

# Preparing for World War III: August 15, 1871

Written by Robert Singer

Albert Pike, Baron Edmond de Rothschild

The following Glossary, abbreviations and essay will help the reader understand how Albert Pike Grand Master of the Luciferian group known as the Order of the Palladium wrote a letter dated August 15, 1871 that graphically outlined plans for World War III that was seen as necessary to bring about the One World Order.

“The Third World War must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other. Meanwhile the other nations, once more divided on this issue will be constrained to fight to the point of complete physical, moral, spiritual and economical exhaustion...We shall unleash the Nihilists and the atheists, and we shall provoke a formidable social cataclysm ... Then everywhere, the citizens, obliged to defend themselves against the world minority of revolutionaries, will exterminate those destroyers of civilization, and the multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal, but without knowing where to render its adoration, will receive the true light through the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view.” [1]

**Judaism:** Jews collectively who practice a religion based on the Torah and the Talmud.

**Zionism:** an organization of Jews who believed the Jewish people needed a nation of their own to escape persecution.

**Rothism or Rothschildism:** abbreviation for The Zionist movement corrupted and co-opted by The House of Rothschild and their agents to advance a New World Order agenda.

**RBZJ:** The Rothschild Backed Zionist Jews, acronym used when referring to anyone connected to or related to the House of Rothschild.

**RAGENT:** Abbreviation for a Rothschild Agent

The House of Rothschild (the Rothschilds): Global financial empire founded in the late 18th century by a dynasty of Khazars, an ancient people from Georgia. [2]

The Rothschilds control a vast portion of the world's wealth and are the hidden hand behind all the social-cataclysms: the French, Russian and American Revolutions; Communism, Capitalism, World Wars and the Modern State of Israel. The Rothschilds are not the Jews of the bible and do not practice Judaism.

Mel Gibson would have been correct if he had claimed, The Rothschilds are responsible for all the wars in the world. The "Labour Leader" newspaper of Britain on December 19, 1891 referred to the Rothschilds when they wrote:

"This blood-sucking crew has been the cause of untold mischief and misery in Europe during the present century, and has piled up its prodigious wealth chiefly through fomenting wars between States which ought never to have quarreled. Wherever there is trouble in Europe, wherever rumors of war circulate and men's minds are distraught with fear of change and calamity you may be sure that a hook-nosed Rothschild is at his games somewhere near the region of the disturbance" (ibid, p. 12). In "Imperialism," writer J. A. Hobson wrote: "No Great War could be undertaken by any European State...if the house of Rothschild and its connections set their face against it" (ibid, p, 25).

The "Labour Leader" did not use the term Jew because the Rothschilds are the descendants of Khazars; they are not of Abraham's Seed.

Rothschild founded and funded the Zionist movement to further a New World Order agenda. At the first Zionist conference Theodor Herzl, a Rothschild agent (Ragent) makes it clear Rothschildism (Rothlsm) is not about saving Jews,

"It is essential that the sufferings of Jews....become worse....this will assist in realization of our plans....I have an excellent idea....I shall induce anti-Semites to liquidate Jewish wealth....The anti-Semites will assist us thereby in that they will strengthen the persecution and oppression of Jews. The anti-Semites shall be our best friends." [3]

### **The Jews return to the "Holy Land" in 1947**

August 29, 1897 Theodor Herzl, the founder of Rothlsm at the First Zionist Congress predicted that within fifty years there would be a Jewish state. UN Resolution (GA 181) partitioned Palestine in 1947.

Rothlsm is a political movement to encourage, force if necessary, Jews to move to Palestine. All Jews were encouraged; it didn't matter if you were of Abraham's seed,

you left for Palestine or else.

Herzl picking 1947 as the end of the Diaspora and the return of the Jews to the "Holy Land" is either one of those "bizarre coincidences", like the same person winning the lottery three weeks in a row, or the partition of Palestine, finalized in 1947, was part of Rothschilds plan for a New World Order, "to effect complete and total control over every human being on the planet and to dramatically reduce the world's population by two thirds."

Rothschild's secret societies, The Bavarian Illuminati, Order of Perfectibilists, the Skull and Bones are no longer classified as prehistoric science fiction and have their origins in the ancient religions and the occult: Jesuits, Knights Templar, Rosicrucians, Freemasons and the Kabbalah.

In 2003, 60 Minutes aired a segment about Alexandra Robbins, staff member at the New Yorker. Robbins, a Yale graduate, penetrated the wall of silence around the Skull and Bones, the American branch of Rothschild's secret society and authored the best seller Secrets of the Tomb: Skull and Bones, the Ivy League, and the Hidden Paths of Power.

Members of the Skull and Bones include some of the most powerful men of the 20th century.

J.P. Morgan, John D. Rockefeller, Abraham Kuhn and Solomon Loeb are all connected to the Rothschilds Global financial empire and secret societies. They are members of the Federal Reserve, the Bank of England, France, and Germany or, for that matter, any central bank anywhere in the world.

Rothlism was not-so-secretly funded when Baron Edmond (Binyamin) de Rothschild purchased 90,000 acres in Palestine launching Israel's future initially as an agricultural society. After the early settlers arrived, they wanted Rothschild to "take his hands from it." Baron Edmond responded, "I created the Yishuv, I alone. Therefore no men, neither colonists nor organisations have the right to interfere in my plans"

Lord Moyne, the British Secretary of State in Cairo, in 1942 tried to interfere in Baron Edmond's plan when he declared "the Jews were not the descendants of the ancient Hebrews and that they had no "legitimate claim" on the Holy Land. In favor of limiting Jewish immigration into Palestine, he was accused of being "an implacable enemy of Hebrew independence," and on November 6, 1944 Lord Moyne was murdered by two members of the Stern Gang (Yitzhak Shamir's group). [4]

### **A Jewish State, a sacrilege, can be found in the Bible**

A Jewish state can be found in the book of Revelation. John, an Apostle of Jesus on the Isle of Patmos in 90 A.D., was told to "Write the things which thou hast seen, and the things which are, and the things which shall be hereafter." John wrote:

"And they will tread the holy city underfoot for forty-two months (1279 days). And I will give power to my two witnesses, and they will prophesy one

thousand two hundred and sixty days, clothed in Sackcloth.” Revelation 11:2&3

Herzl correctly predicted the 1947 UN partition but John, in the spirit, was taken up into heaven and saw that the holy city would be underfoot for forty-two months given over to non-Jewish people until 1967 (688 A.D. + 1279 years), when in the first hours of the Six-day war Jews took control of East Jerusalem and the prophesy in Sackcloth ended when they had their own state on May 14th 1948 (688 A.D. + 1260 years). [5]

Grand Rabbi Joel Teitelbaum, believed Rothlsm is "the work of Satan, a sacrilege, a blasphemy" and The Holocaust, he wept, "was a direct result of Rothlsm, a punishment from G-d."

Rothschild was well aware of Jewish history and Jews, according to the Christian New Testament, persecuted and crucified Jesus Christ and most of his early followers. America's traditional churches in the 19th Century would never stand for a Jewish occupation of Jesus' homeland.

Rothschild Backed Zionist Jews (RBZJ) and a con artist Cyrus Scofield were used to change America and its religious orientation by the use of the Scofield Reference Bible from Oxford University Press.

Scofield, after being released from prison was introduced to Samuel Untermyer, the President of the Koren Hayesod, and the Rothlsm movement in America.

Untermyer, an attorney, was instrumental in preparing the Federal Reserve Banking law in 1910, and the financing of Scofield's Reference bible.

The Scofield bible has hundreds of easy-to-read footnotes in the margins and at the bottom of the pages that misleadingly weave parts of the Old and New Testaments together as though the same people wrote them at the same time. The most convincing evidence of Rothlsm influence on Scofield are the notes themselves, below are examples taken from the revised 1967 Edition:

"For a nation to commit the sin of anti-semitism brings inevitable judgment."  
"God made an unconditional promise of blessings through Abram's seed to the nation of Israel to inherit a specific territory forever."

In fact there is no sin of anti-semitism in the bible and Abraham did not bequeath a "specific territory" to his descendants.

Pat Robertson and Jerry Falwell weave Scofield's "Jews" into Genesis 12:3, "And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed" and falsely conclude:

"God has blessed America because America has blessed the Jew. If this nation wants her fields to remain white with grain, her scientific achievements

to remain notable, and her freedom to remain intact, America must continue to stand with Israel.”

John McArthur, author, pastor at Grace Community Mega-Church came up with a “Just War” explanation for the Iraq War because of Scofield’s “specific territory” note. On CNN he told Larry King, “Iraq is ‘a just war’ because Iraq has not only rejected the Gospel of Jesus Christ, but has done everything it can possibly do to stamp out the people of God, namely Israel.”

Robertson, Falwell and McArthur because of Scofield, ignore the central tenets of Christianity: Seeking peace and loving one's enemies, Peace be with you, that the meek and those who work for peace -- rather than the powerful and violent -- are blessed by God.

“Then he will say to those on his left (Robertson et al), 'Depart from me, you who are cursed, into the eternal fire prepared for the devil and his angels. For I was hungry and you gave me nothing to eat, I was thirsty and you gave me nothing to drink, I was a stranger and you did not invite me in, I needed clothes and you did not clothe me, I was sick and in prison and you did not look after me.' "They will answer, 'Lord, when did we see you hungry or thirsty or a stranger or needing clothes or sick or in prison, and did not help you?' "He will reply, 'I tell you the truth, whatever you did not do for one of the least of these, you did not do for me.'" MT 25:41

Pre-millennialism, Dispensationalism, Judeo-Christianity and "Christian Zionism" all rely on the Scofield footnote “A Curse Laid Upon Those Who Persecute The Jews” to justify the Iraq war and Israel’s human rights violations in Gaza and the West Bank. [6]

It is impossible to overstate the influence of Cyrus Scofield and the Oxford Press on twentieth-century Christian and Jewish sectarian beliefs. With limitless advertising and promotion, the Scofield Bible became the most important instrument for spreading the message of Christian Zionism: that the Modern State of Israel is the fulfillment of biblical prophecy.

### **Uganda is not Jerusalem**

In 1903, Joseph Chamberlain, the British Colonial Secretary, brought the "Uganda Project", a Jewish settlement in East Africa, to Theodore Herzl. Herzl initially rejected the idea but the April 1903 Kishinev pogrom, the Medieval Outbreak where 49 Russian Jews were killed, 92 severely wounded, 500 slightly wounded changed his mind and he recommended the controversial solution as a temporary measure.

Herzl did not live to see the rejection of the Uganda Plan in 1905. He, and further discussion of a homeland other than Palestine, died unexpectedly when Herzl was 44.

David Wolfson succeeded Herzl but he failed to convince the Young Turks to give up Palestine after the Ottoman Empire collapsed. Dr. Otto Warburg (related to Paul and

Max, Rothschild's agents) was put in charge and the movement was moved to Berlin.

### **WWII is over but not for the Palestinians**

The war ended in 1945 and after the bitterest episode in Jewish history the refugees were moved from Concentration to Displaced Persons camps until the world was willing to give the Holocaust survivors the Palestinian's Land.

As the United Nations debated a resolution to divide the Palestinian land, the UN-appointed mediator Count Folke Bernadotte thought the resolution offended

“Basic principles to prevent these innocent victims of the conflict [Palestinians were not to blame for the Holocaust] from returning to their homes, while Jewish immigrants flood into Palestine and, what's more, threatening to permanently replace the dispossessed Arab refugees who have been here for centuries.” He described, "Zionist pillage on a grand scale and the destruction of [Palestinian] villages without apparent military need.”

His report (U.N. Document A. 648) was filed on September 16, 1948. The next day Count Bernadotte and his assistant were assassinated in the part of Jerusalem occupied by the Zionists. [7]

Finally the British navy attacked the 4,500 Holocaust survivors (“Exodus 1947”) on their way to Palestine and a Rothschild Homeland was a fait accomplis.

On May 14, 1948, the British Mandate over Palestine expired and Rothschild had established the Jewish State, located in the only place in the world that could have a clash of civilizations, Jerusalem.

### **The Jews return to the “Holy Land” portends Armageddon.**

Armageddon, the final battle, will come when someone blows up the Dome of the Rock. That magnificent golden domed mosque built on the site of Solomon's Temple (the abomination of desolation) is preventing the return of the messiah. Radical Christians and Jews believe Christ will not come back to earth until the Jews rebuild the Temple.

Should the Dome be demolished, then for the first time in history, thanks to Sadaam Hussein when he destroyed 90 percent of Iraq's Wetlands, 200 million people could cross the Euphrates for a holy war in Jerusalem. [8]

A war that will rid the planet of millions of useless eaters.

The Rothschild New World Order only needs 500 million of us for slaves.

Appearing opposite Sojourners editor-in-chief Reverend Jim Wallis on the February 11 edition of FOX News' Hannity & Colmes, Falwell called Wallis's claim that "evangelicals around the world were against the war in Iraq" "baloney" and remarked: "You could fit your [antiwar evangelical] crowd in a phone booth." After Wallis told Falwell that "there are evangelical Christians who don't share your pro-war views," Falwell replied, "I know -- you and William Sloane Coffin." Coffin is a longtime peace activist and former Yale University chaplain.
