

These are only a few of the many symbols used by Satanism and the occult. There are several others not listed. Don't forget the symbol **666** which refers to the mark of the beast found in Revelation 13:16-18. The beast is the antichrist or also called the son of Satan.

As always we need to look at any authoritative writings a cult group adheres to by way of rituals, practices, order of worship and doctrinal beliefs. Most Satanists refer to the following books: "*The Satanic Bible*," "*The Satanic Rituals*," "*Necronomicon*." The same author known as Anton Szander LeVay wrote them. He was a self-proclaimed High Priest of the Church of Satan.

All three books have been published by Avon Books of New York. The Satanic Bible has gone through more than twenty printings since 1969.

In the Satanic Bible there are four books. The Book of **Satan**, The Book of **Lucifer**, The Book of **Belial** and the Book of **Leviathan**.

To illustrate an example of Satanic doctrines, I've printed what is called, "**The Nine Satanic Statements.**" (Found on page 25 of the Satanic Bible with the copyright dated 1969, by Anton Szander LeVay)

"1. Satan represents indulgence, instead of abstinence."

"2. Satan represents vital existence, instead of spiritual pipe dreams!"

"3. Satan represents undefiled wisdom, instead of hypocritical self-deceit!"

"4. Satan represents kindness to those who deserve it, instead of love wasted on ingrates!"

"5. Satan represents vengeance, instead of turning the other cheek!"

"6. Satan represents responsibility to the responsible, instead of concern for psychic vampires!"

"7. Satan represents man as just another animal, sometimes better, more often worse than those that walk on all-fours, who, because of his divine spiritual and intellectual development; has become the most vicious animal of all!"

"8. Satan represents all of the so-called sins, as they all lead to physical, mental, or emotional gratification!"

"9. Satan has been the best friend the church has ever had, as he has kept it in business all these years!"

Obviously all nine satanic statements are in direct conflict and contrary to God's Holy Word.

The Bible tells us that Satan is the god of this world (2 Corinthians 4:4). Yet, to the Christian "Greater is He that is in you, than he who is in the world."

(1 John 4:4)

OCCULT & SATANIC SYMBOLS

The goat headed figure above is called, the "Baphomet" which represents the powers of darkness and is the deity of the Satanist. The goat head is the universal symbol of Satan.

Satanism's reasoning is that Satan is the "scapegoat" for all the evil or bad things that happen.

It is said that those who take part in the "Black Mass" worship the Baphomet.

The following are some symbols and their meanings. Experts in the fields of criminal investigations, law enforcement, and cult awareness ministries recognize them. They are various symbols we should at least be aware of.

1. This symbol represents animal as well as human sacrifices. It can be drawn or painted on rocks, trees or on the animal or victim itself. It also stands for "Anarchy."

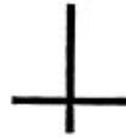

2. This symbol also represents animal as well as human sacrifices. It can be drawn or painted on rocks, trees or on the animal or victim.

3. The inverted pentagram represents the Baphomet, which is the goat's head, or it also represents Satan and the Antichrist's domination over the Father, Son, and Holy Spirit.

4. In the 60's this was a peace symbol. Now it is called the "Cross of Nero." It represents an upside down cross with the broken cross members signifying the defeat of Christianity among the Occultists.

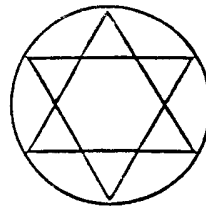

5. The upside down cross means only one thing - blasphemy of Christianity and Jesus Christ.

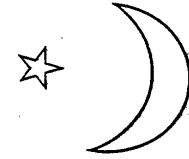

6. The triangle or "power cone" is placed on the ground to confine demonic forces during rituals.

7. This symbol is called the double bladed ax. It is used in the death ritual. It's painted on the body of the deceased to send them off. It's also used to represent anti-justice when inverted.

8. This is not the star of David. It is called the hexagram and sometimes referred to as the seal of Solomon. It's the most powerful symbol used by occultists.

9. When the crescent moon representing the goddess Diana is turned to face the symbol of Lucifer (*Which means morning star*), a star, it is satanic.

10. The Pentacle is used primarily by the White Craft and the five points have specific meanings. They represent earth, fire, water, wind, and spirit.

11. The Devil's Triad, known as the Satanic salute, is always given with the left hand.

12. This symbol is called the "Black Mass Indicator." It indicates that a Black Mass was or is going to be performed.
