

Born Gay?

By David J. Stewart

...God Doesn't Make Mistakes!

Rachel Maddow, self-proclaimed "butch" with a girlfriend of over 10-years. Maddow says she went public about being gay at age 17 and is proud of it. As you see in the above photo, Maddow is a devout [follower of Satan](#). America is being taken over by lesbians!

We hear much nowadays from the homosexual community about being "born gay." TV talkshow hosts, the newsmedia and medical professionals have bought into the deception that some people are naturally born HOMOSEXUAL and can't help it. Nothing could be further from the truth.

To say that some people are born homosexual is to say that God makes mistakes. If God creates a man (with a man's reproductive organ), but that man has God-given natural sexual desires for another man, then God made a mistake. The Bible plainly states in Genesis 1:27, "So God created man in his own image, in the image of God created he him; male and female created he them." There is nothing in the Bible about two men getting married, or two women. Same-sex marriage is sinful in the eyes of God.

God doesn't make mistakes! No one is "born gay." God created male and female, and they have natural sexual attractions one for the other, because they have male and female reproductive organs, respectively. The very idea of two men having sexual relations is against nature. In fact, the Word of God states this in Romans 1:24-28. Romans 1:26,27 state: "*For this cause God gave them up unto vile affections: for even their women did change the natural use into that which is against nature: And likewise also the men, leaving the natural use of the woman, burned in their lust one toward another; men with men working that which is unseemly, and receiving in themselves that recompence of their error which was meet.*" Clearly, the Bible teaches that heterosexual attraction is natural; BUT homosexuality is abnormal and against nature.

God doesn't make mistakes! No one is "born gay." If you tell me that some people are "born gay," then you are saying that my God makes mistakes, and my God doesn't make mistakes. Why would God give two men a "natural" attraction one-for-the-other, but then they can't mate and reproduce because they both have male reproductive organs? That would be absurd. If homosexual attraction is "natural," then God made a mistake. God doesn't make mistakes! The truth is that no one is "born gay." It's a choice. Homosexuality is a vile lifestyle of lust, Godlessness and shame that one CHOOSES to live.

Job 8:3 and 13-14, "Doth God pervert judgment? or doth the Almighty pervert justice? ... So are the paths of all that forget God; and the hypocrite's hope shall perish: Whose hope shall be cut off, and whose trust shall be a spider's web."

I don't believe it is ever right to bash gays, but we have a duty as Christians to speak out against the horrible sin of homosexuality. We ought not condemn anyone on a personal level for their sins and mistakes, for God is the only Lawgiver and Judge. James 4:12, "There is one lawgiver, who is able to save and to destroy: who art thou that judgest another?" James 5:9, "Grudge not one against another, brethren, lest ye be condemned: behold, the judge standeth before the door." Yet, the Bible teaches for Christians to refute (Greek: *elencho*, "expose") all works of darkness. Romans 1:24-32 condemns the sin of homosexuality.

We don't have to condemn sin because the Bible already condemns the whole world. We are all sinners (Romans 3:10,19-23). Ephesians 5:11, "And have no fellowship

with the unfruitful works of darkness, but rather reprove them." There is a clear-cut line between preaching against sin as God commands verses condemning someone to be vindictive or mean. The Bible teaches that every work shall be brought into judgment. Ecclesiastes 12:14, "For God shall bring every work into judgment, with every secret thing, whether it be good, or whether it be evil." God will hold all men accountable for each and every decision they make, and recompense them for the good and for the evil.

Rachel Maddow is of the Devil. Homosexuality is of the Devil. Promoting the sin of homosexuality as a natural, good and acceptable thing is wickedness. It is not a coincidence that Rachel Maddow is making the Satanic Diablo sign above to show her allegiance to the Devil. Homosexuality is of the Devil and Maddow's hand sign proves it. You don't see Bible-quoting believers bragging that they're sodomites. It's the Devil's crowd who praise homosexuality. Christians may go into sin and commit homosexuality, but they won't be proud of it and brag to their family and friends about it. Christians who sin have remorse, being convicted by the Holy Spirit of God that dwells within (Hebrews 12:6-8; Romans 8:9).

Kindly, I have to humbly agree with FOX 19 Ohio news anchor, Tricia Macke, who was temporarily suspended by the network for calling Rachel Maddow "[an angry young man](#)" on her private *Facebook* page. Maddow is a dyke lesbian (that is, a lesbian who assumes the male role). I mean, Maddow talks like a man, behaves like a man, thinks like a man; but then she gets offended when somebody calls her a man. It's hypocrisy! A spade is a spade. I am not supportive of making disparaging comments against anyone; however, if the shoe fits, wear it! Many young women dress, talk and behave sexy; but then gets offended when they're ogled (obviously lusted upon) by men with wandering eyes.

Don't dress like a whore if you don't want to be stared at! When a young woman was gang raped in India, many women were outraged that someone said the woman asked to be attacked by the way she was immodestly dressed. We'll, like it or not, that's the way life works! [Fleshly Lusts, Which War Against The Soul](#) (1 Peter 2:11 - it matters how people dress). You can argue that you should be able to play in traffic without being ran over by a car if you're dumb enough to be retarded, but you're going to get ran over if you play in traffic. And if you tempt men by walking around sensually attired like a slut, then one day you're likely going to be attacked and be brutally raped, kidnapped or even murdered. But you say, "I have my rights to dress any way that I want." Yes, and you can defeat the door sensor and [stick your head into a microwave oven too if you'd like](#). Only a monster could put a baby into a microwave oven and turn it on. Sadly, this crime has been committed repeatedly around the country in recent years.

GLAAD are a bunch of hypocrites! Where were they when Hollywood was disparaging Christian ladies, calling them '[Good Christian Bitches](#)' (GCB)!!! It's a one-way street with gays when it comes to respect, that is, they want respect but they don't want to give it to Christians. ...

The exchange, which was since removed from her Facebook page, was captured in screengrabs posted by GLAAD, which launched a petition in partnership with Equality Ohio calling on Fox 19 to condemn Macke's remark. Referring to Maddow as a 'man' because she is a gay woman is completely unacceptable for someone in the business of journalism," GLAAD said in a press release last week, putting out a call on Twitter and across the Internet to spread the word. Macke owes an apology not only to viewers, but to young people in Ohio who are subjected to unfair bullying and harassment like this on a daily basis, added GLAAD president Herndon Graddick.

The lie that gays are minding their own business and should have their "rights" to sicko same sex is Godless heathendom!!! THE TRUTH is that homosexuals DO affect children in our society. Homosexual unions are dysfunctional so-called "families." They're not families in a Biblical sense of a mother and a father and natural biological children. I love all people with God's love, including gays, and I do NOT hate anybody! I take a stand against sin and evil as God commands (Psalms 94:16; Psalms 97:10; Titus 1:10-13; Ephesians 5:11).

I am hated by many critics for my firm stand for Jesus Christ (2nd Timothy 3:12). I AM ON THE LORD'S SIDE (Joshua 24:15). Homosexuality is a choice, just like abortion, drunkenness, adultery and anything else. We choose to sin, disobeying God's Word. Most people foolishly hold the Bible in low-esteem, because their deeds are evil as John 3:20 teaches. Truly, the Bible is the BEST FRIEND you'll ever have if you'll receive Christ as your Savior. Even so, come, Lord Jesus!

That's just sick! Have they no shame at [GLSEN](#)? Can you imagine, trying to teach Ronald that it's ok to stick something in Timmy's backside? ...or that it's ok for a boy to become a girl? What has American society deteriorated to? It is tragic. Any honest child knows that God created Adam and Eve; not Adam and Steve. GLSEN are a bunch of sickos!

God pronounced the death penalty upon homosexuals in Leviticus 20:13, so don't you tell me that anyone has "a right" to commit homosexuality. The Bible condemns homosexuality with capital punishment. Could anything be more offensive than a sin which carries the death penalty? I think not. God hates the sin of homosexuality, just as God hates all sins. Men are wicked by nature and naturally define all matters of

right and wrong by their own [frail human standards](#). Without the Law of God as the highest moral standard, men become their own gods (which is exactly why Eve ate of the forbidden fruit, that is, because Satan lied to her and said she and Adam would become “as gods” knowing right from wrong). Humanity has been choosing for themselves what is right and wrong ever since, and it has led to destruction every time.

In man's system, as each succeeding generation becomes more evil, so does the moral standards by which their courts judge men and by which major political decisions are made. Ultimately, such a decadent system (without God's higher moral standard to guide them) can only spiral into destruction. Proof of what I say is in the ever increasing moral demise, political corruption, and economic turmoil destroying America today. Was the [Bible and prayer](#) really all that bad?
