### 24. NEW JERUSALEM

#### 24-A. ISRAEL REGATHERED (Zionism)

#### PREMISE

- When Jesus Christ returns, He will regather the remnant of Israel, dissolve the state of Palestine and establish Zion as the headquarters of the Millennial Kingdom.
- The Zionists are presently gathering the Zionist Jews (excluding true Torah Jews) and, during the Tribulation period, they will

attempt to destroy the state of Palestine in order to establish the headquarters of the Antichrist in Israel.

Satan's Counterfeit	Pre-Flood Era	Old Testament	Church Age	Tribulation	Great Tribulation	Golden Age	New Heavens & New Earth	

### PROGRAM OF GOD

Old Testament Period: The law and a precedent for redeeming the land of Israel are found in the Old Testament.

Church Age: God is using unsaved man to regather unsaved Israel into Palestine, a process necessary for the Tribulation judgments to begin and the Temple to be rebuilt.

Great Tribulation/Millennium: When Israel's true redeemer, Jesus Christ, returns, He and His angels will regather Israel (which fled into the wilderness at mid-Tribulation), dissolve the state of Palestine and establish Zion as the headquarters of the Millennial Kingdom.

### PROGRAM OF SATANIC DUPLICATION

Old Testament Period: The Tribe of Dan began its migration from northern Israel through Sparta and Troy and into Europe.

Church Age: The occult societies spearhead the Zionist movement in order to buy back the land of Palestine and create the nation of Israel.

Tribulation: The Roman prince will establish a false covenant with Israel and other nations to facilitate the rebuilding of the Temple of Solomon.

Great Tribulation: The Antichrist will control the nation of Israel/Jerusalem.

In His sovereign plan, God is allowing the occult societies to create a false Messianic kingdom that will be ruled by the Antichrist prior to the Second Coming of Jesus Christ to establish His kingdom at the end of the Tribulation Period. (See: Kingdom of Christ/Theocracy [10.C](#)) Zionism -- not to be confused with Judaism -- is a political movement conceived in the secret societies of Judeo-Freemasonry, which is using undiscerning Evangelical Christians to advance their Antichrist agenda. The House of Rothschild,

which may belong to the [Tribe of Dan](#), paid for the land and State of Israel and is at the helm of the Zionist Movement. The name Rothschild really means "Ruth's Child", indicative of Merovingian nobility and its much vaunted Davidic birthright. In the Old Testament, Ruth, the Moabite widow, married Boaz and bore Obed, who became the grandfather of David. In Merovingian lore and Freemasonry, the 'Sons of the Widow' are the descendants of Ruth.

## PROPHETIC DISPENSATIONS

### PROGRAM OF GOD

#### OLD TESTAMENT PERIOD

- **The law and a precedent for redeeming land in Israel are found in the Old Testament.**

And if a sojourner or stranger wax rich by thee, and thy brother *that dwelleth* by him wax poor, and sell himself unto the stranger *or sojourner* by thee, or to the stock of the stranger's family: After that he is sold he may be redeemed again; one of his brethren may redeem him: Either his uncle, or his uncle's son, may redeem him, or *anythat* is nigh of kin unto him of his family may redeem him; or if he be able, he may redeem himself. - Lev. 25:47-49

...Then said Boaz, What day thou buyest the field of the hand of Naomi, thou must buy it also of Ruth the Moabitess, the wife of the dead, to raise up the name of the dead upon his inheritance... And Boaz said unto the elders, and unto all the people, Ye are witnesses this day, that I have bought all that was Elimelech's, and all that was Chilion's and Mahlon's, of the hand of Naomi. Moreover Ruth the Moabitess, the wife of Mahlon, have I purchased to be my wife, to raise up the name of the dead upon his inheritance, that the name of the dead be not cut off from among his brethren, and from the gate of his place: ye are witnesses this day... So Boaz took Ruth, and she was his wife: and when he went in unto her, the LORD gave her conception, and she bare a son. And the women said unto Naomi, Blessed be the LORD, which hath not left thee this day without a kinsman, that his name may be famous in Israel. And he shall be unto thee a restorer of thy life, and a nourisher of thine old age: for thy daughter in law, which loveth thee, which is better to thee than seven sons, hath born him. And Naomi took the child, and laid it in her bosom, and became nurse unto it. And the women her neighbours gave it a name, saying, There is a

son born to Naomi; and they called his name Obed: he is the father of Jesse, the father of David. - Ruth 4:1,9,10,13-22

"According to the custom of retribution, it fell to the nearest kinsman to avenge the blood of a slain relative; to protect the life and property of a relative. This obligation was called by the Israelites *redeeming*, and the man who was bound to fulfill it *the redeemer*. The law and duty of the *redeemer* are assumed by Moses as a matter of tradition and brought under theocratic principle. Redeemers are reckoned full brothers, next to them the father's brothers, then full cousins, finally the other blood relatives of the clan (Lev. 25:48-49). Since the Hebrews were an agricultural people, the chief function of the redeemer (*go'el*) was to 'redeem' the land that had been sold by a brother in distress. When the nation came into bondage it needed a redeemer through the 'redemption' of the lands to be secured and they looked to Jehovah to become their *go'el*. Thus the Exile gave a force and a meaning to the term more striking than it could have had before." - [299:1068](#)

## CHURCH AGE

- **God is using unsaved man to regather unsaved Israel into Palestine; this process is necessary for the Tribulation judgments to begin and the Temple to be rebuilt.**

Then he said unto me, Son of man, these bones are the whole house of Israel: behold, they say, Our bones are dried, and our hope is lost: we are cut off for our parts. Therefore prophesy and say unto them, Thus saith the Lord GOD; Behold, O my people, I will open your graves, and cause you to come up out of your graves, and bring you into the land of Israel. - Ezek. 37:11-12

As I live, saith the Lord GOD, surely with a mighty hand, and with a stretched out arm, and with fury poured out, will I rule over you: And I will bring you out from the people, and will gather you out of the countries wherein ye are scattered, with a mighty hand, and with a stretched out arm, and with fury poured out. And I will bring you into the wilderness of the people, and there will I plead with you face to face. Like as I pleaded with your fathers in the wilderness of the land of Egypt, so will I plead with you, saith the Lord GOD. And I will cause you to pass under the rod, and I will bring you into the bond of the covenant: And I will purge out from among you the rebels, and them that transgress against me: I will bring

them forth out of the country where they sojourn, and they shall not enter into the land of Israel: and ye shall know that I am the LORD. - Ezek. 20: 33-38

### **GREAT TRIBULATION (end) / MILLENNIUM (beg)**

- **When Jesus Christ returns, He and His angels will regather Israel (which fled into the wilderness at mid-Tribulation), dissolve the state of Palestine and establish Zion as the headquarters of His the Millennial Kingdom.**

O Jerusalem, Jerusalem...behold, your house is left unto you desolate... for I say unto you, Ye shall not see Me henceforth, till Ye shall say, Blessed is He that cometh in the name of the Lord. - Matt.23:37-39

Rejoice not thou, whole Palestina, because the rod of him that smote thee is broken: for out of the serpent's root shall come forth a cockatrice, and his fruit shall be a fiery flying serpent. And the firstborn of the poor shall feed, and the needy shall lie down in safety: and I will kill thy root with famine, and he shall slay thy remnant. Howl, O gate; cry, O city; thou, whole Palestina, art dissolved: for there shall come from the north a smoke, and none shall be alone in his appointed times. What shall one then answer the messengers of the nation? That the LORD hath founded Zion, and the poor of his people shall trust in it. - Is. 14:29-32

Zion shall be redeemed with judgment, and her converts with righteousness. - Is. 1:27

How beautiful upon the mountains are the feet of him that bringeth good tidings, that publisheth peace; that bringeth good tidings of good, that publisheth salvation; that saith unto Zion, Thy God reigneth! Thy watchmen shall lift up the voice; with the voice together shall they sing: for they shall see eye to eye, when the LORD shall bring again Zion. Break forth into joy, sing together, ye waste places of Jerusalem: for the LORD hath comforted his people, he hath redeemed Jerusalem. The LORD hath made bare his holy arm in the eyes of all the nations; and all the ends of the earth shall see the salvation of our God. - Is. 52:7-10

In that day, saith the LORD, will I assemble her that halteth, and I will gather her that is driven out, and her that I have afflicted; And I will make her that halted a remnant, and her that was cast far off a strong nation: and

the LORD shall reign over them in mount Zion from henceforth, even for ever. Micah 4:6-7

Sing, O daughter of Zion; shout, O Israel; be glad and rejoice with all the heart, O daughter of Jerusalem. The LORD hath taken away thy judgments, he hath cast out thine enemy: the king of Israel, even the LORD, is in the midst of thee: thou shalt not see evil any more. In that day it shall be said to Jerusalem, Fear thou not: and to Zion, Let not thine hands be slack... At that time will I bring you again, even in the time that I gather you: for I will make you a name and a praise among all people of the earth, when I turn back your captivity before your eyes, saith the LORD. Zeph. 3:14-16,20

## PROGRAM OF SATANIC DUPLICATION

### OLD TESTAMENT PERIOD

- **721 B.C. - Tribe of Dan began migration from Israel to Sparta to Troy to Europe where they would become the Merovingian nobility.**

"Thus, we have the migration of the tribe of Dan. Having been pushed out of their territory west of Jerusalem, they went north into Lebanon. The story is found in Judges 18. According to the chapter, the tribe of Dan established an idolatrous religion -- the worship of the sun and moon. The summation of their move is given in the book of Judges:

*'And they called the name of the city Dan, after the name of Dan, their father, who was born unto Israel; howbeit, the name of the city was Laish at the first.*

*'And the children of Dan set up the graven image; and Jonathan, the son of Gershom, the son of Manasseh, he and his sons were priests to the tribe of Dan until the day of the captivity of the land' (Judges 29-30).*

"According to the story, the tribe of Dan moved into Lebanon, where they lived for at least the next 600 years. In the year 721 B.C., the Assyrians took the northern ten tribes captive." - [127:104-6](#)

"The Spartans lived in Laconia, near Arcadia, in the southern Greek peninsula called Peloponnesus. Over the centuries some of the group migrated northeast across the Aegean Sea to build the ancient city of Troy. There came a time when Paris, the Trojan prince, fell in love with Helen, wife of the Spartan king, kidnapped her and removed her to the city of Troy. By the way, Paris was the one after whom the capital of France was named.

There is also a city in France named Troyes, after the ancient Trojan capital -- for the **Merovingian French royalty claimed descent from the Trojans...**

"Over the centuries some of the Spartans migrated into southern France, and some of the surviving Trojans moved north and west into Germany, Belgium and northern France, following the **Danube River**, and eventually settled in the region that became known as Austrasia in the province of Lorraine. The lineage of the Merovingian kings, therefore, may have been rooted in the Trojans." - [127:104-6](#)

"The Cimri are said to be a Judaic tribe whose remnants settled in England and Jutland. **Here is the Red Line of Roth and Ruth...** Antenor 1 483-443 BC, King of the **Cimmerians Scythia** on Black Sea, (union of Scyth & Kimmer?). By legend the King (Euxim) of the Cimmerians was descended from the **Royal line of TROY**. It is from this line that the **Merovingian dynasty of France** has its source. Marcomir 460-396 BC; Antenor II (Sicambri Kings) 442-384 BC, first King of the Sicambri (his wife was Cambri, ie Cimmerian) 384 BC TO 63 BC (Sicambri kings; parallels timeline of Scythians arriving in Scotland) Note: modern town of KIMRI on Volga River, Russia. Kimri means 'red'." -[567](#)

- **Rothschild really means "Ruth's Child" signifying presumption to the lineage of David and entitlement to redeem the land of Israel.**

"The Guild of Masons, who built Chartres and other French cathedrals, were called the 'Children of Solomon'. Hiram Abiff, the architect of King Solomon's Temple, was a [Hermetic alchemist](#)--described as 'an artificer in metals'. His ancient forerunner was Tubal-cain (Genesis 4:22), the son of Lamech, and the teacher of all who followed. In Freemasonry, Hiram Abiff is identified as the 'Son of the Widow' -- and in [Grail lore](#), the constant epithet of Perceval is precisely the same. The original 'widow' of the Grail bloodline was Ruth the Moabite (heroine of the book of Ruth), who married Boaz to become the great-grandmother of David. Her descendants were called *Sons of the Widow*." - [29:247](#)

#### **CHURCH AGE**

- **4th C. AD - Roman Empire established under symbol of the Tribe of Dan.**

"To Dan was given the symbol of [Scorpio](#), which, in the ancient Egyptian [zodiac](#) was a snake. However, when the time came to hoist the

symbol of the snake, Ahiezer refused and chose instead the symbol of an eagle. According to Unger's Bible Dictionary:

"Dan's position in the journey was on the north of the Tabernacle, with Asher and Naphtali. The standard of the tribe was of white and red, and the crest upon it, an eagle, the great foe to serpents, which had been chosen by the leader instead of a serpent, because Jacob had compared Dan to a serpent. Ahiezer substituted the eagle, the destroyer of serpents, as he shrank from carrying an adder upon his flag.' It may prove worthwhile to consider the possible connection to the tribe of Dan whenever an eagle is used as the symbol of subsequent leaders or nations. Here are the clues which could connect the tribe of Dan with the political leaders of the Greeks, the Romans, the Germans, the French -- all of the thrones of Europe, including the leaders of ancient Czarist Russia...

"The symbol of imperial Rome was a single headed eagle, but after Constantine divided the empire in the 4th century A.D., and moved his throne to Constantinople, a two headed eagle evolved as the symbol of the Byzantine Roman Empire...

"In chapter 11, Esdras, a captive rabbi in Babylon, dreams a dream -- which enlarges upon the eagle plucked from the back of the lion found in Daniel's vision: 'Then saw I a dream, and, behold, there came up from the sea an eagle, which had twelve wings, and three heads.' In the vision, the prophet is told that the wings represent a dynasty of kings who would rule in succession and that the three heads represented the development (worldwide expansion) of the empire, with its various divisions...

"The other two heads of the eagle could represent the succeeding Holy Roman Empire which was split under the leadership of Constantine. The division destroyed its imperial power and weakened Roman rule. Over the centuries, the Church at Rome devoured the Eastern Orthodox Church, which ruled from Constantinople. For nearly a thousand years, the power of the Holy Roman Empire was unchallenged." - [127:117 123](#)

- **360 A.D. - Roman Emperor promises the Jews he will rebuild the Temple of Solomon.**

"In the year 360 Julian, a cousin of Constantine, was proclaimed Roman Emperor by the army. Constantine, who had prepared for battle against him, died on the way; this made easier the final victory for Julian and his proclamation as Emperor of the Orient and Occident. The policy of Julian had three principle aims: I. To renew the Pagan belief and to again declare it a state religion of the Empire, so that Rome which according to his view had

declined through Christianity, might return to its old glory. II. To destroy Christianity. III. To concede to Jewry its old positions, from which it had been expelled by Constantine and his sons; even the rebuilding of the Temple of Solomon was to be arranged...

“Graetz likewise establishes that Julian called the leader of Jewry in the Empire, the patriarch Hillel, literally ‘his respected friend,’ and promised him in a personal letter to make an end of the misdeeds committed by the Christian Emperors against the Jews. Further, Julian made all necessary preparations in order to begin the rebuilding of the Temple of Jerusalem. He addressed a letter to all Jewish congregations of the Empire, in which he spoke in friendly way of the leader of Jewry in the Empire, the Patriarch Julos (Hillel), as his brother. He promised the abolition of the high taxes laid upon the Israelites by the Christians, guaranteed that in future none should accuse them of blasphemy, promised freedom and security and promised to have Jerusalem rebuilt at his expense, as soon as he returned victorious from the Persian war. For the rebuilding of the Temple of Jerusalem Julian commissioned his best friend, Alypius of Antioch, to whom he gave instructions to spare no expense, and commanded the governors of Palestine and Syria, to assist with everything necessary...

“The death of Julian close to the Tigris (June 363) robbed the Jews of their last ray of hope...” - [525:285](#)

- **496 A.D. - A Merovingian is crowned King of the Holy Roman Empire.**

"The implications of the visionary eagle are incredible. It may well represent the historical development of the Roman Empire. May I point out that the Habsburg Dynasty provided most of the emperors of the Holy Roman Empire from 1273 to 1806. And before that, in A.D. 496, **King Clovis, the grandson of Merovee, was crowned emperor of the Western Roman Empire following the death of Constantine, and the division of the government.** As incredible as it may seem, the family crest of the Habsburg Dynasty is a two-headed eagle.

"Could the vision of Esdras be accurate after all? His three headed eagle appears to be an uncanny portrayal of the history and development of Roman rule -- or perhaps we should say, of Merovingian rule, for **the Roman Empire was started by Aeneas, a Trojan prince, whose ancestors were Spartans, who claimed to be of the stock of Abraham!** - [127:127](#)

- **8-10th C. AD - Oral composition of the epic poem, *Beowulf*, in central England; transcribed into West Saxon dialect (OE). *Beowulf* inspired the legend of King**

**Arthur and Knights of the Round Table. The character of Hrothmund in *Beowulf* prefigured Rothshild of the Tribe of Dan.**

"The name Rothschild can also mean 'famous protection'. The name Rutgard is similar to H-rothmund, it having the elements of 'red-guard'. Rot is also 'red' and mund means 'protection'. In the book on names it says; 'hruom+Rhum, and, munt= Schutz' I have yet to find the meaning of Schutz, but is similar to Schild. My Rougemont kin come from Danland, a land said to be named after the [tribe of Dan](#). **Woden appears to be a worshipper of Baal**, as was Beli. Wasn't Ruth offered protection by her kinsman, Boaz, after her husband was killed in battle? **Ruth is a childless widow**. She and Boaz married in Bethlehem their son Obed was the father of Jesse, the father of David. **The 'Widow's Son' is the 'Seed of David'**. Didn't king David have red hair? Did David carry a Red Shield?

**"Hrothmund appears in 'Beowulf' as a Danish King who is usurped.** In the genealogy below one can trace the historic Hrothmund to Alfred the Great via the Anglian Kings, and Emma Ferch the daughter of Chlothar 2. It was Rosamund 'Queen of Lombards' who took the daughter of Chlotsuinda the daughter of Chlothar 'King of Franks' to Ravenna after having her husband Albion murdered, this child his by his marriage to a Frankish Princess.

"King Henry the second claimed he was descended from [Trojans](#), his mother the Empress of the Holy Roman Empire, and a German. Henry spoke German, and refused to speak English. That he built a Troy-town, a Labyrinth for Fair Rosamond, suggests Henry understood his lineage, and that King David and Ruth were his kin? That Pharamond ends up as a Knight of the Round Table suggests the Popes have been having their way with history, the Franks a German tribe that rivaled the Saxons and the Lombards? That the Pharamond and other Frankish Kings worshipped Rosemonde in Gauthier de Costos' 'Pharmond', suggests history is trying to be righted, there more direct lines to King David than the authors of [*Holy Blood, Holy Grail*] were aware of?

**"Hrothmund is the great great grandson of Woden.** He is descended From Beli Mawr, and Aeneas and Brutus the Trojans. I believe this is the oldest spelling of the name Rosamunde that is old-high-German hruon=Ruhm, meaning fame, honor; and munt, which means protection 'famous protection'. The Cambrians are the Cimri, who are mentioned in the Bible and descend from Noah, Japheth, and Gomer and Gog and MaGog. Kimri means 'red'. Rudolph has a similar meaning to Hruomund. It is now evident Hromund Gripsson is a Rosamund. **This saga inspired some aspects of the**

**Arthurian Legends.** I suspect the 'Lady of the Lake' is the pike that swallowed Hromund's sword 'Mistletoe'."... - [566](#)

- **1088 A.D. - A Merovingian becomes Pope setting the stage the First Crusade to reclaim Jerusalem.**

"1088: Urban II, French Prior of Cluny (Reformed Benedictines) becomes the pope. Urban was of the 'Eudes' family, not only the name of the King of the Franks, Eudes, who ruled 888 to 898 and considered one of the antecedent kings of the Capetian House of France, but also the name of the Royal Capetian line of Burgundy, great grandson of Hugh Capet, Eudes I the RED of Burgundy who acceded 1079, NINE years before Urban (Eudes) became pope. And Eudes the Red acceded in that specific year because his brother, Hugh I of Burgundy, had abdicated to become the Prior of Cluny! Now something is very amiss here ! Is this just coincidence ? Both were sons of Henry of Burgundy who married Sibylle of Barcelona. Henry was son of Robert I of Burgundy, who was the son of Hugh Capet. Barcelona, home of their mother, was part of the Spanish March connected to Septimania and, here too, the Duke of Aquitaine in 1012 was Eudes of Aquitaine ! And Aquitaine and Septimania are extremely significant : It happens that Septimania (Languedoc) is exactly where the Jesus-Magdalene heresy flourished, and where there was a large population of **Cathar Jews** who were given independent status by Pepin, Carolingian King. Thence their own kings ruled as: "seed of the Royal House of David", each acknowledged as "King of the Jews", most famous of whom was Guillem de Gellone, the Prince of Orange. Confusing this issue, these kings also claimed to be of Merovingian descent..." - [550](#)

- **1095 A.D. - The First Crusade to reclaim the Holy Land.**  
"The picture that was emerging was of a group of European noble families, descended from the Jewish lines of David and Aaron, who had escaped from Jerusalem shortly before, or possibly even just after, the fall of the Temple. They had passed down the knowledge of the artifacts concealed beneath the Temple to a chosen son (not necessarily the eldest) of each family. Some of the families involved were the Counts of Champagne, Lords of Gisors, Lords of Payen, Counts of Fontaine, Counts of Anjou, de Bouillon, St Clairs of Roslin, Brienne, Joinville, Chaumont, St Clair de Gisor, St Clair de Neg and the Hapsburgs..."

“If the Rex Deus group did exist, it is easy to see how the First Crusade provided these families with a **‘God-given’ opportunity to return to their Holy Temple to recover the treasure that was their birthright** - and it would be done at exactly the same time that the Jewish writer of the Gospel of John the Divine had predicted! The Rex Deus families were at the forefront of the First, and every Crusade. Medieval scholars have long wondered why it should be that the same families drove all of the Crusades for their entire duration, and now we had a possible answer.

“Once the Christian armies had secured Jerusalem, the non-Rex Deus leaders were quickly removed and the **families infiltrated the Jerusalem monarchy and the Church**, to ensure that they would not be blocked in the holy endeavor of the ‘Kings of God’ to regain what their ancestors had left for them.

“The story of the Rex Deus families explained how the band of Christian knights knew exactly what they were going to find, and the naming of Roslin now made perfect sense. Henri St Clair took the title that displayed his excitement at regaining the *‘ancient knowledge passed down the generations.’*

“Following the fall of Jerusalem, a contingent of elders from the Jerusalem Church escaped the carnage and headed for Alexandria, which had, in many ways, become the second city for the Jews. Here, the small group took stock of their position and decided to head for Greece from where they eventually spread out to other European cities. They adopted communities, taking names that made them seem less foreign. They were highly intelligent people, descended from the aristocracy of the Jews, and most prospered. As each generation came and went, all memory of their origin faded, but one son was chosen and, when he attained the status of full manhood, was told of his strange birthright and the secrets of the Temple. Over time, some of the individual families lost contact with each other, but the chosen sons knew that others existed and how to recognize them if approached.

“By 1095, the members of the Rex Deus families group were almost certainly fully Christianised, yet each of them must have had at least one male member who held the traditional history of their **high-born Jewish roots** close to his heart. No doubt they saw themselves as ‘super-Christians’, descendants of the very first Church, and privy

to the greatest secret this side of heaven. They were a silent elite - 'the kings of God'.

"They realised that the taking of Jerusalem by the Seljuk Turks was the foretold attack of Gog and Magog and they used their considerable influence to plant the idea of a great Christian crusade into the mind of Pope Urban II. They told him that the prophecy of John the Divine had come true and it would be his great role to lead Christendom to rescue the Holy City from the heathen invaders. Indeed, the history books record that his leadership marked the papacy's assumption of the leadership of Western Christendom...

"It struck us as a strange coincidence that the two key figures of the First Crusade both died the very instant that Jerusalem was secured. Had the warrior chief, Godfrey de Bouillon, and the spiritual leader, Urban II...served their purpose, and been quietly dispatched?" - [95:76,79-81](#)

- **1118 A.D. - Patriarch of Constantinople and Knights Templar conspire to rebuild the Temple of Solomon.**

"In 1118, nine Knights Crusaders in the East, among whom were Geoffroi de Saint-Omer and Hugues de Payens, consecrated themselves to religion, and took an oath between the hands of the **Patriarch of Constantinople**, a See always secretly or openly hostile to that of Rome from the time of Photius. The avowed object of the Templars was to protect the Christians who came to visit the Holy Places: their secret object was the [rebuilding of the Temple of Solomon](#) on the model prophesied by Ezekiel. This rebuilding, formally predicted by the Judaizing Mystics of the earlier ages, had become the secret dream of the **Patriarchs of the Orient**. The Temple of Solomon, rebuilt and consecrated to the Catholic worship would become, in effect, the Metropolis of the Universe; the East would prevail over the West, and the **Patriarchs of Constantinople would possess themselves of the Papal power.**" - [552](#) ("The Johannite Legend of the Templars")

- **1642-1727 – Sir Isaac Newton, Grand Master of the Prieuré de Sion (1691-1727), foretells that a company of prophecy teachers will be raised up in the end time.**

"About the time of the end, a body of men will be raised up who will turn their attention to the Prophecies, and insist upon their literal interpretation, in the midst of much

clamor and opposition.” (Sir Isaac Newton, 1642-1727) - [431](#)

- **1776 - House of Rothschild founded; Mayer Amschel Rothschild is one of the original founders of the German branch of 'The Illuminati'.** "On 1 May 1776 Weishaupt announced the foundation of the Order of Perfectibilis which later became widely known as the Illuminati." - [25:61](#)

"Weishaupt produced the 'Law of Five.' His original inner council was structured around the pentagram (symbol of Blazing Star Sirius). According to our teaching [Schnoebelen was a Mason] this inner council was made up of five men; Weishaupt's friend, Kolmer [a Cabalist], Francis Dashwood (of the Satanic Hell Fire Club), Alphonse Donatién de Sade (where we get the word 'Sadism'), **Mayer Amschel Rothschild** (founder of the great banking house) and Weishaupt." - [555:186](#)

"The House of Rothschild was founded in 1776 in Frankfurt, Germany by Mayer Amschel Rothschild - (born 1743 in Frankfurt, Germany). Mayer fathered five boys who would establish the most successful merchant banking network in England (Nathan), France (James), Austria (Salomon), Prussia (Amschel) and Italy (Carl)." - [561](#)

- **1778 - Haim Solomon finances Revolutionary War victory at Valley Forge; George Washington authorizes Star of David on dollar bill.**

"America has been blessed by the Jewish community. Let me take you back to a story of the American revolution and Haim Solomon, a Philadelphia banker. When George Washington and the Continental Army were fighting for their very lives in the snows of Valley Forge, they didn't have enough food to eat, they didn't have enough weapons, they didn't have enough ammunition to fight the British; it looked like life, liberty, and the pursuit of happiness would never happen. Haim Solomon went to the Jewish people of America and the Jewish people of Europe and raised millions of dollars and gave it to George Washington. That contribution turned the tide of the American revolution. George Washington was so appreciative of Haim Solomon's contribution that he had the engravers of the American one dollar bill express his appreciation to the Jewish people by placing this insignia over the head of the American eagle. It is the Mogan David, the Star of David ✧. In addition, around the Mogan David is the cloud burst of the Shekinah Glory of God that was over the Tabernacle. If you turn it upside down, then you have the Menorah. The contribution

the Jewish people made to assist America in the war effort was one that George Washington insisted that all Americans know about." - [560:21](#)

- **1809 - House of Rothschild is well-established in Freemasonry.**

"Edmund Rothschild was president of the **Jewish Colonization Association**, which was a major Zionist group.... The Masonic reference book '10,000 Famous Freemasons,' Vol. 4, p. 74, indicates two other sons of Amschel were Masons, **James Meyer Rothschild**, and his brother **Nathan Meyer Rothschild**. James Rothschild in Paris was a 33 degree **Scottish Rite Mason**, and his brother Nathan in London was a member of the **Lodge of Emulation**. And **Jewish Freemason Katz** indicates **Solomon Meyer Rothschild**, a third member of the five brothers, was initiated into Freemasonry on June 14, 1809.

- **1823 - House of Rothschild takes over financial operations of the Catholic Church.**

"Early in the 19th century the Pope came to the Rothschild's to borrow money. The Rothschilds were very friendly with the Pope, causing one journalist to sarcastically say 'Rothschild has kissed the hand of the Pope... Order has been reestablished.' The Rothschild's in fact over time were entrusted with the bulk of the Vatican's wealth. *The Jewish Ency.*, vol. 2, p. 497 states, 'It is a somewhat curious sequel to the attempt to set up a Catholic competitor to the Rothschilds that at the present time (1905) the latter are guardians of the papal treasure.' Researcher Eustace Mullins writes that the Rothschilds took over all the financial operations of the worldwide Catholic Church in 1823. Today the large banking and financial business of the Catholic Church is an extensive system interlocked with the Rothschilds and the rest of the International Banking system." - [77:154](#)

- **1836 A.D. - Rothschild purchases land in Palestine.**

"In 1836, [Zevi] Kalischer appealed to Mayer Amschel (...Rothschild) to buy out completely the land of Israel or at least Jerusalem and particularly the Temple area in order to 'bring about the miraculous redemption from below'. Zevi Kalischer said the salvation promised by the

prophets of old could come only gradually and by self-help from the Jews.” - [211:63](#)

- **1837 - Illegitimate birth of Adolf Hitler's father, who was the son of Salomon Mayer Rothschild.**

"Alois, Hitler's father, was born in 1837 in the period when Salomon Mayer was the only Rothschild who lived at the Vienna mansion. Even his wife did not live there because their marriage was so bad that she stayed in Frankfurt. Their son, Anselm Salomon spent most of his working life in Paris and Frankfurt away from Vienna and his father.

"Father Salomon Mayer, living alone at the Vienna mansion where Hitler's grandmother worked, is the prime, most obvious candidate. And Hermann von Goldschmidt, the son of Salomon Mayer's senior clerk, wrote a book, published in 1917, which said of Salomon:

'...by the 1840s he had developed a somewhat reckless enthusiasm for young girls..' and

'He had a lecherous passion for very young girls, his adventures with whom had to be hushed up by the police.'

"And Hitler's grandmother, a young girl working under the same roof would not have been the subject of Salomon's desire? And this same girl became pregnant while working there? And her grandson becomes the Chancellor of Germany, funded by the Rothschilds, and he started the Second World War which was so vital to the Rothschild-Illuminati agenda? And the Illuminati are obsessed with putting their bloodlines into power on all 'sides' in a conflict? And the Rothschilds are one of their most key bloodlines? And it is all a co-incidence?" - [563](#)

- **1840 - The Damascus Affair begins Jewish emigration to Palestine.**  
"The year 1840 brought with it problems in Damascus. Father Thomas, a Capuchian of the Catholic faith, disappeared; it was reputed that he had been murdered by Jews for ritual purposes. French and Syrian authorities joined in and many Jewish adults and children were arrested and tortured; some were even killed. Rothschild and Montefiore and Cremieux got together, sought action, and this resulted in Jewish people going to work on Rothschild's projects in Palestine. It is said, in fact, that it was this Damascus affair which helped establish the groundwork for the [Alliance Israelite Universelle](#) founded by Rothschild twenty years later." - [211:63-4](#)
- **1843 - Founding of B'nai B'rith by Scottish Rite Freemasonry laid groundwork for establishment of a Jewish homeland.**  
"One of the most powerful Jewish Societies in the world is the 'Independent Order of B'nai B'rith.' In Hebrew, this literally means 'Sons of the [Covenant](#),'

being that of circumcision. Founded in New York in 1843, the order was not established in England until 1910, but since then it has succeeded in gaining control over all Jewish organizations. Among its members today are Chaim Weizmann (the Zionist leader). Dr. J. R. Hertz, (Chief Rabbi of England), Mrs. Neville Laski (President of the Jewish Board of Deputies), and Israel Moses Sietff (well known Zionist and communal worker.)

“A short history of the B’nai B’rith in England, written by Paul Goodman, a past president, for private circulation among its members, gives a clear insight into the way pressure was put upon governments throughout the world in Jewish interests... B’nai B’rith is Zionist, it laid the foundation of the Jewish home and in the United States it is the power behind the President.

“...In political cooperation with the [Alliance Israelite Universelle](#) and other national and International Jewish bodies, B’nai B’rith has for many decades been recognized as the representative of American Jewry in the protection of Jewish interests.’ He then went on to say that Russian Jews had been armed by world Jewry for their fight against the Russian Monarchy.” - [1101](#)

"The Independent Order of B’nai B’rith formed in 1843 as a Jewish community sub-project in the restoration of Masonry by the Scottish Rite and the British foreign office. Though most of its lodges were in the North, B’nai B’rith was openly pro-Confederate. Though it claimed to be neutral in the war, many of the Order’s Northern spokesmen were stridently pro-slavery. B’nai B’rith’s post-Civil War leaders were pro-Confederate operatives, including later president Simon Wolf, who had been arrested by the War Department in Washington, D.C. as the lawyer for a Confederate spy ring.

"Rabbi Isaac Wise established B’nai B’rith’s center for the 'liberalizing' of Judaism in Cincinnati, Ohio - coinciding with Cincinnati’s other great Scottish Rite

scheme, the launching of the Knights of the Golden Circle. Wise was officially neutral in the Civil War. Core leaders of the B'nai B'rith from then on have been Scottish Rite Masons. The political establishment associated with the Order has always had its headquarters in London..." - [1103](#)

- **1860 - Formation of Alliance Israelite Universelle to penetrate all religions and unite them under World Jewry.**

“Fould, the Rothschilds of Paris, London and Vienna, Montefiore, Disraeli, the Goldsmids, were not less Jews than Karl Marx, Moses Hess, Jacoby, Lassalle, Venedy, Riesser. ...And although their respective activities seem to stand so far apart, yet they are all linked, all tending towards the same end. One of the most striking instances is the case of Adolphe Cremieux who ...was connected with all parties and actually helped form the center which united them all, viz. **The Alliance Israelite Universelle, which was, in fact, the central Kabal for Universal Jewry.** The life of Adolphe Cremieux and the activities of his Jewish contemporaries, belonging to widely divergent social spheres, illustrate forcibly the concerted plan of Judaism to reach its secret Messianic hope of world domination...

“Cremieux's Jewish activities are exemplified by the part he took in the [Damascus Affair](#) with Moses Montefiore, a Jew from England, when Jewry successfully but unconvincingly silenced the accusation of ritual murder committed upon the Catholic priest, Father Thomas, at Damascus, in 1840. He had a prominent share in the foundation and development of the Alliance Israelite Universelle.

“Officially founded in 1860, this **international union of disseminated Jewry** had, as we know, existed for centuries, but after the Damascus affair, the Jewish leaders knew that they had attained sufficient power to feel enabled to show to the whole world that although the civil rights they enjoyed had been granted them by different

countries, the real allegiance of each and every one of them was due to their Jewish nationality...

“From 1871 until his death, it can be safely asserted that Crémieux, as President of the Alliance Israélite Universelle and Grand Master of the Scottish Rite, exercised a tremendous influence upon the anti-religious campaign which followed the Franco-Prussian War. In this as in all his lifelong activities, Crémieux was only obeying the teachings of the Talmud and trying to destroy every religion but that contained in Judaism. His favourite theme was that there should be **only one cult – and that cult should be Jewish**. At a general assembly of the Alliance Israélite Universelle, on May 31, 1864, Crémieux had said: ‘The Alliance is not limited to our cult, it voices its appeal to all cults and wants to **penetrate in all the religions** as it has penetrated into all countries. Let us endeavour boldly to bring about the union of all cults under one flag of Union and Progress. Such is the slogan of humanity.’ (‘Union and Progress’ was the name given to several revolutionary associations and also to several Masonic Lodges.)

“One cult, one flag! Are the Protocols of the Wise Men of Zion or the speeches of Machiavelli in Joly’s book anything but a lengthy exposition of the ideas briefly expressed by Crémieux? His activities are one of the clearest examples of Jewish internationalism and Jewish efforts for the realization of the Messianic ideal.” - [1102](#)(Chap. 4)

- **1862 - Predominance of Zionist Jews in Masonic Leadership and Lodges.**

“In the year 1862 a Berlin Freemason, who noticed the Jewish predominance in the lodges, wrote in a Munich paper: ‘There exists in Germany a secret sect with Freemasonic forms, which is subject to ‘unknown leaders’. The members of this association are in their great majority ‘Israelites.’... In London, where, as one knows, the revolutionary herd are found around the Grandmaster Palmerston, there exist two Jewish Lodges, which have never seen Christians cross their threshold; there are combined all threads of the revolutionary elements, who nestle in the Christian lodges. ‘In Rome there is a further

lodge, 'which consists completely of Jews', and where all threads, also of plots instigated in the 'Christian lodges' unite; 'the supreme court of justice and of the revolution.'

"From there outwards the other lodges are directed as by secret leaders, so that the greatest part of the Christian revolutionaries are only marionettes, who are set in motion by Jews by means of the secret leaders...

"As confirmation of the above I will reproduce a report, which is found in the 'Revue des Societes Secretes' (P. 118-119, 1924)

  - a) In America: J.P. Morgan, **Rockefeller**, Vanderbilt and Vanderlip
  - b) In Europe: The firm of **Rothschild** and others of second rank.
- 2.) The Red International or international association of Social Democratic workers. This comprises:
  - a) The Second International (that of Belgium, Jew Vandervelde).
  - b) The International N. ° 21/2, (that of Vienna, Jew Adler)
  - c) The Third International or Communist International (that of Moscow, the Jews Apfelbaum and Radek). This hydra with three heads, which works separately for better effect, has at its disposal the 'Profintern' (International bureau of professional associations), which has its seat in Amsterdam and which dictates the Jewish word to the Syndicates which have still not been incorporate into Bolshevism.
- 3.) The Black International or combat organization of Jewry. The Chief roles in it are played by: the world organization of Zionists (London); the [Israelite world league](#), which was founded in Paris by the Jew **Cremieux**; the Jewish order of the **B'nai-Moiche (Sons of Moses)** and the Jewish societies 'Henoloustz,' 'Hitakhdoute,' 'Tarbout,' 'Karen-Haessode' and a hundred more or less masked organizations, which are dispersed over all the lands of the Old and New world.

- 4.) The Blue International or international Freemasonry. This unites all Freemasons in the world through the 'United Lodge of Great Britain,' through the 'Grand Lodge of France' and through the Grand Orients of France, Belgium, Italy, Turkey and the remaining lands. (The active middlepoint of this association is, as the readers know, the great 'Alpina-Lodge.')
- 5.) The Jewish Freemasonic Order of '[B'nai-B'rith](#),' which contrary to the principles of the Freemasonic lodges accepts only Jews, and which numbers over the world more than 426 purely Jewish Lodges, serves as links to all the above enumerated Internationals. The leaders of the 'B'nai-B'rith' are the Jews Morganthau, former ambassador of the United States; Mack, Zionist; Warburg (Felix) Banker; Elkus; Kraus (Alfred), the first president; Schiff, already dead; who supported the movement for emancipation of the Jews in Russia with financial contributions; Marshall (Louis), Zionist." - [525:110-12](#)

"But when the French Grand Orient in 1877 decided to remove all references to God and the Great Architect from their ceremonies, to remove the Bible from their lodges, and to admit agnostics and atheists, this was too much for the English Grand Lodge. Grand Orient argued that to admit atheists was the final step in the policy of religious toleration which the Freemasons had always supported; but English Grand Lodge broke off relations with the Grand Orient, as did the American Freemasons. The Grand Orient declared that by their action 'English Grand Lodge has struck a blow against the cosmopolitan and universal spirit of Freemasonry'.

“The position with the Italian Grand Orient was not so clear. After Garibaldi had liberated Sicily in 1860, he was invited to become Grand Master of the Italian Grand Orient...from 1862 to 1868, and showed considerable interest in the complicated details of the various masonic organizations in Italy. Garibaldi’s attitude toward religion was ambiguous; sometime he attended religious services, and made statements which showed a belief in God; but on more than one occasion he openly stated that he was an atheist.” - [542:220](#)

- **1865 - Masonic influences concerning Palestine Exploration Fund and plan to rebuild Solomon’s Temple.**

“In 1865, under the patronage of Queen Victoria, all of the elite institutions of Britain, including the Anglican Church, the Grand Lodge of England, Oxford and Cambridge Universities, etc., gathered to fund a new institution, the Palestine Exploration Fund, dedicated to the 'rediscovery' of the Holy Land. The PEF's first Secretary Treasurer [was] freemason Walter Besant...

“The PEF was founded for three purposes:

1) 'With the avowed intention of gradually introducing the Jews, pure and simple, who is eventually to occupy and govern this country...'

2) To survey every inch of the territory on both sides of the Jordan, for British military-strategic purposes...

3) To give the gnostic British gamemasters an open-ended tool to reinterpret the Bible, and thus to manipulate the minds of hundreds of millions of Christians and Jews. As Besant, a raving gnostic and brother-in-law of Theosophy cult leader Annie Besant, put it, 'The principal reason alleged for conducting this inquiry was the *illustration of the Bible* which might be expected to follow such an investigation.'... Said Besant, 'The work before the Committee of the Fund, as regards Jerusalem, was, therefore, briefly this: We proposed nothing less than the absolute identification of every [sacred site](#).' Special attention should be given to the Temple Mount and the issue of the Temple of Solomon... Thus was founded the vast discipline of 'Biblical Archaeology.'

“Through the PEF, the British re-established the tradition of cultural/religious manipulation in the 19th century. Besant was the PEF's secretary from 1868 until 1886, the year when PEF head Sir Charles Warren and he became, respectively, the first Grand Master, and the first Treasurer, of the Quatuor Coronati lodge--which they established, in their own words, as an 'archaeology lodge,'

the first ever in the history of freemasonry...

"The PEF/Quatuor Coronati cynical manipulation of religion continues both in the plot to [rebuild Solomon's Temple](#) per se, and in the broader cultural war against true Christianity, Judaism and Islam, of which that plot is a part. Take, for instance, the widely publicized *Holy Blood, Holy Grail* series, written by Michael Baigent, Richard Leigh, and Henry Lincoln, and trumpeted by the BBC, among others. The book claims that the British Royal Family and its associated oligarchy is the continuation of a bloodline begun by the marriage of Jesus Christ (who, according to this heresy, was never crucified) to Mary Magdalene, a 'secret bloodline' which allegedly continued throughout the [Merovingian Dynasty](#) in Europe and the crusading orders such as the [Templars](#) (who derived their name from the headquarters in Solomon's Stables underneath the Temple Mount) and the Knights of St. John of Jerusalem, around which are grouped other [initiates](#), such as the [Freemasons](#). The 'inspiration' for such trash is hardly divine: The lead author, Michael Baigent, is a Corresponding Member of the Quatuor Coronati lodge, and Brother Baigent thanks, for his assistance, the Rev. Neville B. Cryer, one of Quatuor Coronati's most prominent members, and the longtime head of the immensely influential British and Foreign Bible Society." -[534:58-9](#)

- **1874 - Alliance of Jewish and Gentile Freemasonry under B'nai B'rith.**

"By the decree of September 12, 1874, which confirmed a treaty signed by Armand Levi for the Jewish [B'nai-B'rith](#) (brothers of the Alliance) of America, Germany and England and the supreme authority of Charleston, Albert Pike, authorized the Jewish Freemasons to form a secret federation functioning side by side with the ordinary lodges. This secret society was to bear the title of Sovereign Patriarchal Council and its Universal center was to be at Hamburg, Valentinskamp Strasse. In subscriptions alone, it collected one million four hundred thousand francs a year which

were used for general Jewish propaganda.

“Under the terms of this document, Jewish Masonry, unlike Gentile Masonry, was not to be graded, its members were exempt from belonging to any other official rite and ‘the secret of its existence’ was to be most strictly kept by those members of High Masonry who had been informed by the Supreme Dogmatic Directory of its existence.

Les Juifs dans la Franc-Maçonnerie, De la Rive, Re treaty between the B’nai B’rith and the supreme authority at Charleston.

“Translation: ‘...Albert Pike and the Jew Armand Levy affixed their Palladian signatures to this document. Armand Levy styled himself, 33rd Lieutenant grand assistant and sovereign delegate of the Grand Central Directory of Naples, honorary member ad vitam of the Sublime Federal Consistory of the B’nai B’rith of Germany, acting as general agent for this Consistory as well as those of America and England, the various federations of the B’nai B’rith having given him full powers.’

“The latter clause in the agreement is undoubtedly responsible for the equivocal attitude of all High Masons with regard to the past and present, national and international, secret political activities of the B’nai B’rith.” - [1102](#) (Chap. 4)

- **1878 - Rev. William Blackstone’s tract promotes Zionism leading to First Niagara Prophecy Conference.**

“Born in Adams, New York in 1841, William Eugene Blackstone became a successful businessman specializing in real estate outside Chicago after the Civil War. A self-taught lay evangelist and Bible teacher in the Methodist Episcopal Church, Blackstone eventually devoted himself to missionary work. While at a YMCA convention, Blackstone asked the Reverend James Hall Brooke, one of the foremost ministers of the time, to write a tract about the second coming that he could pass out on trains as he traveled. Instead, Brooke suggested that Blackstone write it himself and that he would publish it. Brooke’s suggestion led Blackstone to compose *Jesus is Coming*, hailed as ‘probably the most wide-read book in this century on our Lord’s return.’ First published in 1878, its 1908 revised edition was financed by California oilman Lyman Stewart and distributed by the hundreds of thousands; by Blackstone’s death in 1935, *Jesus is*

*Coming* had been translated into thirty-six languages, with over a million copies printed.

“Blackstone, like Brooke and other evangelists of that time, was influenced by the Plymouth Brethren dispensationalist premillennialism preached by the influential Anglo-Irish minister John Nelson Darby on his tours of North America in the seventies. The year *Jesus is Coming* first appeared--1878--also saw the first of a series of prophecy and Bible conferences, eventually known as the **Niagara Prophecy Conferences**, held around the United States which established this proto-fundamentalist theological tendency. Ministers from a wide spectrum of denominations combined elements of Princeton theology, biblical literalism, and premillennialism with a conservative opposition to higher criticism, modernism, and other liberalizing trends.” - [516](#)

- **1881 - Pogroms of Russian Jews causes their migration to Europe, United States and Palestine.**

“The great wealth of the Russian Czars was entrusted to the Rothschilds, \$35 million with the Rothschild's Bank of England, and \$80 million in the Rothschild's Paris bank. The Rothschilds financed the Russian Revolution which confiscated vast portions of the Orthodox Church's wealth. They have been able to prevent (due to their power) the legitimate heirs of the Czars fortune to withdraw a penny of the millions deposited in a variety of their banks. The Mountbattans, who are related to the Rothschilds, led the court battles to prevent the claimants from withdrawing any of the fortune. In other words, the money they

invested in the Russian Revolution, was not only paid back directly by the Bolsheviks in millions of dollars of gold, but by grabbing the huge deposits of the Czars wealth, the Rothschilds gained what is now worth over \$50 billions.” - [77:154](#)

“Moreover, before 1881, the year of the first wave of European Jews migrating into Palestine, Arabs constituted 95% of the population and owned 98% of the land.” - [509](#)

“The pogroms of 1881 set in motion the massive Jewish immigration from Eastern Europe, with about 62,000 Jews, mostly from Russia, arriving in the United States between 1881 and 1884.” - [516](#)

“In the final stages of the eagle, two leaders are predicted to reign over a small kingdom full of uproar. That may be a picture of the proposed world government during the short seven years of the Tribulation Period. Finally, the eagle will be burned, and all the world will be in great fear. Could that be a prediction of nuclear war? The description seems to fit with the other prophecies of the Bible.

“The symbol of ancient Spartan Greece was an eagle. The symbol of ancient Trojan Rome was an eagle. The symbol of Germany, which also claimed descent from the Trojans, was an eagle, and the symbol of the Habsburg dynasty, which provided the emperors of the Holy Roman Empire for 500 years was an eagle. In fact, the name Habsburg means ‘hawk's castle.’ The hawk is a part of the same family as the eagle. There are 260 kinds of eagles. Furthermore, the type of eagle which lives in the Middle East is called the ‘hawk eagle.’ This may be one of the most important clues to tie their dynasty back to the ancient Israelite tribe of Dan.

**“Under Roman domination, the Jewish people suffered unmercifully. But the leaders of the cruel Roman oppression may have been from the tribe of Dan. The Jew has suffered in the various countries of Europe down through the centuries, but those European kings may well have been from the tribe of Dan.**

“They also suffered under the pogroms or massacres of the Russian Czars who came from an ancient tribe known as Varangians, whose symbol was the double headed eagle. The ninth century Varangians, who established the Czarist throne of Russia may well have been Merovingians of the ancient tribe of Dan. In fact, the symbol of the Russian bear may have come from the ancient Spartans who lived in the province of Arcadia in southern Greece. The Word Arcadia means ‘the people of the bear.’

**“Perhaps, one day, a descendant of the tribe of Dan will surround Jerusalem with an army, enter the Jewish sanctuary on the Temple Mount, commit the prophetic abomination of desolation, establish a throne on the sacred site and declare himself to be god!**

“Yes, the prophecy of dying Jacob may be ultimately fulfilled -- as he said, ‘Dan shall judge his people.’” [127:128-9](#)

- **1882 - Zionist Jews' cruel treatment of Palestinians.**

“..a secret order known as **B'ne Moshe (Sons of Moses)** ... was guided by Ahad Ha'am (one of the people) the founder of Cultural Zionism, whose real name was Asher Ginsberg...

“Ginsberg, although a self-defined ‘Cultural Zionist’, broke with the mainstream Political Zionist movement early on. In fact after the first Zionist Congress, he never attended another one. Yet six years before, based on personal observations, he published a series of essays entitled ‘The Truth About Palestine’. Ginsberg pointed out that large tracts of untilled but arable land were unavailable, the ruling Ottoman Turks had a negative attitude towards the earlier European Jewish colonists of the first Aliyah of 1882, that Palestine was NOT uninhabited, and that the Arabs of Palestine showed no inclination or interest in leaving their homes. He was also critical of the superior attitude affected by these new colonists toward the indigenous population. He pointedly noted:

“‘We think that the Arabs are all savages who live like animals and do not understand what is happening around them. This is, however, a great error’. He was harsh towards the colonists. Although he was perhaps unaware of

it, he was comparing the attitude of the Jewish colonists to similar attitudes by the first Pilgrim colonists of North America, and the attitude of 19th century colonials in general for he further stated, based on the conviction that the viability of Jewish colonies depended on the development and maintenance of good relations with the Arabs; he further stated in an almost astonished tone, 'Yet what do our brethren do in Palestine? Just the very opposite! Serfs they were in the lands of the diaspora and suddenly they find themselves in unrestricted freedom, and this change has awakened in them an inclination to despotism. They treat the Arabs with hostility and cruelty, deprive them of their rights, offend them without cause, and even boast of these deeds; and nobody among us opposes this despicable and dangerous inclination.'" - **1883 - The Age of Eugenics begins in England leading to plan for the extermination of non-Zionist Jews by Hitler.**

"For all the voluminous documented crimes of the Nazis, the fact is, leading British circles were the earliest proponents and developers of eugenics, a pseudo-science that these British influentials--including Charles Darwin's cousin Sir Francis Galton and various sons of Darwin, members of the Huxley family, International Monetary Fund founder John Maynard Keynes, and others--concocted to promote the reduction in numbers, if not the eventual elimination, of categories of people whose existence was undesired by them. Such undesirables were, in the earliest years of the history of the Eugenics Education Society (the name of the group at the time of its founding in 1907), referred to dismissively as 'the residuum' and later as 'the paupers'; in order to study them, the eugenics mob sponsored so-called 'Pauper Pedigree Projects,' to reinforce the notion of 'social class biologically defined.'... It was Sir Francis Galton, the proponent of 'hereditarianism,' who declared in 1883 that the 'Age of Eugenics' had begun (the name of the Eugenics Society today is the Galton Institute). - [529](#)

- **1889-91 - Formation of Cecil Rhodes' Round Table under financial control of Rothschild Family with purpose of creating international federalism. The League of Nations/U.N. were instrumental in creation of the State of Israel.**

"The 'Rhodes secret society' was a group of imperial federalists, formed in the period after 1889 and using the economic resources of South Africa to extend and perpetuate the British Empire...

"During this period of almost sixty years [1889-1940], this society has been called by various names. During the first decade or so it was called 'the secret society of Cecil Rhodes' or 'the dream of Cecil Rhodes.' In the second and third decades of its existence it was known as Milner's Kindergarten (1901-1910) and as 'the Round Table Group.'

"In each of his seven wills, Rhodes entrusted his bequest to a group of men to carry out his purpose. In the first will...the trustees were Lord Carnarvon and Sidney Shippard. In the second will (1882), the sole trustee was his friend N.E. Pickering. In the third will (1888), Pickering having died, the sole trustee was **Lord Rothschild**...

"The secret society, after so much preliminary talk, took form in 1891, the same year in which Rhodes drew up his fourth will and made Stead as well as Rothschild the trustee of his fortune. It is perfectly clear from the evidence that he expected **Rothschild** to handle the financial investments associated with the trust, while Stead

was to have full charge of the methods by which the funds were used.” - [538:4,31,34,37-8](#)

- **1890 - Blackstone holds conference on Israel with Jews and Christians; Jews reject restoration to Palestine as unbiblical.**

“Upon his return, Blackstone organized ‘The Conference on the Past, Present and Future of Israel,’ held in Chicago in 1890. Participants in this conference, said to be the first between Christians and Jews in America, numbered several noted Jews, such as Rabbi Dr. Emil G. Hirsch, who taught Judaism at the University of Chicago and was a major spokesman for the radical wing of the Reform movement, and Dr. Bernhard Felsenthal, one of the founders of Chicago's pre-Herzl Zionist movement. However, the Christian participants in the conference were shocked by their Jewish colleagues. One evangelical journalist observed that a ‘marked feature’ of the conference was ‘the disavowal by the Jewish speakers of any hope of return to Palestine.’ Ideas of Jewish restoration ‘came from Christian lips alone.’

“No Jew interpreted his prophecies to mean the re-gathering of his race into the land of their ancient home. No expectation was expressed of an earthly kingdom, Messianic or other, with Jerusalem as its capital.... ‘We, the modern Jews,’ said Rabbi E.G. Hirsch D.D., ‘do not wish to be restored to Palestine. We have given up the hope in the coming of a political, personal Messiah. We say, ‘The country wherein we live is our Palestine, and the city wherein we dwell is our Jerusalem. We will not go back...to form again a nationality of our own....Let our religious life be clothed in the symbols of the life we see living round about us. Let our synagogues speak the language of the cities in which we dwell.

Let our ceremonial be constituted in harmony with the culture by which are surrounded.’” - [51](#)

• **1891, March 5 - Seven years before Theodore Herzl's First Zionist Congress, William Blackstone petitions Pres. Benjamin Harrison to authorize homeland for the Jews in Palestine. Groundwork laid for Judaized Christianity; Blackstone 'father of Zionism'.**

“On March 5, 1891, the Chicago businessman and Methodist Episcopal lay worker William E. Blackstone was introduced by Secretary of State James G. Blaine to President Benjamin Harrison in order to present a petition Blackstone authored, ‘Palestine for the Jews.’ ‘What shall be done for the Russian Jews?’ the petition asked, and Blackstone boldly answered:

*“Why not give Palestine back to them again? According to God’s distribution of nations, it is their home, an inalienable possession, from which they were expelled by force....Why shall not the powers which under the treaty of Berlin, in 1878, gave Bulgaria to the Bulgarians and Servia to the Servians now give Palestine back to the Jews?...Let us now restore them to the land of which they were so cruelly despoiled by our Roman ancestors.*

“Nonetheless, Benjamin Harrison did not accept Blackstone’s proposal...

“Blackstone would send the Memorial to presidents Cleveland and Roosevelt (McKinley had already signed), but official government sympathy for the Zionist project would have to wait for Woodrow Wilson.” - [516](#)

“The Blackstone Memorial emerged from the same Reformation and Enlightenment preoccupations with Jews as the original nation whose restoration confirms other ‘natural,’ European nations and comprises both a necessary prerequisite and model for the reconstitution of an authentic, ‘primitive’ Christianity. Blackstone’s contribution to this tradition was to elaborate a fully realized political Zionism that took long-standing religious narratives into the realm of late-nineteenth-century nationalism, colonialism, and imperialism. Indeed,

with Blackstone's petition and related activities antedating by six years the convening of Theodor Herzl's first Zionist conference in 1897, Nathan Straus and Louis Brandeis thought enough of his practical efforts to flatter the evangelist as 'the father of Zionism.'" - [516](#)

- **1891, March - Cecil Rhodes establishes his 'Circle of Initiates'.**  
"Rhodes made seven wills which established a secret society modelled after the Jesuits and Masons to help bring in a One-World Government centered upon Britain, and the Rhodes Scholarships. The inner group was established in Mar. 1891 and consisted of Rhodes, Stead, Lord Esher (Brett), and 33° Mason Alfred Milner. A secondary circle of 'potential members of the Circle of Initiates' consisted of the Jew Lord Balfour, Sir Harry Johnson, Lord Rothschild, Lord Grey and others." - [77:153](#)
- **1893 - First World Parliament of Religions**  
"Blackstone's proposal for peaceful rearrangement of the world through negotiation was not unreasonable nor was it especially utopian, given the workings of successive international conferences for the imperialist division of the world to do just that. He was not cynically employing the idea of an international conference when he advocated 'a universal court or congress, in which all national disputes and questions shall be peaceably considered and settled.' Blackstone was quite serious about international arbitration, and in 1893, at the 'World's Parliament of Religions' held in Chicago, he authored another memorial calling for a 'specific Congress on Arbitration and Peace' which was presented to the governments of the world." - [516](#)
- **1897, August 30 - Zionist Jews create First Zionist Congress, later taken over by the Rothschild family.**  
"In 1897, when Dr. Theodore Herzl conducted the first Zionist Congress in Basel, Switzerland, Zionism became the reality we see today. Later Zionism was taken over by Edmund Rothschild and indeed the House of Rothschild." - [211:51](#)

"In his book 'Alteneuland,' Theodore Herzl designated the term *Nasi* for the head of the Jewish state upon its establishment. When the First Zionist Congress was

convened in Basel, Theodore Herzl was elected to head the world Zionist movements; he was given the title of *Nasi*. When the state was declared on the 5th of Iyar 5708 (May 15, 1948), Chaim Weizmann was elected to serve as the first *Nasi* - President of the State of Israel." - [562](#)

- **1899 - Zionist Jews set up funding for the Nation of Israel.**

“The concept of forming a Zionist organization was put forth at the Basle Congress by Max Bodenheimer (1865-1940), a lawyer from Cologne, Germany and a supporter of Herzl. On 8/30 he made a speech to the Congress in which he outlined organizational, financial and administrative suggestions in detail, including the suggestion of the formation of a bank. (The Jewish National Fund Walter Lehn & Uris Davis, 1988 Keegan Paul, p.16)

“Lehn and Davis state that ‘Bodenheimer’s insistence on the establishment of a Zionist organization and a Jewish bank as the first order of business was clearly in line with Herzl’s ideas. In Der Judenstaat, Herzl had foreseen the need for two executive agencies: a Society of Jews and a Jewish Company, the former eventually realized as the WZO and the latter as a bank, the Jewish Colonial Trust Ltd.’ (ibid)

“Theodor Herzl, the founder of political Zionism was the first president of the WZO from 1897 until his death in 1904 at the age of 44. During his tenure, The Jewish Colonial Trust was established (1899)...” - [513](#)

- **1903 - Lubavitcher Rabbi Shulem Schneerson rejects Zionism as being in opposition to the Torah (Deut. 30).**

"In 1903, the Jewish pen of Lubavitcher Rebbe Rabbi Shulem ben Schneersohn wrote: ‘But the Zionists are far more cunning in their evil and they have made nationalism a substitute for Torah and commandments. Mendelstam in his open letter stated that **a Jew was not one who fulfilled the commandments but one who is a Zionist...** [T]he leader of the Zionists has set up the Nationalism, rebellion against the Lord and denial of Torah and commandments, on the very site of the Temple of the Lord.’” - [211:77](#)

- **1908 - Federal Council of Churches founded by John D. Rockefeller.**

“By 1908, the national assemblies of the constituent bodies [of the Inter-Church Conference on Federation] had adopted the Constitution, and the Federal Council [of Churches] came into being.” - [84:257](#)

“The Federal Council of Churches of Christ in the America was used routinely by the Rockefellers to further their personal interests in church circles. Rockefeller

donated to the Federal Council's Department of Church and Economic Life and promoted the concept of an international church. This is how [ecumenism](#) got its beginning as Rockefeller became its most important financier of liberal and ecumenical Protestantism.” - [540:154](#)

- **1909 - C.I. Scofield, a member of the Niagara Prophecy Conference with Blackstone, publishes his Scofield Reference Bible which promotes the teaching that places Israel back in the land of Palestine during the Tribulation Period.**

“The Scofield Reference Bible, whose notes explained Biblical texts from a dispensational perspective, was published in 1909 and became an authoritative and effective recruiter for the [fundamentalist, dispensationalist] movement.” - [517](#)

See: [1878](#): Blackstone’s tract promotes Zionism leading to First Niagara Prophecy Conference.

- **1911 - Otto Warburg became president of Zionist Organization.**

“Otto Warburg, an international financier and banker and scion of the Warburg family, followed Wolffsohn as president [of the Zionist Organization]. He held the position from 1911 to 1920, during which time ‘Practical work in Palestine’ was emphasized. This practical work meant the purchasing of land and the establishment of Jewish colonies there.

“The Great War, later known as WWI, brought a halt to the activities of the ZO, during its length. The head office, which became located in 1911 in Berlin was separated from the Zionists living in the Allied Countries as opposed to those living in the Central Power countries. In 1915 a liaison office was opened in neutral Holland, in Copenhagen, and in 1917 with the issuance of the Balfour Declaration, the political center of the ZO was transferred to London, where the London Zionist Conference of 1920 was held, the first gathering of the ZO after the war...

“It is also interesting to note that at the same time that Herzl was president of the ZO from 1897 to 1904, he also simultaneously held the position of Chairman of the Zionist General Council, a feat repeated by Otto Warburg during his tenure from 1911-1920.” - [513](#)

- **1914 - The Rothschilds finance Rockefeller's founding of the Standard Oil Company which was used during World War I to channel funds for creation of the Zionist State of Israel.**

“The question remains to be answered whether the Rothschilds were secret financiers behind the Illuminati,

the consequent French Revolution, and the Jacobin incursion of Citizen Genet into the United States. Certainly the Rothschilds' influence upon industrial America was profound. Working through the Wall Street firms Kuhn, Loeb and Co. and J.P. Morgan Co., the **Rothschilds** financed **John D. Rockefeller** so that he could create the **Standard Oil** empire. They also financed the activities of Edward Harriman (railroads) and Andrew Carnegie (steel).” - [86:136](#)

“With the advent of World War I, Palestine was cut off from most outside contact. A synagogue appeal was held on Yom Kippur 1914, but there was no way of transmitting the funds to Palestine. After Congressman A.J. Sabath appealed unsuccessfully to the State Department, he was helped by the **Standard Oil Company** which used its overseas agencies to channel money to Palestine.” - [518](#)

- **1914-17 - World War I prompts speculation about restoration of the Jewish homeland; Balfour Declaration addressed to Lord James Rothschild.**

“When World War I broke out in 1914, Palestine was firmly in the grasp of the Ottoman Empire. By 1916, there was widespread speculation, even in the secular press, about the restoration of a Jewish homeland if the Turks could be vanquished. By late 1917, events were rapidly moving along those lines. As British forces fought their way into Palestine from the south, Lord Arthur Balfour, the British foreign secretary, wrote to Lord James **Rothschild**, a leader in international Zionism: ‘His Majesty’s Government view with favour the establishment in Palestine of a national home for the Jewish people, and will use their best efforts to facilitate the achievement of this object, it being clearly understood that nothing shall be done which may prejudice the civil and religious rights of existing non-Jewish communities in Palestine, or the rights and political status enjoyed by Jews in any other country.’

“Five weeks after the Balfour Declaration, the Turks surrendered Jerusalem to British forces, virtually without a fight.” - [517](#)

“England had become the center of Zionist activities, and in February 1917, negotiations with the British Government officially convened. George Picot.” - [211:68](#)

“It was **England** that gave Zionism the movement to revive a Jewish state, its first political nourishment. It was England that lobbied the **League of Nations** for a mandate to govern the new colony of Palestine. England that appointed a Jew to oversee the mandate, England that tried to help the Zionists in the face of American indifference, England that condemned **Hitler's** racism.” - [511:21](#)

- **1917 - Balfour Declaration drafted by Lord Milner of the Rhodes' Round Table.**

“After 4 centuries of Ottoman rule...the land [of Palestine] was taken in 1917 by Britain, which in the Balfour Declaration of that year pledged to support a Jewish national homeland there, as foreseen by the Zionists.” - [541:788](#)

“It was a Rothschild who helped create the state of Israel. In 1917, after serving as a member of the British Parliament, Zionist 2nd Lord Lionel Walter Rothschild--the eldest son who inherited Nathan's money and title after his death in 1915--received a letter from British Foreign Secretary Arthur Balfour expressing approval for the establishment of a homeland for Jews in Palestine. This letter became known as the Balfour Declaration.” - [482:82-3](#)

“‘His Majesty's Government view with favour the establishment in Palestine of a national home for the Jewish people...’ Thus wrote the head of the British Foreign Office, Arthur James Balfour, a former Prime Minister and native Scot, on November 2, 1917. Abba Eban calls the Balfour Declaration, which opened the way for the creation of Israel, ‘the authentic turning point in Jewish political history.’” - [528:178](#)

“This declaration, which is always known as the Balfour Declaration, should rather be called 'the Milner Declaration,' since Milner was the actual draftsman and was apparently, its chief supporter in the War Cabinet. This fact was not made public until 21 July 1936. At that time Ormsby-Gore, speaking for the government in Commons, said, 'The draft as originally put up by Lord Balfour was not the final draft approved by the War Cabinet. The particular draft assented to by the War Cabinet and afterwards by the Allied Governments and by the United States...and finally embodied in the Mandate, happens to have been drafted by Lord Milner. The actual final draft had to be issued in the name of the Foreign Secretary, but the actual draftsman was Lord Milner.’” (Carroll Quigley) - [538:169](#)

"In World War I the British, with Arab aid, gained control of Palestine. In the **Balfour Declaration** (1917) they promised Zionist leaders to aid the establishment of a Jewish 'national home' in Palestine, with due regard for the rights of non-Jewish **Palestinians**. The British had also promised Arab leaders to support the creation of independent Arab states. The Arabs believed Palestine was among these, an intention that the British later denied." - [124:2054](#)

- **1918 - Treaty of Versailles, drafted by Rothschild agents, cripples German economy and prepares the way for Hitler.**

"When Germany fell, not only did Rothschild agents draft the treaty, prepare the idea of the League of Nations, but Max Rothschild was one of 11 men who took control over Bavaria. Max Rothschild was a Freemason in Lodge No. 11, Munich, Germany. Victor Rothschild, who worked for J.P. Morgan & Co., and was an important part of MI5 (British Intelligence). Victor Rothschild was also a communist and member of the Apostles Club at Cambridge. Lord Rothschild was one of the original members of Rhodes' Round Table group which developed into the CFR. It was the Rothschilds who had financed Cecil Rhodes, beginning in Africa." - [77:155](#)

"The Treaty of Versailles' nonnegotiable terms demanded the forfeiture of German colonies as well as a number of conquered or traditionally German

lands: the dismemberment of the German military machine; the arrest of hundreds of German militarists and leaders as war criminals, including the German emperor Kaiser Wilhelm II; the granting of most-favored, nonreciprocal foreign commercial rights in Germany; and a certain amount of interim foreign occupation. The German leadership was to sign a hated statement of total war guilt.

Additionally, Germany was to pay war reparations over the next two years of 5 billion gold marks and approximately 15 billion marks' worth in cattle, timber and other barterable items. The Allies allowed no negotiation of Versailles' oppressive terms and refused to lift the economic and material blockade until German leaders accepted what later German generations would call the Diktat.

"Two years later, the Allied Reparations Commission levied additional reparations of 132 billion gold marks. Such a monumental sum, payable in cash and goods, would be a garnishment for generations, a commercial enslavement that would hold Germany captive for fifty to a hundred years. Germany's population, and indeed world leaders and historians, would later brand the Versailles Treaty as merciless and intolerable." - [556](#)

"...[The Milner Group] founded the British Empire periodical The Round Table in 1910, and this remains the mouthpiece of the Group; it has been the most powerful single influence in All Souls, Balliol, and New Colleges at [Oxford](#) for more than a generation; it has controlled The Times for more than fifty years. . .it publicized the idea of and the name 'British Commonwealth of Nations' in the period 1908-1918; it was the chief influence in Lloyd George's war administration in 1917-1919 and dominated the British delegation to the Peace Conference of 1919; it had a great deal to do with the League of Nations and of the system of mandates; it founded the Royal Institute of International Affairs in 1919 and still controls it; it was one of the chief influences on British policy toward Ireland,

Palestine, and India in the period 1917-1945; it was a very important influence on the policy of appeasement of Germany during the years 1920-40; and it controlled and still controls, to a very considerable extent, the sources and the writing of the history of British and Imperial and foreign policy since the Boer War.” - [538:5](#)

It is also worth mentioning its effect on Rees Howells, intercessor and founder of the Bible College of Wales and **David Lloyd George**, who later became the British Prime Minister. The results of the Revival cannot be measured by the countless chapels that lie deserted on the Welsh hills today, but in the multitude of changed men and women who went on to effect the course of the twentieth century under the guidance of the Almighty.” - [522](#)

- **1922, May - Protocols of the Learned Elders of Zion highly publicized by Henry Ford.**

“In May 1920, a series of Dearborn Independent articles and editorials publicized the Protocols [of the Learned Elders of Zion] and a host of slanders and accusations under the general heading 'The International Jew.' Ford's articles accused American Jewish leaders such as Louis Marshall and Louis Brandeis of using Presidents Taft and Wilson as their puppets. Other prominent Jews were accused of perpetrating World War I for the benefit of Jewish bankers and fomenting the Russian Revolution for racial imperialism. The defamations continued weekly as Ford's paper denounced the Jewish conspiracy for corruption on Wall Street, in labor, and on the ball field-Jews were even behind the Black Sox baseball gambling scandal. Jews were also allegedly responsible for Benedict Arnold, the Civil War, and the assassination of Abraham Lincoln. What Jews could not achieve by money, media or manipulation, they would achieve by pandering to the sexual perversions of the powerful and prominent.” - [556](#)Chapter 3, "The Weapon Hitler Feared"

- **1922, July 24 - British Mandate over Palestine established by the League of Nations.**

“The British mandate was finally approved on July 24, 1922, officially endorsed by...ten nations [Serbia, France, Italy, Greece, Holland, Siam, China, Japan, United States and England].” - [211:70](#)

“The system of mandates was established after World War I by the Treaty of Versailles for the administration of the former overseas possessions of Germany and parts of the Turkish Empire. Its purpose was to implement the principles of Article 22 of the Covenant of the League of Nations, which said that certain communities had reached a stage of development where their existence as independent nations could be provisionally recognised, subject to the rendering of administrative advice and assistance by a mandatory until such time as they were able to stand alone.

“The San Remo conference of April 1920 decided to assign the mandate for Palestine under the League of Nations to Great Britain. The text of the mandate was approved by the Council of the League of Nations on 24 July 1922. Its preamble recites the Balfour Declaration almost verbatim. The preamble further refers to the recognition given to the historical connection of the Jewish people with Palestine and to the grounds for reconstituting their national home in that country. The terms of the mandate imposed on Britain the obligation to secure the establishment of the Jewish national home, to facilitate Jewish immigration and to encourage Jewish settlements on the land.” - [527](#)

- **1922, September 11 - British Mandate proclaimed in Palestine.** On Sept. 11, 1922, a British mandate was proclaimed in Palestine, despite Arab protests. It lasted until 1948, after the United Nations authorized a partition of the territory and the state of Israel was established. - [553](#)

After Chafer, Dallas abandoned Dispensational theology resulting in the obfuscation of Christian (grace) and Jewish (law) covenants.** "Dallas Seminary has been covertly collaborating with Covenant theology, a fact to which her many Covenant-oriented graduates attest. "What can Neo-Dispensationalism do to you? It can bring you down to earth with a thud, and relentlessly grind and ground you. "In the 1930s, Cyrus Adler, president of the American Jewish Committee, coordinated with the family's B'nai B'rith, and the family's {New York Times}, to crush all U.S. political action against Adolf Hitler in Germany. The B'nai B'rith was the one Jewish organization that Hitler deliberately {left open }and functioning under Nazi rule from 1933 on. In 1939, Britain made a dramatic change in its policy toward Hitler-after teaching Hitler his race theories, after forcefully backing his takeover of Germany, after financing and equipping his armies, Britain now changed publicly to opposing Hitler. Only at that point, in 1939, about a year after Hitler finally closed B'nai B'rith's Nazi-authorized German operations, B'nai B'rith decided to 'approve' an international boycott against the Nazi regime..." - [1103](#)

- **1933 - First National Grand Lodge established in Israel at the time the Jews began to immigrate from Nazi-occupied territories.**

- **1933-39 - Zionist Jews began to return to Palestine from Nazi-occupied territories.**

"From the records it seems that from 1933 to 1939, the Jews were expected to leave Germany and all Nazi-occupied territories. At the same time, there was a very definite selection system and a very restrictive immigration policy on who went to Palestine, headed by the Zionists. After 1939, it seems the annihilation camps were set up to rid Germany of those Jews who did not make it to Palestine or anywhere else... Lucy Dawidowicz, in her book, 'The War Against the Jews,' had this to say: 'At their 18th Congress in 1933, the Zionists established within the Jewish agency for Palestine a Central Bureau for the Settlement of German Jews, which, to begin with, excluded anti-Zionists as applicants for certificates.'

"'Young people in good health with some training for agricultural work or manual trades and person with capital were the preferred candidates for Aliya in a process where the **needs and interests of Palestine took precedence over the strategy of rescue.**' Nathan Birnbaum was an early Zionist; in fact, he was the one who coined the term 'Zionism.' He was also present with Herzl at the First Congress at Basel. Birnbaum left the movement in 1899 and became completely orthodox and absolutely hostile to the

Zionist Movement. In his paper titled 'In Bondage to Our Fellow Jew,' he writes:

”It seems, that we are better qualified with our bondage to the Gentiles than with our bondage to our brothers who are estranged from the Torah and its teachings. When our own estranged brothers, who, next to us, are the mere grain, not only persecute us but themselves give a handle to our persecution; when they not only meddle in our affairs but take them wholly out of our hands; when they not only refuse to let us go our ways in peace, but actually try to obstruct our road forever.’

Birnbaum wrote these words in 1901...

“Michael Selzer in his book 'Zionism Reconsidered', says: 'Not even the events of 1933 aroused their political interest. [He refers to the Zionist Organization.] They were naive enough to see them as a God-sent opportunity for an undreamt-of wave of immigration to Palestine. When the **Zionist Organization against the natural impulses of the Jewish people, decided to do business with Hitler**, to trade German goods against the wealth of German Jewry, to flood the Palestine market with German products and thus make a mockery of the boycott against German-made articles, they found little opposition in the Jewish National Homeland, and least of all among its aristocracy -- the so-called Kibutniks...' How many Jews know these facts?" -

"But in 1933, Jewish prosperity in Palestine was in danger of shutting down. In a tense world, the British were once again making strategic plans for the Middle East. These plans were dependent upon the Arab potentates England had been stringing along for a decade with conflicting promises of Arab nationalism in Palestine. So Palestinian immigration regulations had been pointedly revised a few years earlier. Severe quotas now applied to all Jewish immigrant categories, except the so-called capitalist settler with proof of £1,000 (about \$5,000) in hand.

"Few Palestine-bound Jews possessed that much money. Most were poor European workers. Moreover, the 'worker immigrant' quota itself was limited by

'absorptive capacity' or the ability of the Palestinian economy to expand and provide new jobs. In this way existing Arab jobs theoretically would no longer be threatened by new Jewish arrivals. The British didn't really expect the Palestinian economy to grow, because quotas restricted immigration for all but the wealthier Jews, and the great majority of wealthy Jews were uninterested in emigrating to Palestine. With little or no new capital, the Jewish economy in Palestine would stagnate." - [556](#)

"*The Transfer Agreement* is Edwin Black's compelling, award-winning story of a negotiated arrangement in 1933 between Zionist organizations and the Nazis to transfer some 50,000 Jews, and \$100 million of their assets, to Jewish Palestine in exchange for stopping the worldwide Jewish-led boycott threatening to topple the Hitler regime in its first year." - [556](#)

"Adolph's father, Alois Hitler, was the illegitimate son of Maria Anna Schicklgruber. It is generally supposed that the father of Alois Hitler was a Johann Georg Hiedler, a miller's assistant. Alois, however, was not legitimized, and bore his mother's name until he was forty years of age when he changed it to Hitler...

"There are some people who seriously doubt that Johann Georg Hiedler was the father of Alois. Thyssen and Koehler, for example, claim that Chancellor Dollfuss had ordered the Austrian police to conduct a thorough investigation into the Hitler family. As a result of this investigation a secret document was prepared which proved that Maria Anna Schicklgruber was living in Vienna at the time she conceived. At that time she was employed as a servant in the home of Baron Rothschild. As soon as the family discovered her pregnancy she was sent back to her home in Spital where Alois was born. If it is true that one of the Rothschilds is the real father of Alois Hitler, it would make Adolph a quarter Jew. According to these sources, Adolph Hitler knew of the existence of this document and the incriminating evidence it contained. In order to obtain it he precipitated events in Austria and initiated the assassination of Dollfuss. According to this story, he failed to obtain the document at that time, since Dollfuss had secreted it and, had told Schuschnigg of its whereabouts so that in the event of his death the independence of Austria would remain assured. Several stories of this general character are in circulation." - [564](#), "Hitler As He Knows Himself"

- **1943, Easter - Holocaust victims denied admission to Allied countries, a policy which forced survivors to populate Palestine.**

"In 1943, the Holocaust was in full operation, but in April in that year in Bermuda, a conference of British and American officials formally decided that nothing should be done about it. They 'ruled out all plans for mass rescue'. The British Foreign Office and the U.S. State Department were both afraid that the Third Reich would be quite willing, indeed eager, to stop the gas chambers, empty the concentration camps, and let hundreds of thousands, if not millions, of Jewish survivors emigrate to freedom in the West. The Foreign Office 'revealed in confidence' to the State Department its fear that Hitler might permit a mass exodus. If approaches to Germany to release Jews were 'pressed too much that is exactly what might happen'. The bigoted reality behind the Secret Report of the Easter 1943 Bermuda Conference was that not a single Allied nation wanted to let the Jews settle in its country... Only after the war was it confirmed that a rescue operation could have been successful... No one campaigned to rescue the Jews because the leaders of the Western nations had deliberately withheld the truth about the Holocaust from their own citizens. After verification by each of the Allied intelligence services, the body counts of murdered Jews were quietly classified as early as September 1941...

“Even after 1943, when Allied aircraft in Italy were in bombing range of the gas chambers, John J. McCloy, the U.S. Assistant Secretary of War, had ordered in writing that no American planes be diverted to the concentration camps.” - [511:49-50,140](#)

“...the State of Israel was created by the United Nations in 1948. Its symbol, the six-pointed star, adorns the Israeli Knesset and flies on the flag of Israel. In retrospect the six-pointed star was an Egyptian occult symbol which King Solomon adopted when he went into idolatry and witchcraft and built an altar for Ashteroth (star). It was seen in Arab magic and occultism and cabalism with very rare associations with Jews (and these were obviously cabalists) till the 16th century and the influence of the Cabalist Isaac Luria to the 17th century when Mayer Amschel Bauer used it on his door. Then he changed his family's name to Rothschild, meaning red shield, incorporating it into the family's coat of arms. Finally, it became the insignia of Zionism.” - [211:51-2](#)

- **1963-64 - Scottish Rite of Freemasonry established in Israel.**  
“The establishment of Israel's Grand Lodge made all the more evident the need to constitute a parallel sovereign

body to develop and govern the Scottish Rite bodies in the State of Israel. Credit for the initiative, taking the first concrete steps to reach this goal, must be given to Ill. Bro. Isaac Grassiani, 33°, who had arrived in Israel only a few years earlier... The first practical step taken was an application submitted to the Conference of European Grand Commanders held in The Hague on 1963...

“Last year we reported that the Conference of European Grand Commanders meeting at The Hague in the Netherlands had considered and discussed the desire of Brethren in Israel to establish a Scottish Rite organization in that country. It was the feeling of the European Grand Commanders, concurred in by the Grand Commanders of the Southern and Northern Jurisdictions, U.S.A., that the first step should be the organization of a Lodge of Perfection in Israel under the auspices of a nearby European Supreme Council. The result was that the 1963 Conference decided to ask the Supreme Council for Turkey to undertake the assignment.

“At the 1964 European Conference, conducted at Brussels, Belgium, Grand Commander Ill. Hazim Atif Kuyucak (Sovereign Grand Commander of Turkey) reported that the Supreme Council for Turkey regretfully had to withdraw from the proposed sponsorship inasmuch as its law, patterned after certain provisions of Turkish civil law, prohibited the Supreme Council from engaging in actual operations outside the boundaries of the Republic of Turkey.

“In 1963, it had been pointed out that a number of the few Thirty-third Degree Masons now residing in Israel, had received their Scottish Rite degrees in Germany many years ago and that, for such reason, the Supreme Council for Germany was very desirous of assisting in the erection of the Rite in Israel. The 1964 Conference, following the receipt of Commander Kuyucak's explanation, has now requested the Supreme Council for Germany to take over the formation of an initial Lodge of Perfection in Israel.” - [519](#)

- **1966, November 17 - Ceremony of Consecration and Constitution of Supreme Council for the State of Israel.**

“The ceremony of Consecration and Constitution of the Supreme Council for the State of Israel took place on November 17, 1966, at the Freemason's Hall, Tel-Aviv, in the presence of 23 Illustrious Brethren of the 33rd Degree, and over 250 other Brethren of the Scottish Rite. The ceremony was performed by Ill. Bro. Erich Schalscha, 33°, Sovereign Grand Commander of Germany... Isaac Grassiani was born in Silistra, Bulgaria, on March 7, 1886... The Grassiani family moved from Bulgaria to **Romania**, then Bavaria and Austria... In 1904, he completed a three-year course at the High School of Commerce in Vienna and returned to Bulgaria to serve as Sales Manager of a grain company. From that time he commenced his activity in the Zionist Youth Organization. As secretary of that body, he met **Dr. Theodor Herzl** during his visit to Bulgaria, and he was one of those who accompanied the Zionist leader on his journey to Sophia. In 1918, Isaac married and moved to **Bucharest**, Romania, where he opened a Travel Agency and acted as agent of ‘Nord Deutscher Lloyd] for Eastern Europe. In the year 1950, Isaac and his wife came to settle in Israel, arriving in Tel-Aviv with only one suitcase of personal effects. He joined the Eastern Carmen Travel Office, in which he was active until his last day... Bro. Grassiani was an outstanding personality in Romanian Freemasonry. He had been initiated on March 22, 1922, in the ‘Steava Danubi’ (Danube Star) Lodge in Bucharest, being elected W. Master of the Lodge in 1924. He served as Grand Treasurer in the Grand Lodge of Romania, during 1924-25.

“In those years, Freemasonry flourished in Romania and its influence extended to the Royal Family. In 1925, the Freemasons consecrated a chamber in the Royal Palace as a Masonic Temple In 1938, Bro. Grassiani was received into the Scottish Rite and advanced in the Higher Degrees. In 1946 he was coronated 33° and thereafter he was made an Active Member of the Supreme Council for Romania. During the Nazi occupation of the country (1940-

1944), Freemasonry was outlawed in Romania. Nevertheless, Freemasons continued acting underground. Bro. Grassiani and his Brethren initiated new members, at great risk to their lives. A number of those initiated later came to Israel and became active members of 'Hashahar' Lodge. In 1950, as stated, Bro. Grassiani arrived in Israel and joined the local Fraternity. Only a few members here knew of his past Masonic activities, and he was handicapped by a weak knowledge of Hebrew. Within a year, however, he had gathered round him a number of Brethren with a view to set up a Romanian-speaking Lodge. Thus, 'Hashahar' Lodge was established in 1951, under his Mastership. He was reelected, serving as Worshipful Master until 1954. Subsequently, he was elected Grand Chaplain in the Grand Lodge of Israel... On November 17, 1966, Bro. Grassiani was solemnly installed as the first Sovereign Grand Commander of the newly-consecrated Supreme Council for Israel. He held this position until the end of 1968." - [519](#)

With air superiority protecting its ground forces, Israel controlled the Sinai peninsula within three days and then concentrated on the Jordanian frontier, capturing Jerusalem's Old City (Subsequently annexed), and on the Syrian border, gaining the strategic Golan Heights. “HM Queen Elizabeth II's Palestine Exploration Fund (PEF), according to its leaders, today cites the Biblical Archaeology Society as the foremost source updating British Freemason Sir Charles Warren's work on the question of rebuilding Solomon's Temple on Al-Haram Al-Sharif (Noble Mount) in Jerusalem. The Biblical Archeology Society, founded by Ivy Leagues graduate Hershel Shanks in 1974,...has carried out the foremost debate on the site for rebuilding Solomon's Temple based upon the work of British Mason Sir Charles Warren. The Society has produced more than 17 articles in its various publications for Christian Fundamentalist consumption...  
“PEF cites two authors of note for the *Biblical Archaeology Review*: Asher Kaufmann, who is a member of the "Correspondence Circle" of the *Quator Coronati [Lodge]*, as well as a protégé of Aldermaston/British

Museum scientist T.E. Allibone, who dispatched him to Israel to poke around Al-Haram Al Sharif after the 1967 Arab-Israeli War; and Leen Ritmeyer, an agent of **Lord Jacob Rothschild**.

“One of the original leaders of *Biblical Archaeology Review* was Barbara Ledeen, whose husband is Michael Ledeen; his first book, *Universal Fascism*, was written in praise of Giuseppe Mazzini's Freemasonic Propaganda Uno (P-1). Later as the P-2 scandal broke, Michael Ledeen was deployed by Sir Henry Kissinger, KCMG, to clean up the evidence of Sir Henry's funding of P-2 and his likely involvement in the assassination of former Italian Prime Minister Aldo Moro...” - [534:64-5](#)

“There are eight Lodges working in Jerusalem, all of them under the jurisdiction of the Grand Lodge of the State of Israel. Most work in Hebrew, but there is one working in English (Holy City Lodge #4). The Masonic Temple is located at 13 Ezrat Israel Street, off the main thoroughfare of the New City, Jaffa Road. Other attractions in Jerusalem include the Israel Museum, where the original [Dead Sea Scrolls](#) are in exhibition, among many fascinating archeological discoveries, some of them thousands of years old. The world-famous Yad Vashem memorial perpetuates the memory of the victims of the Holocaust. “Our jurisdiction (the State of Israel) has close to 2000 brethren in nearly 70 lodges, working in 23 Masonic temples spread over the length and breadth of Israel. We are the only world-wide Grand Lodge working in eight different languages, namely: Arabic, English, French, German, Hebrew, Romanian, Spanish, and Turkish.

“At any lodge working in Israel, you can find brethren of all faiths--be it Jew, Christian, Moslem, Druze, or Bahai--sitting shoulder to shoulder in

harmony and friendship, sharing, and enjoying each other's company.

“In fact, in 1981, our Grand Master was a Christian Arab. Does this not show that we in Israel really put brotherhood into practice?

Three fields that were revolutionized during this time period, by the revelation of the Qur’an, were astronomy, historiography and geography.

- **Evangelicals' \*anything for Israel\* doctrine facilitates Judeo-Masonic takeover of the Holy Land.**

"In an effort to solidify its relationship with American **evangelicals**, the government of Israel has launched initiatives that include expense-paid trips

to the Holy Land and strategy sessions with the **Christian Coalition** and other conservative groups. The objectives: to revive Israel's sagging tourism industry and strengthen grass-roots support in the United States. The target audience is the estimated 98 million U.S. evangelicals, but especially a subset of that group, Christian Zionists... But Christian Zionism is about more than private belief. Its '**anything for Israel**' theology has the potential to affect U.S. foreign policy in the same way that the Christian right has influenced domestic issues through political pressure." - [395:11](#)

"**Promise Keepers** national spokesman **Mark DeMoss** is a professional at preparing fanatics for Armageddon warfare. As chief of staff to **Jerry Falwell**, DeMoss was the administrator of the self-proclaimed 'Christian Embassy' in Jerusalem. The embassy serves as a bridge between End Times Christians, lunatic freemasons, and right-wing Israeli Zionists. This is a pivotal component of the Temple Mount initiative to foment a religious war over the holy sites in Jerusalem, to 'fulfill Scripture.' This covert network is engaged in the most dangerous terrorist provocation, which may yet bring on End Times unless it is handcuffed. At Fort Bliss, Texas, DeMoss's Promise Keepers were engaged to train the nation's highest-ranking non-commissioned officers. Earlier this year, the United States Army Sergeants Major Academy advertised 'training with `Promise Keepers' as a 'spiritual fitness program,' on the Army unit's official Internet web site." - [226](#)
