Exposing the Conspiracy of Silence:
 Why Not Allow the Name of Jesus into Discussions of UFOs?

“The battle with UFOs is not for the planet of man but for the soul of man”
 Trevor James Constable

by Stephen Yulish PhD

Posted: 00:05 April 9, 2009

Everyone from such disparate groups as governments, research scientists, military officers, UFO organizations, New Age seekers, secret United Nations groups, and the Vatican are all talking about the possibility of an upcoming full disclosure of the presence of UFOs in our midst. Some people think that even Hollywood is in on the act by preparing us for such a monumental occurrence by producing such recent movies as *The Day the Earth Stood Still*, *Return to Witch Mountain*, and *Knowing*. The truth is that neither governments, nor the military, nor the gurus, nor the United Nations, nor the Vatican and especially not Hollywood have any idea of what really is going on. They all sincerely think that they do know, but all are actually unwitting dupes in a great deception that they have no idea even exists. The very deceivers are being deceived.

A few months ago, UFO Digest Publisher, Dirk Vander Ploeg, wrote to me and asked me “if I knew of any alien abductions being stopped in the name of Jesus Christ.” “Apparently,” he continued, “this information is being withheld by Mufon (the Mutual UFO Network) and other reporters and investigators.” This was an amazing statement by a self proclaimed Gnostic and Publisher of one of the largest UFO online websites. He raised the name that few in the UFO community dare to mention. He exposed the conspiracy of silence in this area that has tried to keep the name of Jesus out of the discussion. That is perfectly understandable, however, since most people who delve into this phenomenon are scientifically minded evolutionists or fanatical occultists who are all skeptical of organized religion. Once you bring Jesus into the discussion you make people feel uneasy and cause them to have to confront their sin. People do not like to do that and often dismiss such discussions as judgmental or guilt laden or just plain foolishness. “The word of the cross is to those who are perishing foolishness” (1 Corinthians 1:18). Distinguished evolutionist Thomas Huxley, the brother of the author of *Brave New World*, Aldous Huxley, once said nearly 150 years ago that he would not consider the Bible because he did not want to give up all his women.

This soul searching aspect of even mentioning the name of Jesus has kept Him out of the UFO debate for decades and thus the true meaning of UFOs has never been adequately addressed. One cannot have an understanding of the full disclosure of UFOs without mentioning the name of Jesus; He is at the center of the discussion. Why do you think that it is that many UFO abductions have been thwarted by calling out the name of Jesus Christ? They did not call out the name of Moses, or Mary, or Mohammed or Buddha or Krishna or Joseph Smith to be released, but they called out the name of Jesus Christ (Acts 5:12). Why, because “demons tremble at the name of Jesus” (James 2:19) because “God highly exalted Him with a name above all names (Philippians 2:9) and “the Son of God appeared that He might destroy the works of the Devil (UFOs)” (1 John 3:8).

I wrote about this in the article *Alien Abductions Stopped By the Name of Jesus Christ*, www.ufodigest.com/news/0109/abductions-stopped.html where I spoke of the groundbreaking work of the CE4 Research Group of Joe Jordan and Guy Malone of Alien Resistance Group in Roswell, New Mexico who have documented scores of cases of so called alien abductions being thwarted by calling out the name of Jesus. Jordan is a Mufon State Director in Brevard County, Florida who has spoken and written extensively about the name of Jesus being used as a way to resist abduction.

Therefore, why has there been this conspiracy of silence around using the name of Jesus? It is because many people in this area actually believe that these aliens are super evolved entities who came to earth in the past as alien space gods who seeded our planet. People will believe anything but the truth especially if their sins are not confronted in the process. Herein lies the problem. Joe and Guy and I do not believe that these entities are extraterrestrial at all and surely not alien god figures, but are rather fallen angels that have come here for millennia to deceive and lead us astray.

As I wrote about earlier (www.ufodigest.com/news/1206/deception.html) these fallen angels first came to the earth thousands of years ago and are discussed in the Bible’s Book of Genesis where they mated with human females

and produced nephilim offspring. God was furious that they went after strange human flesh because the result was a polluting of the future bloodline of the Messiah, Jesus so He wiped the earth clean with a Great Flood and put those fallen angels into bondage in the earth in chains (Genesis 6:2, Jude 6-7, 2 Peter 2:4, Genesis 7:23).

The birth of Christ marked the defeat forever of these demonic forces (Genesis 3:15). Thus we can see the relationship between Jesus and fallen angels (i.e. ETs) from the beginning. No wonder they tremble at His name. No wonder that the Apostle Paul still referred to them decades after Jesus died and rose again which was two thousand years ago.

“They are defrauding you of your prize (eternal life with Jesus) by getting you to delight in the worship of these [fallen] angels” (Colossians 2:18).

“If an [fallen] angel from heaven should preach to you a gospel contrary to that we have preached to you let him be accursed” (Galatians 1:8).

Thus when these fallen angels (extraterrestrials) or their followers speak of a new world order of universal peace and a global community of higher consciousness and of universal tolerance or that we will be as gods, or that Jesus was a space god, it is a blasphemy of the true gospel which will lead you away from Jesus for eternity.

Men like Joe, Guy, and me along with other good, Christian UFO investigators like Tom Horn of Raiders News Network , Darrell Johnson of Drywind , Greg Messina and Byron LaBeau of Cursed net , L.A. Marzulli of Acceleration Radio , Jim Cunningham of The Strong Delusion , and many others are the front line soldiers in this spiritual warfare against the delusions of Satan and His minions.

These demonic, fallen angels want to convince all naive, potential victims that they are just benevolent space gods come here to help us with our problems of global warming, nuclear proliferation and world peace.. Our government, the military, the UN, the Vatican and even Hollywood are all dupes in their insidious plot. Full Disclosure of UFOs will not be the answer but will instead be the beginning of the end of mankind as we know it. Let me explain.

Due to his open minded quest for the truth, I would imagine at great professional cost, Dirk Vander Ploeg, Publisher of UFO Digest, has exhibited enormous courage and foresight in exposing this conspiracy of silence as he has run over 60 of my articles over the past three years discussing this great deception as well as presenting my drawings of these fallen angels (Azazel,) as well as my attempt to deconstruct UFOs in this Post Modern World so even educated skeptics could understand, as well as presenting my view of the noted mathematician and Philosopher Pascal who on his deathbed calculated that he had more to lose not believing in God than in believing (which is known as Pascal’s Wager). Dirk has been way above the curve in this matter. God bless him. Most if not all of my articles center around God and His mercy, grace and forgiveness because in my mind that is what it is all about. I was once was a no good sinner and scallywag that had a religious encounter with a merciful God and it changed my life forever.

Many articles on UFO Digest also speak of the end of the world on December 21, 2012 at 10 AM GMT when the Mayan long Calendar ends as our solar system intersects the Galactic Equator for the first time in 26,000 years. According to NASA, at this time a terrific solar mass ejection will hit the earth which will be 30-50% greater than anything ever before. Believe it or not, I can tie together this event with full UFO Disclosure, and even tensions in the Middle East by referring to the Bible and to Jesus Christ. Once again we need to expose this conspiracy of silence concerning Jesus in order to know what is really going to happen and why.

The Bible also speaks of a coming scorching of the earth and judgment by fire. It too discusses the removal first of all Believers to be with Jesus in the air in what many call the catching away or the rapture. I believe that the sudden disappearance of millions of people worldwide will be explained to those left behind as an abduction by UFOs. Thus, the full disclosure of UFOs will happen after the Christians are “rescued” from the coming tribulation week (7 years) of judgment which will engulf the earth. Thus if you don’t know about Jesus or God’s word on this subject you will not understand the catching away or the then full disclosure of UFOs and the subsequent apocalypse that many will experience.

“For the Lord Himself will descend from Heaven with a shout with the voice of an archangel and with the trumpet of God and the dead in Christ shall rise first then we who are alive and remain shall be caught up together with them in the clouds to meet the Lord in the air” (1 Thessalonians 4:16-17).

Then Jesus will take us to hide in His Father’s mansions in Heaven that He has prepared for us (John 14:2-3).

Those of you nonbelievers left behind will be told that we were abducted by UFOs. The full disclosure will happen as UFOs appear all over the world.

“Coming is in accord with the activity of Satan with all His power and signs and false wonders and with all the deception of wickedness for those who perish because they did not receive the love of the truth so as to be saved. God will send on them a deluding influence to believe what is false” (2 Thessalonians 2:9-11).

Those left behind will experience the seven years of the great Tribulation (Revelation 7:14) which will be a hell on earth of God's judgment much like the ravages of a 2012. This will happen because God said that it would not because some blood thirsty Mayan Priest or Nostradamus or some other spiritualist or mystic said so.

“There will be a great tribulation such as not occurred since the beginning of the world until now nor ever shall” (Matthew 24:21).

If you fear 2012 then you should also dread this time and do anything that you can to escape it because the earth will not be totally destroyed.

“The present heavens and earth are reserved for fire and the day of judgment and the destruction of ungodly men. Heavens pass away with a roar and the elements are destroyed in the intense heat and the earth is burned up” (2 Peter 3:7, 10).

“Scorch men with fire” (Revelation 16:8).

“One third of earth will be burned up as well as one third of all the trees and all the green grass” (Revelation 8:7).

There may be a polar shift as indicated by the following:

“The inhabitants of the earth are burned with only a few men left…The earth is broken asunder, split through shaking like a drunkard and tottering like a shack” (Isaiah 24:6, 19-20).

“There will be great earthquakes and the sun will be as black as sackcloth and the moon as red as blood and all the stars fall from the heavens “(Revelation 6:12-14).

“Two thirds of the people will perish “(Zechariah 13:8).

Then after seven years of hell on earth Jesus will return to the earth with all His saints riding on a white horse (Revelation 19:11-16) to rule and reign from the rebuilt Temple in Jerusalem for 1000 years (Revelation 20:4) after defeating Satan and his armies at the Battle of Armageddon (Revelation 16:16) and casting him into the abyss (Revelation 20:2-3). No wonder God loves the Jews and will never abandon them. If Israel were to be wiped out, then the Temple could not be rebuilt where Jesus will reign.

All that you have to do to avoid this Tribulation and leave with Jesus in the Rapture and return and reign with Him for 1000 years is to “Confess with your mouth Jesus as Lord and believe in your heart that God raised Him from the dead and you shall be saved” (Romans 10:9). <http://www.ufodigest.com/news/0409/expose.php>
