bumped into an Englishman who told me that the Australian premier, Bob Hawke, was a Rhodes scholar, and as such he worked toward the setting up of a One World Government, and that this new Parliament building likely had something to do with it.

"Sometime after, I stumbled on a pamphlet published by the Human Rights Organization, which talked about a group of about a hundred people well-placed in high finance, politics, the judiciary branch and big business. This group was called the 'Club of ROME'. According to this pamphlet, the CLUB OF ROME was pledged to a consortium which controls all international finance. A number of other groups similar to the CLUB OF ROME are equally pledged to that finance consortium, AND ARE INFILTRATING THE VARIOUS POLITICAL AND RELIGIOUS GROUPS WITH THE INTENTION TO MAKE PROGRESS TOWARD THE INSTITUTION OF A WORLD DICTATORSHIP.

"The whole thing looked a little bit too preposterous to be true, it seemed to me. Nevertheless, a friend of mine gave me an audio cassette taped at a lecture given by Peter Sawyer, a former high-ranking Australian civil servant, which exposed a certain number of facts he had noticed while in office. He talked, in particular, of a telephone exchange in Canberra called 'Deacon Center'. This exchange, built in concrete with 4 (ft. ? - Branton) thick walls, cost hundreds of millions of dollars. It is outfitted with numerous computers, arrayed on four levels. When he tried to find out why such equipment was needed in a country of only 18 million, he discovered that those computers were connected to all the banks, to every post office, to all telephones, and to all of the police stations and customs houses; to every arrival and departure desk for air or sea travelers; and also and above all, to the other data centers collecting data on private citizens... in the United States as well as in Europe.

"That facility on Deacon street is therefore a Center where all the data pertaining to every citizen of the Western World end up being stored. All financial, economic, political and military information, as well as the information on every inhabitant of those countries. As a matter of course, all people living in Australia are put on file, kept up with and labeled.

"Peter Sawyer discovered also that the president of the ROCKEFELLER FOUNDATION came for a lengthy stay in Australia to supervise in person the construction of 20 luxury residences in Canberra (the Australian government footed the bill), in the wonderful setting of a National Park, where, legally, nobody is allowed to build.

"The investigations lead by Sawyer exposed, first, that the new Parliament building is meant to accommodate the world government-to-be; and, second, that the 20 luxury residences will be allocated to the different foreign members of that government... Why choose Canberra as the headquarters of the new world government? Simply because Australia is a peaceful country, with very few natives likely to turn rebellious, and, above all, it's an English speaking country. No other English speaking country can offer the safety Australia will provide at the time of the taking over by the World Government. In America and Europe, uprisings are more than likely, and South America not only is not English-speaking, but its fondness for revolutions and social disturbances is well known.

"Australia is thus the ideal place for such an undertaking. How is the advent of a World Government possible in the near future? It is relatively easy, as we will explain.

"First, who are those 'internationalists' who want to take over the planet? THE ONES WHO WANT TO SET UP A WORLD GOVERNMENT ARE 15 FAMILIES OR SO, WHO ALREADY GOVERN ALL OF INTERNATIONAL FINANCE AND KEEP A TIGHT LEASH ON MOST GOVERNMENTS THROUGH THE ABSOLUTE CONTROL OF THEIR FINANCES AND THEIR DOMESTIC ECONOMY. These finance moguls devised their plan after World War I, and have been working since on an insidious undermining process aimed at economic destabilization all over the West.

"If those financiers are obviously labeled 'capitalists', it is a very deceptive label, though, for, in fact, they never stopped to pull the strings of the progressive parties, as well as those of the conservative parties. Their idea is logical, and lay, quite simply, in the destabilization of the countries of the West on the political, economic and religious levels. IT MAY BE SURPRISING TO SOME THAT THESE 'INNOVATORS' HAD INFILTRATED THE TOP LEVELS OF THE MAIN RELIGIOUS ESTABLISHMENTS, ONLY A SMALL NUMBER OF YEARS WAS NEEDED TO MAKE THEM VIRTUALLY POWERLESS... (Were these establishments 'bought out' through financial contributions? - Branton)

"Economic destabilization is implemented through a slower but most efficient process. This process (already under way) will cause the entire financial system of the West to collapse. The people involved are the same people who cause the price of oil to go up and then, after convincing European neighbors to agree to these price rises, provide that the yield coming from the price rises will be paid to the 'International Reserve Bank', which is entirely at their command. The Reserve Bank hands the money over to a 'holding bank' who lavishly loans the money to Third World countries for usurious rates of interest.

"The holding bank receives the interest paid by the underdeveloped countries, then puts it into another

'holding bank' which, in turn, invests the huge quantity of money on behalf of the Arabs.

"Those investments are made into thriving large businesses. In the meantime, only small interests are sent to Arab countries.

"Those who engineered the plan were perfectly aware that the leaders of the underdeveloped countries would be tempted to pocket a good part of the received money.

"I IRB will then tell the Arab countries that the holding bank investments have turned out badly, all their assets had vanished and that no interest will be paid any more. The Arab countries will then have no choice but to put all the securities they own on the market, as well as quite an amount of property bought by the second holding bank. A good part of these possessions will then be frozen, because they will have been bought with the aid of not entirely repaid loans, and they will be part of the assets of the first holding bank, gone bankrupt. The incredible quantity of shares put on the market at the same time will cause a stock market crash of such magnitude that all the national economies of the West will collapse at the same time.

"The planet will find itself in a desperate predicament. Cash will not be worth a damn, and the risks of a global confrontation (planned!) will be high.

ENTER PINE GAP

"At this point, the usefulness of bases like Pine Gap will become obvious. If a Global confrontation is going to break out, those bases will serve as a place of safety for the politicians and their staff, as well as the international financiers, their family and friends.

"If no confrontation breaks out, the financiers will adapt a 'saintly' attitude AND OFFER SUBSTITUTION OF ALL CURRENCIES BY PLASTIC CARDS, ENSURING 'TRUE EQUALITY' FOR ALL; THE ABOLITION OF ALL OWNERSHIP RIGHTS; and the setting up of a World Government that will 'ensure peace'.

"The masses (consciousness as a group) will be convinced that it is necessary to ensure Peace and Social Justice by any means, including force. THE POTENTIAL ACHIEVED THROUGH THE EQUIPMENT OF THE UNDERGROUND BASES WILL MAKE POSSIBLE THE DISAPPEARANCE WITHOUT A TRACE OF THOSE WHO DO NOT CONFORM AND THOSE WHO 'HINDER THE HAPPINESS OF THE PEOPLE'. Also, it will ensure the swift crushing of any possible uprising. IT MAY ALSO HAPPEN THAT OUR NEW 'MASTERS' WILL END UP TELLING THE PEOPLE THAT THEY HAVE THE ALIENS' SUPPORT, AND THAT WE (ARE) AT THE 'EVE OF THE MILLENNIUM, A GOLDEN AGE'..... IT WILL BE THE WORST DICTATORSHIP EVER KNOWN TO MANKIND.

".....IT IS QUITE CERTAIN THAT OTHER BASES HAVE BEEN BUILT IN THE UNITED STATES AND ELSEWHERE IN THE NORTHERN HEMISPHERE. IT MAY EVEN BE THAT THE US BASES OCCUPIED BY THE GREYS, IN THE US MAINLAND, ARE OF THE SAME TYPE. ONE RUMOR HOLDS THAT A REPRESENTATIVE OF THE GREYS IS FOUND IN EACH OF THE UNDERGROUND US BASES IN THE SOUTHERN HEMISPHERE.

"None of the above has anything to do with science fiction. All of what I said in this text is true, and doesn't give a very rosy picture of the future."
